Achieve your ambitions.

Your full potential is waiting to be discovered and at UNSW we’re committed to helping you achieve something unique and extraordinary.

Through hands-on learning and original thinking, you will be inspired to develop and grow – as you build towards your future career.

And that’s the case whether you are on campus or taking advantage of the hundreds of digitally delivered programs we offer.

We are passionate about ensuring all our graduates have both the theory and practical experience they need to do incredible things around the globe.

Learning from academics that are recognised as global leaders in their fields and working in world-class facilities, you will interact with industry leaders and apply the latest research in the real-world.

Whatever your own personal challenge, we’ll help you rise to it and enjoy success.

So join us on campus or via digital learning. Together we can make a difference.

Turn your ambition into a career.

UNSW’s extensive career and academic development services can help you gain practical workplace skills, obtain professional experience and develop a plan for global career success.

UNSW Student Academic and Career Success
Employers seek well-rounded graduates who can demonstrate relevant studies, work experience and extra-curricular involvement. UNSW’s dedicated Student Academic and Career Success (SACS) team helps students gain practical workplace skills, connect with industry and develop a plan for global career success. Career Development Learning Facilitators along with Academic Language Learning Facilitators and English language support are available to you throughout your degree to help you become career ready. You can attend free seminars, access online resources or book a one-on-one careers appointment. You’ll also have access to career support up to 18 months after completing your degree. For more information, visit careers.unsw.edu.au

Professional Development Program for International Students
As an international student, you can take advantage of a Professional Development Program tailored to give you hands-on experience in a professional workplace. The program includes a three-day seminar covering topics such as business communication, employer expectations and recruitment processes. You also have the opportunity to complete a 50-hour workplace experience in offices located throughout UNSW.

> Get hands-on experience and confidence in a professional setting
> Improve your job application and interview skills
> Learn about employer expectations in the Australian workplace
> Improve your business communication and business writing skills
For more information, visit student.unsw.edu.au/pdp

International Students Careers Week
A week of seminars, panels and online events highlights the global opportunities available to international students. You can meet with international employers, create beneficial networks, and learn valuable recruitment tips from employers and alumni. For more information, visit student.unsw.edu.au/careers-week

Internships
UNSW offers internships through Work Integrated Learning (WIL) opportunities as part of many of our degrees. These opportunities can be credited towards your degree, giving you valuable insights into your industry’s workplace culture. WIL provides you with specific work experience as part of your degree. Check with your Faculty Student Centre for full details of what is available, or visit wil.unsw.edu.au

Careers Expo
Held twice a year, the UNSW Careers Expo is a chance for students to meet and discuss potential employment and internship opportunities with over 100 participating employers, including BHP Billiton, Shell, Commonwealth Bank of Australia, Deloitte, HSBC, Microsoft, IBM Australia, and many more. For more information, visit student.unsw.edu.au/expos

International Student Employability Guide
This employability guide is designed specifically for UNSW international students. It provides tips on how you can become more employable and includes the resources and programs available to you as a UNSW student. For more information, visit student.unsw.edu.au/international-student-careers

Offshore networks
UNSW maintains offices in China, India and Indonesia as well as staff posted around the world in North America, Europe, Africa, and South East Asia. Our overseas staff have relationships with leading industry partners to promote the UNSW brand and ensure insights from companies around the world inform our programs. For more information, visit international.unsw.edu.au

Professional skills programs
Employers expect graduates to have strong analytical and problem-solving skills, which are vital in many industries. Gathering information, analysing it, communicating with others, utilising logic and imagination and working well in a team are all skills that help solve problems. UNSW will help you enhance your skills thanks to programs such as Interchange and UNSW Hero Program which require students to consider and address real world business issues. For more information, visit student.unsw.edu.au/programs
Feel safe and welcome.

G’day. Hello. Hi. How’s it going? Get used to Australians greeting you like this. It’s how we do it here. Aussies are known for being friendly and you’ll find a smile wherever you go. Plus, Sydney was ranked fifth safest city in the world in 2019**.

It’s a multicultural city full of people from all over the world. So, it will feel like a home away from home, no matter where you’re from. And the best bit about living in a multicultural city? The food. You can find any food you want here. There’s Chinatown, Spice Alley, Little Italy and an array of fresh food markets all within easy reach.

Bring your appetite. You’ll need it.

Jumpstart your career connections in the business capital of Australia.

Sydney is home to more global firms than any other Australian city. And as a gateway to Asian economies, you’ll find many valuable networking opportunities to help you stand out in the global job market.

Take a break from the books.

There’s always something fun and exciting happening in Sydney to take your mind off your studies - from concerts in the Opera House, to free events including Vivid light and musical festival, Chinese New Year celebrations and the multicultural Parramasala.

Or if you’re more into sport, there are top class sporting events including cricket, soccer and rugby. We even have our own football here called Aussie Rules.

For the more artistic visitors, there are eclectic theatre productions, local and international music acts, and arts and culture exhibitions to keep you entertained and inspired all year round.

And if you just want a cup of coffee and a quiet place to sit, Sydney’s café culture is hard to beat.

Get amongst the fun in Sydney

**Economist Intelligence Unit Safe Cities Index 2019

Sydney, one of the world’s best cities.

Sydney. It’s one of the best. And that’s not just according to us. It’s rated as the third most liveable city in the world*. What makes it so great? Well, take a look. With a stunning harbour and year-round amazing weather, it’s easy to see why people fall in love with it. But Sydney is more than just a pretty face. It offers countless business and career opportunities, it’s Australia’s financial and economic powerhouse, plus it’s a multicultural, global city.

There’s always something to do in Sydney, and UNSW is right in the heart of it all. Come join in.

Sydney downtown Bondi Beach, Sydney

Sydney on a budget.

On a budget? No worries. There are lots of affordable indoor and outdoor activities to enjoy in Sydney.

Pop into a free art gallery, catch a movie at the local cinema, set off on a coastal walk, snorkel or surf at the beach, or enjoy a budget-friendly lunch or dinner in one of our neighbouring suburbs.

Explore Sydney’s surroundings.

Sydney is all about the outdoors. And it’s more than just beaches.

Grab a picnic and head to one of the beautiful public parks for a barbecue with friends. Or if you’re up for a daytrip or weekend adventure, the Blue Mountains to the west of Sydney, the Royal National Park to the south or stunning Palm Beach in the north are great for a getaway. And of course, there are those beautiful beaches to the east.

Fall in love with Sydney
international.unsw.edu.au/sydney-worlds-best

2021 UNSW POSTGRADUATE GUIDE
2021 UNSW POSTGRADUATE GUIDE
Here's a little taste of what you'll find in Sydney.

The best bits.

- Sydney is the 9th best student city in the world. (QS Best Student Cities Index, 2019)
- Sydney has an average of 236 days a year with sun.
- 31.7% of Sydney’s population is born overseas.
- There are over 100 beaches in Sydney.
- There are over 250 languages spoken in Sydney.
- The Sydney Harbour Bridge is also called “the coat hanger”.
- The Sydney Opera House hosts 40 events a week.
UNSW has the best of Sydney right at its doorstep. The city centre and its global businesses are just a short light rail trip away. Or if you need a break from the books, the beaches at Bondi and Coogee are not far from campus. Up for some sightseeing? The famous Sydney Opera House and Sydney Harbour Bridge are so close you can see them as many times as you like.

Plus, there are plenty of food options off-campus with China Town, Thai Town, Spice Alley and more only a bus ride away.

All this and more is easy to get to thanks to Sydney’s public transport system. There are trains, buses, ferries and light rail options at all hours of the day. And if you want to make the most of this beautiful city, jumping on a bike or walking will help you take it all in at your own pace.

