Accommodation

adelaide.edu.au/inbound-study-abroad/accommodation

The University understands that accommodation plays an important part in building a solid foundation for academic success. Our Accommodation Service assists Study Abroad students to obtain suitable housing. Students may opt for one of the following options.

Urbanest at the University of Adelaide – purpose built student accommodation in the city centre overlooking the University campus.

The Village – purpose built student accommodation which is run and managed by the University of Adelaide.

Residential Colleges – there are Colleges within a 20 minute walk from the North Terrace campus offering a social environment with single study bedrooms, shared-bathrooms and three meals per day.

Roseworthy Residential College – the college offers accommodation for students studying at the Roseworthy campus.

Torrens Valley International Residence (TVIR) – offers affordable single rooms with shared facilities in a safe and secure environment; 20 minutes by public transport to the city centre.

Private house/flat share – students can find their own accommodation in Adelaide as it offers them the opportunity to live independently.

Airport pick-up and temporary accommodation

Adelaide international airport is a twenty minute taxi ride to the city. Alternatively, students can book an arrival reception service and a University representative will meet students at the airport and transport them to their accommodation.

Students who do not want to secure long-term accommodation prior to arrival in Adelaide may choose from a range of temporary accommodation options.
