ORIENTATION WEEK
The College provides an intensive orientation program the week before classes officially start. Orientation begins with a formal welcome to the College and introduces you to life in Sydney and at ICMS. You’ll be required to wear smart casual clothes during Orientation, and your own business attire from Week 1.
INTERNATIONAL CULTURAL IMMERSION PROGRAM

Join us for our International Cultural Immersion Program before you head to ICMS for O-Week.

The program is an in-country orientation which welcomes you to your host country. It helps you adjust to the academic and cultural differences you might encounter, introduces you to other study abroad students that will be attending ICMS, and exposes you to a beautiful and exciting area of Australia.

The program provides a unique educational aspect to your study abroad experience and it will prepare you for a semester of new adventures and lifelong memories. Session topics include culture, health and safety, the Australian education system, cultural adjustment and living in Australia.

Included in the program are organised meals, selected tours, educational sessions and bus transfers.
LIVING IN SYDNEY
Sydney is the state capital of New South Wales. This spectacular city of more than 5 million people is widely regarded as one of the world’s most liveable cities. An extremely pleasant climate helps; even in mid-winter, temperatures rarely fall below 50ºF (10ºC), and while mid summer temperatures can occasionally top 97ºF (36ºC), the average is around 82ºF (28ºC). Remember though, that southern hemisphere seasons are opposite to the northern hemisphere.

WHAT A LOCATION
The ICMS campus will take your breath away. Housed in a magnificent heritage listed building with more than 100 years of educational history behind it, ICMS overlooks Sydney’s famous Manly Beach and boasts 20 hectares of parkland. This safe and peaceful environment for study is just a few minutes walk from Sydney’s magnificent harbour, and the city itself can be reached in 17 minutes by fast ferry.

TRULY INTERNATIONAL
ICMS has over 1,300 students from over 50 countries around the world, offering not just a study experience, but a cultural experience too. Study Abroad students come from as far and wide as the USA, Mexico, Germany, Brazil, Switzerland, Sweden and Norway.

A LIFE EXPERIENCE
Naturally, you will want to do and see as much as you can while you’re in Australia. Here are a few activities you might like to consider:

- Walks to nearby Manly, Shelly and Collins Beach
- Surfing
- Beach volleyball
- Scuba diving
- Horse riding
- Day trips to the Blue Mountains and Hunter Valley
- Sailing on Sydney Harbour
- Sports afternoons on campus
- Sydney city sights tours such as the Opera House
- Harbour bridge climb
- See Australian animals at Taronga Zoo

OTHER THINGS YOU NEED TO KNOW

Visa requirements
All international students need an Australian student visa on enrolment. For more information about visa requirements and processing, go to studyinaustralia.gov.au. Please note that visa processing time may vary.

HEALTH INSURANCE
International students are required to have health insurance during their stay in Australia. ICMS will arrange your Overseas Student Health Cover (OSHC). OSHC contributes to the costs of doctors’ fees, specialists, ambulance, prescription medicines and emergency treatment. Norwegian students do not need OSHC as cover is provided by their national health scheme.

WORKING IN AUSTRALIA
International students may work in Australia while they are studying here. Work permits allow students to work for up to 20 hours a week during the academic trimester and full time during trimester breaks. Full details are available during Orientation Week.

Where you can live as an ICMS student
As a study abroad student, you can choose between on-campus or off-campus accommodation. On-campus accommodation includes all meals. For more details, go to icms.edu.au/accommodation. Off-campus accommodation includes shared houses or apartments, or private board.