But what about getting to the main campus? Easy. There’s a new Light Rail network that’s making it even easier to get to UNSW. Plus, there are 1,700 buses to and from Central station every week.

Make the most of your time in Sydney.
discoversydney.nsw.gov.au
Scholarships. For the brightest minds.

We offer a number of scholarships and sponsored awards to high achieving international students. If you are applying for an undergraduate coursework degree, our scholarships and awards are a fantastic opportunity for you to gain financial support while studying.

International Scientia Coursework Scholarship

Value
The scholarships will be offered as one of the following:
• Offer 1: Full tuition fee scholarship
• Offer 2: A$20,000 per annum tuition fee scholarship for the minimum duration of the program

Non-financial benefits
Recipients of the scholarship may also be offered the following:
• Guaranteed ‘fast-track’ application and interview for on-campus accommodation at a UNSW Kensington College
• Invitation to UNSW networking events
• Guaranteed entry to the UNSW Professional Development Program
• Ceremony to award the scholarship

Selection criteria
Each applicant will be assessed on their ability to demonstrate:
• Academic merit
• Leadership skills (school, workplace or community)
• Extracurricular activities (sporting, cultural activities, volunteer/work experience)
• Reasons for undertaking studies at UNSW

Australia’s Global University Award

Non-financial benefits
Recipients of the award may also be offered the following:
• Invitation to UNSW networking events
• Invitation to attend the Award Ceremony

Selection criteria
Each applicant will be assessed on their ability to demonstrate academic merit

UNSW Global Academic Award

UNSW Global offers a range of academic and English language pathway programs to international students who have just missed out on direct entry into university.

Students who successfully complete a UNSW Global Foundation Studies program and intend to progress to a UNSW bachelor degree are eligible for the UNSW Global Academic Award.

Non-financial benefits
Recipients of the Award may also be offered the following:
• Invitation to UNSW networking events
• Invitation to attend the Award Ceremony

Selection criteria
Each applicant will be assessed on their ability to demonstrate academic merit

Find a scholarship that supports and recognises your potential!
Visit scholarships.unsw.edu.au to see the full range of scholarships available.

For more information on eligibility and how to apply refer to page 116 or scholarships.unsw.edu.au
An innovative research community with approximately 4,500 dedicated research students.

The Torch Innovation Precinct brings together industry, entrepreneurs, investors, and policymakers from around the world. These networks allow us to facilitate the transition from innovation to research and development to realisation.

12 Australian Research Council Centres of Excellence.

We transform clever ideas and research discoveries into successful innovations to benefit society, the economy, and future generations.

We conduct research across a wide range of areas, investing where we believe we can make the biggest difference, such as:

- **Solar power (photovoltaics):** We broke the record for the conversion efficiency of a silicon solar cell, and we are home to one of the world’s fastest solar-powered cars.

- **Clean drinking water:** We created membrane filtration technology to filter water that is now used in taps around the world.

- **Population Ageing:** We are developing economic and health policy frameworks for government and industry to sustainably manage this global challenge.

- **HIV/AIDS:** Since diagnosing Australia’s first case of HIV, we have been involved in the development of every existing antiretroviral HIV drug.

- **The world’s first quantum computer:** Using silicon, we are one of the global leaders in the race to build a quantum computer.

- **Recycling:** We have revolutionised recycling by delivering critically needed innovations to help manage the world’s waste.

One of the country’s largest research communities with approximately 4,500 dedicated research students.

The Torch Innovation Precinct brings together industry, entrepreneurs, investors, and policymakers from around the world. These networks allow us to facilitate the transition from innovation to research and development to realisation.

UNSW offers Australia’s most comprehensive university entrepreneurship program graduating the highest number of Australian startup founders. You will be primed for future success by developing entrepreneurial confidence throughout your student experience – both within your studies and through involvement with the specialist UNSW Founders Program.

UNSW Founders is a university-wide program available to students, staff, and alumni. It is designed to embed entrepreneurial skills and knowledge into your university experience, while also supporting exceptional entrepreneurial talent.

An inclusive mindset underpins the development and delivery of UNSW Founders’ wide-ranging initiatives which aim to inspire, nurture, and educate everyone, whether you’re completely new to entrepreneurship, or an experienced founder. With one-on-one coaching, interactive workshops, pre-accelerator and accelerator programs, and access to cutting-edge facilities, UNSW Founders clearly signposted journey can take you from foundational classes in entrepreneurial mindset right through to launching your startup into the global marketplace.

The Founders Program fast-tracked our growth by putting us in touch with industry experts and mentors that have been crucial to our product development and business strategy. We’ve gained not only exposure to the startup industry as a whole, but it has made us think more globally and aspire to expand into the larger US market in the future. The funding, office space, and resources provided have been invaluable to us succeeding on our journey.

— Vanessa Zhao, Co-Founder, Yellowbox

UNSW Founders 18+ Accelerator, Cohort 4, 2019
UNSW has among the largest student housing capacity in Sydney with award-winning accommodation on and off campus. Live within walking distance of your lecture halls, meet people from around the world, and make lifelong friends. Alternatively, find your own home in the neighbouring Eastern Suburbs or by the beach.

**Accommodation at UNSW**

**Colleges**
Colleges provide a choice of full board, partially catered, and self-catered accommodation. There is also a range of gender-specific options including male only, female only, and mixed male and female accommodation. Most colleges cater for dietary requirements like halal, kosher and vegetarian.

**Apartments**
Apartments offer independent-style living for undergraduates, postgraduates, couples, and families with children. There are apartments on and off campus and costs vary depending on the number of rooms and the location.

You should organise your university accommodation early as places book up quickly. Go to accommodation.unsw.edu.au for information about accommodation on the UNSW Campus.

**Private accommodation options**

**Rental property**
There are many private rental properties in the suburbs surrounding UNSW. Costs vary according to the number of bedrooms, the condition and location. When renting, you usually sign a six or 12 month lease and pay rent in advance plus a security deposit called a bond. You can rent a furnished or unfurnished property and generally there will be additional expenses such as electricity, gas, telephone and Wi-Fi. Costs vary but usually range from AS250 to AS350 per student per week in a shared house or apartment.

**Homestay (full board and room-only)**
Homestay options include full board and single room-only accommodation. Full board usually includes a furnished room, use of facilities in the private home of a family or single person, plus breakfast and dinner. Some also include bed linen, a laundry service, and weekly room cleaning. Single room-only homestays include a furnished room, and gas and electricity expenses in the rent. You will be responsible for buying your own food, cooking, cleaning, laundry and telephone costs. Costs vary but usually range from AS250 to AS350 per student per week. Search our database of locally listed private properties at studystays.unsw.edu.au.

**Temporary accommodation**

If you haven’t confirmed your university accommodation before you arrive, we recommend you allow three to four weeks before classes begin to look for private housing, settle in, and attend orientation sessions. Be sure to book short-term accommodation first, then look for long-term options in person. Short-term accommodation can include private hotels, motels, hostels, lodges or furnished apartments ranging from AS45 to AS100 per day.

**Private student housing assistance**
UNSW’s International Student Housing Assistance (ISHA) team can help you look for temporary or private accommodation if UNSW accommodation isn’t available when you apply. The service is available at the start of each term. For more information, visit student.unsw.edu.au/housing-assistance.

**Under 18s**
Arrangements must be made for students under 18 years of age. These requirements are in line with Australian Government regulations for the care and welfare of international students under 18. For more information, visit student.unsw.edu.au/visa18.
The Kensington Colleges: Basser, Philip Baxter and Goldstein

Made up of the three residential colleges – Basser, Baxter and Goldstein – you’ll find a strong sense of community and a vibrant social life.

