The Singapore campus of James Cook University

The Singapore campus of James Cook University is fully owned by James Cook University Australia, which is ranked in the top 2%* of universities in the world. James Cook University Australia established its Singapore campus in 2003 as part of its expressed intent of internationalising its activities and offers a suite of university level programs at the Singapore campus covering the areas of Business, Information Technology, Psychology and Education.

Additionally, the campus offers courses at the pre-university level, specifically designed to provide pathways for students who are unable to immediately meet university entrance standards.

EduTrust Star

James Cook University has the highest level of accreditation in Singapore for private education providers. This is known as EduTrust Star and is only awarded to those institutions which can display the highest possible standard in their academic programs, student experience and in the manner in which they operate.

James Cook University is the first organisation with this accreditation.

SQC STAR

James Cook University has also been awarded the Singapore Quality Class STAR (SQC STAR). The SQC STAR recognises SQC organisations that have made further improvement in their business excellence journey.

Why choose James Cook University?

James Cook University Inter-campus Mobility Program

James Cook University provides the opportunity for you to study in Singapore and in Australia and yet still remain as a Singapore based student paying your fees in Singapore currency. This is a unique program in Asia and is only able to operate because the university operates across both countries. The program is designed to ensure you get the best possible outcomes from their years of study with the university.

Globally recognised Australian degree

You will graduate with exactly the same globally recognised degree as students who study at James Cook University in Australia.

Trimester System

With a trimester based program, you can complete your Bachelors degree in 2 years and Masters degree in 16 months.

Supportive study environment

Our campus is designed to support collaborative learning and collaborative study techniques. We provide you with access to a full range of facilities and services to support your learning. These include lecture and seminar rooms, library and associated study facilities, computer laboratories, apple rooms and trading stimulation room. Additionally, you will have access to a range of sporting facilities and can join a number of clubs and societies. We aim to provide a full university experience and not just a study program.

Variety of courses

Double majors in Business: You can complete the double major at no extra cost or time commitment

Joint Masters of IT and Business Administration: Get broader industry exposure and wider career options with a joint Masters program.

Psychology Accreditation: Our Bachelor of Psychological Science and Postgraduate Psychology courses are accredited by the Australian Psychology Accreditation Council (APAC).

Diploma Programs: Students with Year 12, GCE 'A' Level or its equivalent who do not meet direct entry to a degree program are eligible to pursue this qualification.

Preparation for the global workforce

We provide you with the skills to find a job through specially designed 'employment workshops'.

James Cook University is EduTrust Certified. The EduTrust certification scheme is administered by the Committee for Private Education (CPE), a part of SkillsFuture Singapore (SSG). EduTrust requires all students to be covered under a Fee Protection Scheme. In James Cook University, this is provided through an insurance protection scheme. Further, EduTrust also requires that the students must be covered under a medical insurance coverage which has provision for hospitalisation, surgery and treatment costs throughout their course duration. James Cook University will advise in the Standard Student Contract the total amount of insurance payable.

My class is composed of a diverse group of students who bring wealth in terms of culture and life experiences. The interaction between students and lecturers makes my uni experience an interesting one.

Ander Sõõrumaa | Bachelor of Business | Estonia

Within just a few weeks, James Cook University has become like a home to me. I spend a lot of time with my friends in-between classes in the library and student lounge. James Cook University also offers a variety of co-curricular activities like the Football club, Mandarin club and the Toastmasters club. I am happy to have chosen James Cook University for there is so

Santoshi Konchada | MBA | India

I am an IT graduate with over 4 years of international work experience. I never realized my passion towards numbers and management skills until I joined James Cook University. The well designed curriculum delivered by experienced faculty with mentoring support provides the right foundation to be a better entrepreneur or to join the corporate world confidently. Thanks James Cook University for bringing the best out of me.
