Choosing courses has never been easier with our extensive range of first, second and third year courses across 20 different disciplines!

It is the student's responsibility to check the [Degree and Career Finder](#) to ensure any pre-requisites and/or assumed knowledge (if applicable) have been met.

Failure to do so may result in unsuccessful course completion.

Things to Remember:

- Courses are subject to availability and can change before the start of any given trimester or during the first two weeks of trimester.
- Having approval/permission does **NOT** guarantee a place in a course. Courses may be cancelled prior to or after students' arrival and/or have a strict quota.
- Please ensure you have at least **eight** approved/permitted courses before enrolment commences to allow for changes to course offerings and timetable clashes.
- To undertake 2000+ 'LAW' courses, you must be enrolled in a Law degree/program at your home university; To undertake 'CCJ' and 'EDU' courses, you must be enrolled in an Criminology & Criminal Justice degree/program or Education degrees/program at your home university.