Fig Tree Hall

A multi-faith and multicultural college with strong academic support. In respect for a multitude of faiths the college is alcohol-free and features both gender segregated and mixed floors.

UNSW Hall

Drawing students from around the world and Australia, this is a place to broaden your understanding of others in a close and active community, with many optional events.

Colombo House

This is the only college to give you the freedom to cook your own meals, but still be part of college events and social life.

Creston College

Provides accommodation for up to 25 undergraduate and postgraduate full-time female students.

International House

A cross-cultural college with a mix of international and domestic students in their senior undergraduate or postgraduate studies. Cultural, social and sporting activities add to the supportive environment.

New College

New College is well known for its vibrant community, academic excellence, pastoral care and Christian Foundations. Welcomes students of all denominations.

Shalom College

Warm and friendly, diverse, multicultural community open to undergrad and postgrad students.

Warrane College

Open to male students at UNSW.

University Terraces

Stylish, affordable and modern, the Terraces are a self-sufficient style of living at the heart of UNSW. FInd bars, cafes, and a supermarket right at your doorstep.

Barker Street Apartments

Five-bedroom apartments offer a private room with common living spaces. There are also options for families, couples and people needing wheelchair access.

Mulwarree Apartments

Located approximately 1.5 kilometres from UNSW, Mulwarree offers a short commute to classes but a reasonable distance for people who want a distinct life at home.

High Street Apartments

Located across the road from UNSW at Gate 9, this strikes the perfect balance for families or couples. Preference is generally given to couples and families with children.

New College Village

Quality, fully furnished, air-conditioned secure accommodation for postgraduates and selected undergraduates on lower campus.

UNSW Village

A range of fully furnished, stylish and contemporary apartments conveniently located on campus.

UniLodge @ UNSW

Only 18 minutes from UNSW Kensington Campus, with a choice of fully furnished studio and shared serviced apartments with 24-hour security and a live-in manager.

Accommodation costs are subject to change and are indicative only.

A place to make new friends.

UNSW has a village atmosphere that will make you feel at home.

Social activities
Make the most of your time here and see some of Australia’s natural wonders, take a weekend trip to the Blue Mountains, the Royal National Park or Hunter Valley, go whale-watching, surfing and more.

Religious centre
We welcome students from all religious backgrounds to our interfaith religious centre. Chaplains conduct services and studies and offer spiritual counselling.

Staying safe
Student safety is our number one priority. We provide 24/7 security services and have an app to help: StaySafeUNSW. Get the details at international.unsw.edu.au/life-at-unsw

Campus life
Walk to the beach. Tram to the city. Hang out on campus.

Campus facilities
You’ll find dozens of cafes and restaurants, banks, ATMs, a post office, supermarket, food cooperative, pharmacy, medical centre, dentist, libraries, a fitness and aquatic centre, sports fields and courts.

Study areas
We’ve got indoor computer labs and outdoor study areas so you can find the right vibe to suit your study style. Our outdoor areas have power outlets to charge your devices, and our whole campus has free Wi-Fi.

Student Association, Clubs and Societies
Arc is our student association run by students for students. With over 300 clubs and societies, you’ll find a group that’s right for you! Get amongst it: arc.unsw.edu.au
We’re here for you - every step of the way.

Our students tell us we are one of the friendliest universities in Australia with many support services you can rely on. We have a range of support and development services to assist you from the time you arrive through to your graduation.

Arrival support
From picking you up at the airport, running new arrival workshops and taking you on campus tours, our dedicated International Student Welcome Centre will make sure you feel welcome, safe and well connected.

Making friends and settling in
New students can apply to be matched with a Cultural Mentor before they arrive in Australia. Your Cultural Mentor could be an international or Australian student. The program introduces new international students to a senior student ‘buddy’ who will answer questions about UNSW and Sydney before you arrive. After you arrive, you can meet up with your mentor to learn about Australian culture, customs, and being a student at UNSW.

UNSW has many other mentoring programs in faculties and the wider UNSW community. There are also a number of Cultural Transition programs including Culture of Oz, the Language Exchange Program, the Discussion Group and more.

International Student Advisors
UNSW’s International Student Advisors are always here to help you with personalised advice and information about all aspects of your university life, your student visa, your wellbeing, and your academic performance. Advisors also run our Under-18 Care Program, supporting younger students throughout their study.

For more information, visit student.unsw.edu.au/international

Academic support
As a UNSW Sydney student, you will have access to free online resources, academic skills workshops, individual consultations with Academic Language & Learning Facilitators, exam preparation advice, and more. UNSW has a dedicated Learning and Careers Support Hub, located right in the middle of campus, which caters to all students’ academic support needs.

For more information, visit student.unsw.edu.au/skills
Make your studies work for you.

The innovative UNSW3+ academic calendar gives you the flexibility to choose your own study plan.

UNSW3+ features three standard 10-week teaching terms plus an optional five-week summer term. You only need to enrol once annually which allows you to fully plan your entire academic year. A standard study load is 8 courses (48 Units of Credit) per year spread over three terms. With UNSW3+ you can schedule a lighter study load of just two courses during one term to suit your needs, or complete nine courses per year to free up time for an extended internship. You can even apply to pick up an additional course in the summer term if you just want to get ahead.

Plan your study

The UNSW Academic Calendar allows you to shape your study to suit your needs, giving you the opportunity to pursue the experiences you want to have both in and outside the classroom.

UNSW3+ academic calendar

<table>
<thead>
<tr>
<th>Year</th>

<td>10 teaching wk</td>
<td>10 teaching wk</td>
<td>10 teaching wk</td>
<td>5 wk</td>
</tr>
</tbody>
</table>

The major benefits of the UNSW 3+ academic calendar are:

- Studying a maximum of three courses per term ensures you have time to gain deeper knowledge of each subject.
- Flexibility to get involved in activities outside of your studies, to undertake an internship, or build your networks to make you more employable.
- Better alignment with international university calendars so you can add global experiences into your studies more easily.

In 2021, a number of degrees will have three intakes - Term 1 (February), Term 2 (June) and Term 3 (September).

Check the UNSW Degree Finder at degrees.unsw.edu.au for up-to-date information on UNSW Degrees and their term intake.

The UNSW3+ calendar dates for 2021 and beyond can be found at student.unsw.edu.au/calendar.

UNSW3+ has given me the flexibility to choose fewer courses per term which lessen my academic load and allows more opportunities for me to focus on developing essential industry skills and participate in a wide range of seminars and workshops outside the university.

Prasanth Pratthigadapa, Master of Engineering Science specialising in Transport Engineering
Studying online with UNSW

Studying online means you’ll receive world-class education... anywhere. You will have the flexibility to study where it suits you, while still receiving the same high standard of teaching as if you were on campus.

We offer hundreds of online programs that are interactive and provide you the opportunity to connect with teachers and fellow students throughout your online studies. Some of the many benefits of studying online are:

Flexibility
You can attend classes from wherever you are. Online learning helps to balance professional and/or personal commitments which means you have the flexibility to study at the times you work at your best. You save time by not needing to travel to classes on-campus, making post-graduate study, while working full-time, more achievable than ever before.

Management of study time
You have more control over the time you spend studying.

Connections and networks
Through the digital environment, you connect with world-class lectures and other students and form valuable networks and communities - both locally and globally.

Support
Being an online student doesn’t mean you are isolated. Student support is only a call or email away and your dedicated Student Success Advisor is always available.

Global knowledge
You continue to be informed and access UNSW’s global knowledge.

For more information or to browse through our online degrees, visit online.unsw.edu.au.
Discover the right postgraduate program for you.

