Adelaide offers all the modern features of a thriving, globally connected centre of over a million people. Yet serene Australian bushland lies just 20 minutes’ drive to our east; and pristine white, sandy beaches the same to the west. Adelaide is one of the most affordable mainland Australian cities, with a cost of living up to 14% lower than Sydney and Melbourne.* Traffic is light and public transport extensive—with generous student discounts. But that’s just the start.

**Vibrant cultural and sporting scene**

Adelaide is Australia’s ‘festival city’ and hosts numerous world-class events every year. The Adelaide Fringe, Adelaide Festival and WOMADelaide showcase an incredible variety of international performing artists. Tasting Australia celebrates global cuisines. The Tour Down Under brings pro world cycling to our streets and hills. Plus, there’s international cricket, AFL (Australian rules football) and much more.

**A gourmet paradise**

Adelaide makes good use of South Australia’s premium ‘clean green’ produce with more restaurants and cafes per capita than any other Australian capital city. Whatever your food heritage, you’ll find it here; and you’ll find it done well.

**World-renowned wine**

South Australia’s most famous wine regions, such as the Barossa Valley, Coonawarra, McLaren Vale and Clare Valley, are all an easy drive from Adelaide. The vineyards are gorgeous; the wine outstanding.

**Unforgettable nature**

Keen to pat a koala or feed a kangaroo? No problem—you can do both in our local native wildlife parks. And you’ll never forget a cruise along South Australia’s beautiful Murray River, a hike through the Flinders Ranges’ ancient gorges, or a relaxing stay on the stunning Kangaroo Island.