With nine faculties and almost 200 degrees, UNSW has the right program for you.

Leaders in their field
UNSW Arts & Social Sciences academics include acclaimed researchers, novelists, journalists, composers and more.
Art & Design

Build confidence in your creativity. Supported by our open community, you will become ready for a thriving creative career.

Top ranking in Art & Design
Immerse yourself in Australia’s top creative faculty* where you will develop future-proofed creative, conceptual and professional skills in an interdisciplinary environment.

Connected to industry
Belong to our world-class creative community. Take up professional experience opportunities with over 1,000 industry partners and graduate as part of our celebrated graduate network.

Dedicated creative community
Become a groundbreaking maker on our creative campus in Paddington, which gives access to an unmatched array of studios, workshops, digital labs and expert support staff.

*UNSW is the only institution to consistently be rated well above world standard in the field of Creative Arts and Writing in the Australian Research Council’s, Excellence in Research Reports.

Career outcomes

- Advertising executives
- Animators
- Artists
- Arts journalists
- Arts managers
- Communication specialists
- Contemporary artists
- Creative arts teachers
- Creative directors
- Curators
- Designers
- Digital media designers
- Film and television producers
- Furniture designers
- Gallerists
- Graphic designers
- Illustrators
- Industrial designers
- Interactive designers
- Jewellery designers
- Media specialists
- Researchers
- Textile designers
- UX designers
- VR specialists
- 3D visualisation specialists
Curating and Cultural Leadership

Launch a dynamic career in contemporary curating by generating new ideas and setting cultural agendas. The Curating and Cultural Leadership programs forge connections between the visual and performing arts, humanities, and critical inquiry with, and through, curatorial practice. The curatorial strand emphasizes the development of an independent, critical and creative practice with an understanding of both the cultural and historical context.

Areas of study

Curating | focuses on contemporary curating as a diverse and dynamic profession which plays a key role in setting cultural agendas and discovering new ground. The curatorial strand emphasizes experimentation and the development of a strong independent practice through curatorial studios and live public projects.

Cultural Leadership | includes museum management, public programming and engagement, education, policy, critical writing, promotion, production and new emerging roles. It emphasises the fluid boundaries between all of these activities and promotes a collaborative approach. This strand fosters a vision of leadership that is diverse and limited by neither age nor status. It educates students to develop a unique individual philosophy underpinned by a robust and flexible skill set.

Master of Curating and Cultural Leadership

- Program code: 6018
- CRICOS code: 88280A
- Duration: 1, 1.7 or 2 years
- Entry: February and September
- Estimated first year tuition: $37,200

Entry requirements:

Depending on the level and nature of prior qualifications, admission to the Master of Curating and Cultural Leadership has three entry points with different duration:

2 Year Program (96 UOC)

A recognised bachelor degree in any field with at least a credit average (65%) or equivalent. This provides admission into the two-year program (96 UOC).

1.7 Year Program (72 UOC)

A recognised bachelor degree in a related field conferred within the last 10 years with at least a credit average (65%) or equivalent. This provides admission into the 1.7 year program (72 UOC).

1 Year Program (48 UOC)

An honours degree in a related field conferred within the last 10 years. This provides direct admission to the advanced one-year program (48 UOC).

Graduate Diploma in Cultural Leadership

- Program code: 5312
- CRICOS code: 88280K
- Duration: 1 year
- Entry: February and September
- Estimated tuition: $37,200

Entry requirements:

A recognised bachelor degree in any field, or a Graduate Certificate in Cultural Leadership with at least a credit average (65%).

Graduate Certificate in Cultural Leadership

- Program code: 7318
- CRICOS code: 88280K
- Duration: 8.7 years
- Entry: February and September
- Estimated tuition: $37,600

Entry requirements:

A recognised bachelor degree in any field.

Applicants without a bachelor degree may be admitted to the Graduate Certificate on a case-by-case basis by the Program Director, on the basis of a portfolio. Portfolios are required and are subject to an interview. The portfolio should demonstrate a clear understanding of the field of study and the ability to undertake a course of study at the graduate level.

I like that UNSW is a really prestigious institution and has links to some pretty big industries, so I know that will look good on my resume.

– Evana Wong, Malaysia

Master of Design

- Program code: 9313
- CRICOS code: 88219B
- Duration: 1, 1.7 or 2 years
- Entry: February, June and September
- Estimated tuition: $37,200

Entry requirements:

Depending on the level and nature of prior qualifications, admission to the Master of Design has three entry points with different duration. Students may also articulate into the Master of Design upon completion of the Graduate Diploma in Design with a credit average (65%).

2 Year Program (96 UOC)

A recognised bachelor degree or honours degree with at least a credit average (65%) or equivalent, conferred within the last 10 years. The bachelor degree can be in any field. Applicants who apply from non-related fields will be admitted on a case-by-case basis by the Program Director, on the basis of a portfolio. Portfolios are required and are subject to an interview. The portfolio should demonstrate a clear understanding of the field of study and the ability to undertake a course of study at the graduate level.

1.7 Year Program (72 UOC)

A recognised bachelor degree in a related field conferred within the last 10 years with at least a credit average (65%) or equivalent. This provides admission into the 1.7 year program (72 UOC).

1 Year Program (48 UOC)

An honours degree in a related field conferred within the last 10 years. This provides direct admission to the advanced one-year program (48 UOC).

Graduate Diploma in Design

- Program code: 5306
- CRICOS code: 88219A
- Duration: 1 year
- Entry: February, June and September
- Estimated tuition: $37,200

Entry requirements:

A recognised bachelor degree in any field, conferred within the last 10 years. This provides admission into the one-year program (5306).

Graduate Certificate in Design

- Program code: 7306
- CRICOS code: 88219B
- Duration: 8.7 years
- Entry: February, June and September
- Estimated tuition: $37,600

Entry requirements:

A recognised bachelor degree in any field.

Applicants without a bachelor degree may be admitted to the Graduate Certificate in Design on a case-by-case basis by the Program Director, on the basis of a portfolio of work and professional experience.

I like that UNSW is a really prestigious institution and has links to some pretty big industries, so I know that will look good on my resume.

– Evana Wong, Malaysia

Curating and Cultural Leadership

The Design programs are interdisciplinary, industry-engaged and focus on the role of design in innovation and the global economy. You will integrate technology, design thinking, conceptual curating, strategy and communication with practical skills, developing your professional and practical design knowledge to an advanced level.

Areas of Practice

You will choose from the following studio-based courses to either focus on a specific area of design and digital media practice or to put together your own suite of courses:

Graphic Communication | addresses graphic design for paper and print, the screen and broadcast, encompassing contemporary typographic, graphic design and cross-cultural communication strategies in designing for different audiences.

Spatial Experience | engages with the design of processes, services, events and environments, with a focus on the quality of the user experience.

Interaction and User Experience (UX) Design | covers visual communication and user-experience across graphics, media and emergent interactions.

Visualization and Visual Effects | focuses on the practices of designing for animation, 3D, sound, film, video, illustration and computing.

Future Making: Materials and Objects | focuses on the making of objects with new materials, digital technologies and craftsmanship. It addresses the integration of technical knowledge and skills with material and contextual understanding. Future Making works with ceramics, jewellery, metal, textiles, furniture and lighting.

Design Portfolio Requirements

As noted in the entry requirements of each design program, depending on the level and nature of your prior qualifications, you may be required to submit a portfolio. Portfolios are submitted with your online application and must include the following:

1. A 10-page digital portfolio of original design work with critically reflective text.
2. A cover letter explaining your interest in UNSW and the degree as well as your interests, achievements and experience.
3. Verified evidence of professional experience in a design or media-related field.
4. A two-page resume that details your experience in, or related to design including contact details for two referees.

A recognised bachelor degree in any field, conferred within the last 10 years. This provides admission into the one-year program (48 UOC).
Visualisation, Simulation, and Immersive Design

Equip yourself to become a future-ready design leader, capable of understanding and meeting the growing demand of immersive practices across a multitude of industries. The Visualisation, Simulation & Immersive Design programs offer a unique human-centric, design-led approach focusing on human perception and experience. You will learn how, why, when and where to effectively utilise simulation and immersive platforms including VR, AR and MR.

Visualisation, Simulation, and Immersive Design programs are designed to accommodate busy professionals and combines on-campus and online delivery. For more information, visit artdesign.unsw.edu.au/MVSID

Master of Visualisation, Simulation, and Immersive Design

Program code 0922
CRICOS code 09998A
Duration 1.7 years
Entry February and September
Estimated first year tuition A$38,550

Entry requirements
- A recognised bachelor degree in any field with at least a credit average (65%) or equivalent. Given that the program enables practitioners from a wide range of industry sectors, entry is not dependent upon a degree cognate with the creative disciplines.

Graduate Certificate in Visualisation, Simulation, and Immersive Design

Program code 7322
CRICOS code 09994A
Duration 0.7 years
Entry February and September
Estimated tuition A$19,500

Entry requirements
- A recognised bachelor degree in any field with at least a credit average (65%) or equivalent. Given that the program enables practitioners from a wide range of industry sectors, entry is not dependent upon a degree cognate with the creative disciplines.

Research

PhD and Masters by Research contact:
Dr Uros Cvoro

Higher Degree Research Administrator
Sally Smythe
support.grsresearch.artdesign@unsw.edu.au

UNSW Art & Design is at the forefront of contemporary and experimental design, art and media.

Find out more at artdesign.unsw.edu.au/postgraduate-research

Research areas:
Our Faculty research community features internationally recognised strengths in contemporary art and design practice, media arts, immersive interactivity, art and ecology, creative robotics, art and society, curating, and cultural leadership.

Research programs

UNSW Art & Design’s strengths in research culture lie in transdisciplinary explorations of theory and practice at the intersections of art, design and media arts. With a passionate commitment to engaging with contemporary social, cultural and environmental issues, our key research areas include immersive interactivity, creative robotics, fine arts, 3D visualisation, curating and cultural leadership, experimental sound, visual anthropology and arts and health.

Master of Fine Arts by Research

Program code 2245
CRICOS code 08949A
Duration 1.5 - 2 years
Entry February, June and September
Estimated first year tuition A$36,960

Entry requirements
An appropriate four-year bachelor degree with Honours from UNSW, or an equivalent qualification from a tertiary institution as determined by the Faculty Higher Degree Committee.

Master of Philosophy - Art, Design, and Media

Program code 2267
CRICOS code 85568B
Duration 1.5 - 2 years
Entry February, June and September
Estimated first year tuition A$36,960

Entry requirements
An appropriate four-year degree or UNSW bachelor degree with lower second honours or higher, or an equivalent qualification from a tertiary institution, as determined by the Faculty Higher Degree Committee.

Doctor of Philosophy - Art, Design, and Media

Program code 1202
CRICOS code 86374X
Duration 3 - 4 years
Entry February, June and September
Estimated first year tuition A$36,960

Entry requirements
An appropriate four-year bachelor degree with First or Upper Second Class Honours from UNSW, or a completed masters by research from UNSW with a substantial research component and demonstrated capacity for timely completion of a high quality thesis, or a qualification from a tertiary institution at a level considered equivalent by the Faculty Higher Degree Committee.

UNSW Art & Design strengths in contemporary art and design practice, media arts, immersive interactivity, art and ecology, creative robotics, art and society, curating, and cultural leadership.

Research centres and laboratories:
- Expanded Perception and Interaction Centre - EPICentre
- Cinema Centre for Interactive Cinema Research
- Contemporary Culture, Art & Politics – CCAP NIEA
- Laboratory for Innovation in Galleries, Libraries, Archives and Museums – LILAM
- National Creative Robotics Laboratory
- 3D Visualisation Aesthetics Laboratory

Research groups:
- The Sound and Materials Research Group
- Interactive Media Lab
- The Environmental Research Initiative for Art – ERIA
- Ucida Press
- Research into Experimental Design Objects – RED Objects
- The Drawing Research Group

The Graduate Research School Admissions and Scholarships team provides advice and support to all applicants for admission to a UNSW Higher Degree Research program or scholarship. Go to page 104 & 105 for further information or contact us on international.grs@unsw.edu.au.
Tackle the big issues facing the world today, make sense of complexity and be rewarded by channeling your passion into action. Deep thinking across broad subject matter will feed your whole mind and a hands-on approach will give you the skills you need to positively impact societies and communities. 

Arts & Social Sciences

Top 50 in the world
Your learning will be influenced by educators who are professionals in their field, including acclaimed researchers, novelists, journalists, composers and musicians. This enriching teaching experience is reflected in the 2020 QS World University Rankings by Subject – 34th in the world for Social Sciences and 42nd in the world for Arts & Humanities.

Harness technology
Access the latest technologies to prepare you for workplaces of the future. Gain hands-on experience with current technologies, sophisticated software and state-of-the-art equipment including using 360 cameras to develop virtual reality documentaries, Swivl video technology to reflect on your classroom learning and eye tracking equipment to explore how language is used.

Relevant disciplines include:

Relevant professional experience includes:
- Work or volunteer experience in community, social and economic development, social research and policy, public health, the environment, displacement, poverty alleviation, human rights, and advocacy-based programs and projects. This can be developed through work for relevant organisations including non-governmental, social service, community-based, philanthropic, United Nations, or inter-governmental agencies or local, state, and federal governments departments.

**Education**

**The Master of Education will enhance your career options and give you the skills you need to progress into a specialist field of education or leadership role. The degree is designed for existing education professionals and offers seven areas of specialisation.**

**Specialisations**
- Curriculum and Assessment
- Educational Psychology
- Educational Studies
- Gifted Education
- Higher Education
- Special Education*
- TESOL (Teaching English to Speakers of Other Languages).

*International students may be restricted from taking this specialisation due to professional practice requirements. Please contact education@unsw.edu.au for further details.

**Entry requirements**
- A recognised bachelor degree and a postgraduate teaching qualification (e.g. Graduate Diploma in Education or Master of Teaching); or
- A four-year pre-service teacher education qualification, including professional experience, equivalent to the qualifications required for graduate teacher status in New South Wales (NSW).

**For students seeking a primary or secondary teacher qualification, please see Master of Teaching (Secondary) (8926) and Master of Teaching (Primary) (8902).**

**Due to the availability of courses each term, certain specialisations within the program may not be able to be completed full-time. Contact the School of Education for further details at education@unsw.edu.au.**
Environmental Management

The Master of Environmental Management is ideal for people who are passionate about the environment and societal issues. You will learn about the social and cultural drivers behind contemporary environmental issues and will have the expertise to form an understanding of how ecological cities interact with meaning, knowledge, values, and ethics.

Entry requirements
There are three durations of study:

2 Year Stream (48 UOC)*
- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.
- Bachelor degree (or equivalent qualification) in a relevant environmental discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.

1.7 Year Stream (72 UOC)*
- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%, plus one year of relevant professional experience.
- Bachelor degree (or equivalent qualification) in a relevant environmental discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.

1 Year Stream (36 UOC)*
- Honours degree or graduate diploma (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.
- Honours degree or graduate diploma (or equivalent qualification) in a relevant environmental discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.

Program code: 0823
CRICOS code: 08006M
Duration: 1, 1.7, or 2 years
Entry: February, June, and September
Estimated first year tuition: A$38,160

Professional accreditation
These programs are endorsed by the NSW Education Standards Authority (NESA) as registered professional development.

International Relations

Master of International Relations

Entry requirements
There are three durations of study:

2 Year Program (96 UOC)*
- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.
- Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.

1.7 Year Program (72 UOC)*
- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.

1 Year Program (48 UOC)*
- Honours degree or graduate diploma (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.

The Master of International Relations is an advanced specialist degree that recognises the complexity and the globalised nature of today’s world. This degree is specifically designed to advance your understanding of global politics and foreign policy. You will explore areas such as international security, great-power rivalry, regional conflicts, nuclear proliferation, global environmental politics, civil conflict, human rights, gender politics, international political economy and development.

Program code: 8233
CRICOS code: 083232G
Duration: 1, 1.7, or 2 years
Entry: February and September
Estimated first year tuition: A$38,480

Graduate in Environmental Management

Entry requirements
A recognised bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to UNSW credit average (65%).

The Master of Journalism and Communication is an innovative, interdisciplinary degree that produces industry-ready journalists and communication professionals who have the necessary skills to reimagine media and shape a positive world. You will learn how to harness technology and gain specialist knowledge of the social, economic and political role of media in Australia and internationally to give you a competitive edge in a fast-evolving industry.

Program code: 8237
CRICOS code: 095804M
Duration: 1 or 1.7 years
Entry: February and September
Estimated first year tuition: A$38,480

Entry requirements
There are two durations of study:

1.7 Year Program (72 UOC)*
- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%, plus one year of relevant professional experience.

1 Year Program (48 UOC)*
- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%, plus one year of relevant professional experience.

* Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW distinction average (75%).

Relevant disciplines include: Social Sciences, Humanities, Business, Economics, Law, Public Health, and Communications.

Relevant professional experience includes: Paid or volunteer work (including internships) undertaken in federal government agencies/departments, intergovernmental agencies, international organisations, and private research bodies. The work undertaken must relate directly to international issues or concerns (e.g. foreign policy, defence and national security, global policy issues and trade).

Journalism and Communication

Entry requirements
There are two durations of study:

1.7 Year Program (72 UOC)*
- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.

1 Year Program (48 UOC)*
- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%, plus one year of relevant professional experience.

* Students who are eligible for the 1 year and/or 1.7 year program are also permitted to study the 2 year program.

Note: Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW distinction average (75%).

Relevant disciplines include: Arts, Humanities, Social Sciences, Media, Communications, Journalism, Public Relations, Advertising, Marketing, Business, Economics, Commerce, and Law.

Relevant professional experience includes: Paid or volunteer work (including internships) undertaken in media, communication, or journalism sectors, or at least one year of workplace experience at management level.
Public Policy and Governance

Master of Public Policy and Governance

Entry requirements
There are three durations of study:

2 Year Program (96 UOC)*
- Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%; or
- Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%; plus one year of relevant professional experience.

1.7 Year Program (72 UOC)
- Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%; or
- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%; plus one year of relevant professional experience; or
- Honours degree or graduate diploma (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.

1 Year Program (48 UOC)
- Honours degree or graduate diploma (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%; or
- Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%; plus one year of relevant professional experience; or
- Honours degree or graduate diploma (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.

Public Relations and Advertising

Master of Public Relations and Advertising

Entry requirements
There are two durations of study:

1.7 Year Program (72 UOC)*
- Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%; or
- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%; plus one year of relevant professional experience.

1 Year Program (48 UOC)
- Honours degree or graduate diploma (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%; or
- Bachelor degree (or equivalent qualification) in a relevant discipline with a record of academic achievement equivalent to a UNSW credit average of 65%; plus one year of relevant professional experience; or
- Honours degree or graduate diploma (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average of 65%.

Teaching

Master of Teaching (Secondary)

Entry requirements
- Applicants require an appropriate bachelor degree from a recognised institution with a minimum credit average of 65%.
- Students are encouraged to assess their eligibility by reading through the Master of Teaching (Secondary) Information Pack at unsw.to/secondary
- The successful completion of the National Literacy and Numeracy Test (LANTITE) in first year of study is also required.

Professional accreditation
This program is accredited by the NSW Education Standards Authority (NESA).
The Master of Interpreting, endorsed by the National Accreditation Authority for Translators and Interpreters (NAATI), provides you with the knowledge, practical skills and certification to work as a professional translator in Australia and internationally. Translators interpret written text from a source language and use their knowledge of language, culture and context to translate this text into a new language.

Entry requirements
- Applicants require an appropriate bachelor degree from a recognised institution with adequate background studies in relevant teaching discipline. The guidelines for entry are based on the NSW Education Standards Authority (NESA) subject content requirements.
- Students are encouraged to assess their eligibility by reading through the Master of Teaching (Primary) Information Pack at teach.unsw.edu.au/primary
- Entry into the Master of Teaching (Secondary) requires an average mark of 60% or higher.

Key Learning Areas (KLA) include:
- English (literature, communications, linguistics, creative writing, media studies)
- Mathematics (pure or applied maths)
- Science and Technology (architecture, biology, biotechnology, chemistry, computing studies, design - interior, industrial, graphics, fashion, product, landscape (2 units only), design and technology, engineering, geology, earth and/or environmental science, materials science, medicine, nursing, physics, psychology)
- Human Society and its Environment (Aboriginal studies/landscapes, anthropology, archaeology, Asian or Pacific studies, economics/business studies, cultural studies/sociology, geography, environmental studies, government and citizenship, history, legal studies, political science, studies of religion)

The successful completion of the national Literacy and Numeracy Test (LANTITE) in first year of study is also required.

Professional accreditation
This program is accredited by the NSW Education Standards Authority (NESA).

GRADUATE DIPLOMA PROGRAMS

Translation and Interpreting

Master of Interpreting and Translation

Program code: 8284
CRICOS code: 083244G
Duration: 2 years
Entry February, June and September
Estimated first year tuition: A$37,508

The Master of Translation and Interpreting, endorsed by the National Accreditation Authority for Translators and Interpreters (NAATI), provides you with the knowledge, practical skills and certification to work as a professional translator and interpreter in Australia and internationally. Courses are offered in combination with English - in Chinese (Mandarin), French, Indonesian, Japanese, Korean, Russian and Spanish.

Entry requirements
- Bachelor degree (or equivalent qualification) in any discipline with a record of academic achievement equivalent to a UNSW credit average (65%) and an advanced level of bilingual proficiency.

Note: Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW distinction average (75%).

Double Degree Program

Combined Master of Arts and Social Sciences

Program code: 8224
CRICOS code: 083240H
Duration: 2 years
Entry February and September
Estimated first year tuition: A$37,480

Earn two master degrees at the same time. The Combined Master of Arts and Social Sciences allows you to extend your knowledge in two complementary disciplines, providing you with a broad education that meets the needs of today’s professionals. You will graduate with two degrees under their specialist names.

Entry requirements
- Students need to meet the requirements specific to the individual one-year program (48 UOC) of the postgraduate degrees chosen. Check specific requirements of individual programs.

Note: Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW distinction average (75%).

Research

UNSW Arts & Social Sciences is recognised as a national and international leader in research. Driven by world-leading scholars pushing the boundaries of knowledge in core humanities and social sciences, our unique commitment to social issues and justice helps solve the world’s greatest challenges.

Our postgraduate research candidates are open-minded, progressive, and strategic thinkers. Our Faculty is one of the largest of its kind in Australia providing a number of opportunities for engagement and support to help you get the most out of your academic experience.

Supervision is offered in our Schools and Centres in a broad range of research and discipline areas.

Note: Admission to all programs is subject to the availability of appropriate supervision and resources.

Research areas:
- The Arts and Media
- Economics
- Education
- Humanities and Languages
- Social Sciences
- Centre for Social Research in Health
- Social Policy Research Centre

For more information please visit arts.unsw.edu.au/sprc

Note: Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW distinction average (75%).

Relevant disciplines include:
- Interpreting and Translation
- Arts
- Humanities
- Social Sciences
- Media
- Communications
- Journalism
- Public Relations
- Advertising
- Marketing
- Business
- Economics
- Commerce
- Law
- Linguistics
- Languages
- TESOL
- Cognitive Science

Relevant professional experience includes:
- Work in a language-related area including translating and/or interpreting, teaching English as a second or foreign language or a language other than English, and other appropriate language professions.

Programs you can combine:
- Master of Applied Professional Studies
- Master of Arts
- Master of Business Administration
- Master of Communication
- Master of Education Leadership
- Master of Environmental Management
- Master of International Relations
- Master of Journalism and Communication
- Master of Public Policy and Governance
- Master of Public Relations and Advertising
- Master of Translation

Note: Students from a non-211 university in China are required to have a record of academic achievement equivalent to a UNSW distinction average (75%).
Research Programs

Master of Arts by Research

Program code: 2353
CRICOS code: 080913C
Duration: 1.5 - 2 years
Entry: February and September
Estimated first year tuition: A$34,080

Entry requirements
An appropriate four-year bachelor degree with honours from UNSW, or a qualification at a level from a tertiary institution considered equivalent by the Faculty Higher Degree Committee.

Master of Education by Research

Program code: 2354
CRICOS code: 080948C
Duration: 1.5 - 2 years
Entry: February, June and September
Estimated first year tuition: A$34,080

Entry requirements
Entry requirements are as per Master of Arts by Research (2353).

Master of Philosophy

Program code: 2364
CRICOS code: 081269G
Duration: 1.5 - 2 years
Entry: February
Estimated first year tuition: A$34,080

Entry requirements
Entry requirements are as per Doctor of Philosophy in Creative Practice (1273).

Doctor of Philosophy - Humanities

Program code: 1271
CRICOS code: 079066G
Duration: 3 - 4 years
Entry: February, June and September
Estimated first year tuition: A$34,080

Entry requirements
Entry requirements are as per Doctor of Philosophy in Creative Practice (1273).

Areas of study
- Australian Studies
- English
- Linguistics
- French
- Environmental Policy & Management
- International Studies
- Global Transformation
- Health, Sexuality & Culture
- Japanese Studies
- Korean Studies
- Chinese Studies
- Indonesian Studies
- German Studies
- European Studies
- Modern Greek Studies
- History
- History & Philosophy of Science

Doctor of Philosophy - Education

Program code: 1272
CRICOS code: 079048E
Duration: 3 - 4 years
Entry: February and September
Estimated first year tuition: A$34,080

Entry requirements
Entry requirements are as per Doctor of Philosophy in Creative Practice (1273).

Areas of study
- Sociology and Anthropology
- Criminology
- Politics and International Relations
- Social Work
- Policy Studies
- Development Studies
- Refugee Studies
- Gendered Violence
- Social Aspects of Health and Health Care
  (including HIV sexual health, viral hepatitis, drug use, Aboriginal health and related areas of education, health and wellbeing.)

Doctor of Philosophy - Social Sciences

Program code: 1273
CRICOS code: 079059E
Duration: 3 - 4 years
Entry: February, June and September
Estimated first year tuition: A$34,080

Entry requirements
Entry requirements are as per Doctor of Philosophy in Creative Practice (1273).

Areas of study
- Sociology and Anthropology
- Criminology
- Politics and International Relations
- Social Work
- Policy Studies
- Development Studies
- Refugee Studies
- Gendered Violence
- Social Aspects of Health and Health Care
  (including HIV sexual health, viral hepatitis, drug use, Aboriginal health and related areas of education, health and wellbeing.)

Professional Doctorate - Public Policy and Governance

Program code: 1274
CRICOS code: 080444M
Duration: 3 years
Entry: February
Estimated first year tuition: A$34,080

Entry requirements
Entry requirements are as per Doctor of Philosophy in Creative Practice (1273).

Advanced standing entry pathway:
A minimum two years post-qualifying professional policy practice experience within either the government, non-government, or private sectors; and
A demonstrated capacity for independent research under the guidance of a supervisor; and
A masters (coursework) degree with a distinction average and a significant research component, minimum equivalent 18 UOC consisting of methodology training and a stand-alone research project.

Professional Doctorate - Social Work

Program code: 1274
CRICOS code: 080447G
Duration: 3 years
Entry: February, June and September
Estimated first year tuition: A$34,080

Entry requirements
Entry requirements are as per Doctor of Philosophy in Creative Practice (1273).

Areas of study
- Social work qualification established by eligibility for membership of the Australian Association of Social Workers, or membership of an equivalent overseas professional social work association; and
A minimum two years post-qualifying professional social work practice experience; and
A first or upper second class distinction thesis research honours degree (minimum thesis word length: 10,000 words); or
A masters (coursework) degree with a distinction average and a significant research component, minimum equivalent 18 UOC content, consisting of methodology training and a stand-alone research project.
Built Environment

Career-focused Architecture, Design, Construction, Property and Planning degrees connect you with industry and build your skills to shape future cities for the benefit of people and the planet.

Top global ranking
Advance your career through professional placements, lectures and design studios with experts and top researchers at a university ranked 27th in the world for Architecture/Built Environment.*

*QS World University Rankings by Subject, 2020

Enhance your employability
Access a Career Ready Mentoring Program in your final year of study that connects you with established alumni and industry professionals, providing practical support and a significant opportunity to focus on career development during the transition from study to work.

Design with purpose
Using Sydney as our living lab our community of students, researchers and educators work to create the best possible future for the way people live, work and play in our rapidly growing cities.

Career outcomes

- Architects
- City planners
- Construction project managers
- Environmental planners
- Landscape architects
- Landscape project managers
- Property consultants
- Property developers
- Quantity surveyors
- Smart city managers
- Smart manufacturing specialists
- Spatial analyst
- Strategic planners
- Sustainable Development Specialists
- Urban data analysts
- Urban design consultant
- Urban planners
- Urban policy makers
Graduate Certificate in City Analytics

Entry requirements
A recognised bachelor degree from a relevant discipline such as Business, Computer Science, Environmental Sciences, Engineering, Law/Jurisprudence, Social Science, Design, and other Built Environment subject areas. Applicants who have achieved a minimum of a credit average (65%) will be eligible for admission to the suite of City Analytics programs.

Professional accreditation
The program is accredited by the Planning Institute of Australia (PIA). Graduates are eligible, subject to professional experience requirements, for corporate membership of PIA.

City Planning

Planning is an exciting, varied and progressive profession which plays a pivotal role in decisions shaping the future of cities and regions. Working with industry, government and practice partners, the City Planning programs provide an excellent platform to take up planning and urban policy-related career opportunities. The two-year, professionally accredited Master degree allows you to choose one of four specialisations and comprises a research project or urban design studio in addition to courses. Graduate Diploma and Graduate Certificate programs are also available.

Master of City Planning

Program code 8148
CRICOS code 08835M
Duration 2 years
Entry February and September
Estimated first year tuition A$38,880

Entry requirements
A recognised bachelor degree with a credit average (65%) or above. Where qualifications are not considered adequate, admission may be permitted to the Graduate Certificate in City Planning, with the possibility of upgrading to the master’s program, subject to satisfactory performance. Applicants with undergraduate degrees in cognate disciplines will be eligible for up to 24 UOC of advanced standing (course credit). Cognate areas include built environment subject areas such as architecture, construction management and planning as well as social policy, economics and environmental science, law/jurisprudence, and environmental and civil engineering.

Professional accreditation
The program is accredited by the Planning Institute of Australia (PIA). Graduates are eligible, subject to professional experience requirements, for corporate membership of PIA.

Graduate Diploma in City Planning

Program code 5148
CRICOS code 08936G
Duration 1 year
Entry February and September
Estimated tuition A$38,880

Entry requirements
A bachelor degree with a credit average or above (65%). Applicants who have achieved less than a credit average may be eligible for admission on a case by case basis.

City Analytics

Smart cities, big data, virtual reality and other technologies are important in planning more sustainable, resilient cities. The City Analytics programs are designed to upskill the next generation of city data, analytics and modelling professionals. You will be able to contribute to the development of data-driven policy and decision making across our cities.

Master of City Analytics

Program code 8151
CRICOS code 093861G
Duration 1.7 years
Entry February and September
Estimated first year tuition A$38,880

Entry requirements
A recognised bachelor degree from a relevant discipline such as Business, Computer Science, Environmental Sciences, Engineering, Law/Jurisprudence, Social Science, Design, and other Built Environment subject areas. Applicants who have achieved a minimum of a credit average (65%) will be eligible for admission to the suite of City Analytics programs. Applicants who don’t have a credit average may be considered for entry to the Graduate Diploma or Graduate Certificate in City Analytics.

Master of City Analytics (Extension)

Program code 8152
CRICOS code 093773G
Duration 2 years
Entry February and September
Estimated first year tuition A$38,880

Entry requirements
A recognised bachelor degree from a relevant discipline such as Business, Computer Science, Environmental Sciences, Engineering, Law/Jurisprudence, Social Science, Design, and other Built Environment subject areas. Applicants who have achieved a minimum of a credit average (65%) will be eligible for admission to the suite of City Analytics programs. Applicants who don’t have a credit average may be considered for entry to the Graduate Diploma or Graduate Certificate in City Analytics.

Architecture

Building on the solid disciplinary foundation established in the Bachelor of Architectural Studies, the Master of Architecture provides advanced knowledge in techniques in architectural design, as well as related technical knowledge. In addition, it allows you to choose one of four course streams, to tailor your education to specific areas of the discipline. You will be well prepared to operate at a professional level in the practice of architecture and other design-based industries.

Entry requirements
Admission is available to students with a degree from an accredited undergraduate program (or equivalent) in architecture, together with evidence of a capacity to consistently achieve grades at credit level (65%) or higher.

Please check the UNSW handbook (65%) will be eligible for admission to the suite of City Analytics programs.

Graduate Diploma in Architecture

Program code 8143
CRICOS code 069086G
Duration 2 years
Entry February and September
Estimated first year tuition A$38,880

Estimated tuition
February and September

Entry requirements
A recognised bachelor degree from an accredited undergraduate program and evidence of a capacity to consistently achieve grades at credit level (65%) or higher.

Please check the UNSW handbook (65%) or higher.

Consistently achieve grades at credit level together with evidence of a capacity to provide a portfolio of their design work. The portfolio should include sample works from various stages of their undergraduate degree, and text should accompany all drawings/images to explain the projects. Professional work can be included, but the degree of responsibility for the work must be stated. The portfolio must be in digital format. See the UNSW handbook for more details.

Professional accreditation
The Master of Architecture builds on the UNSW Bachelor of Architectural Studies degree. The Master of Architecture has full five-year accreditation from the Architects Accreditation Council of Australia (AACA), NSW Architects Registration Board, and Australian Institute of Architects (AIA). The combined Bachelor of Architectural Studies and Master of Architecture is recognised by the AIA. Master of Architecture graduates are able to prepare for the NSW Architects Registration Board professional practice and examination requirements necessary to become a registered Architect in NSW.

Professional accreditation
The program is accredited by the Planning Institute of Australia (PIA). Graduates are eligible, subject to professional experience requirements, for corporate membership of PIA.
Construction Project Management

Master of Construction Project Management
Program code: 8121
CRICOS code: 085914C
Duration: 1.7 years
Entry February and September
Estimated first year tuition: $38,880

The Master of Construction Project Management teaches modern management methodologies and how to apply these principles to complex buildings and infrastructure. You will develop proficiency to meet construction management challenges, now and into the future.

Entry requirements
A bachelor degree or equivalent in a relevant field such as building, construction management, construction economics, civil engineering, mining engineering, materials engineering, architecture, landscape architecture, interior architecture, urban planning, quantity surveying, property development, real estate, law, or business with a credit average (65%); or an undergraduate degree in any field with a credit average (65%) plus three years of construction industry experience at a management level, or a Graduate Certificate in Construction Project Management with a credit average (65%).

Additionally, applicants who have met these requirements but also have an honours or masters degree with a credit average (65%) in a relevant field, or an honours degree with a credit average in an unrelated field plus 3 years construction industry experience at a managerial level may be eligible for 24 UOC of advanced standing (course credit).

For more information visit: handbook.unsw.edu.au/postgraduate/programs/current/8121

Professional accreditation
The program has been accredited by the Australian Institute of Building (AIB) and the Royal Institute of Chartered Surveyors (RICS). Graduate Diploma is eligible to apply for membership with both AIB and RICS.

Sustainable Built Environment

In our Sustainable Built Environment programs, you will consider different value systems in cultures which influence how communities shape their built environments. The masters degree will provide you with evidence-based tools to support all endeavours in the sustainable built environment. A one year Graduate Diploma in Sustainable Built Environment is also available.

Master of Sustainable Built Environment
Program code: 8132
CRICOS code: 028854M
Duration: 1.7 years
Entry: February and September
Estimated first year tuition: $38,880

Entry requirements
A minimum four year bachelor degree or equivalent from a recognised tertiary institution in a relevant field such as the Built Environment disciplines or related areas such as environmental science or engineering is required for admission to the masters program. All applicants must have achieved a minimum of a credit average (65% or above) in their bachelor degree.

Additionally, where an applicant does not hold a four-year bachelor degree, admission may be permitted into the Graduate Diploma in Sustainable Built Environment.

Graduate Diploma in Sustainable Built Environment
Program code: 8131
CRICOS code: 028958M
Duration: 1 year
Entry: February and September
Estimated tuition: $38,880

Entry requirements
A three-year bachelor degree with a credit average (65%) or above in a relevant field such as Built Environment disciplines or related areas such as environmental science or engineering. Applicants will be required to undertake an interview process as part of their application for entry into the program. In exceptional circumstances, we will consider relevant professional experience of at least five years. Roles include building designer, environmental planner, construction project manager, environmental/sustainability project officer, building sustainability/energy efficiency assessor, or built environment consultant with an environmental/sustainability focus. Applicants will need to demonstrate they have achieved the same knowledge and skills (learning outcomes) through their formal or informal learning as the qualifications listed for entry for this program.

Landscape Architecture

Master of Landscape Architecture
Program code: 8136
CRICOS code: 084952G
Duration: 1.7 years
Entry: February
Estimated first year tuition: $38,880

The Master of Landscape Architecture is a three-year program with three entry points, depending on their prior study areas: students may complete the degree requirements in one, two, or three years. The program is 144 UOC in total, but some students with relevant degree backgrounds may be eligible for up to 96 UOC transfer. There are three streams.

Stream A: caters to students from a non-design background. These students are required to complete the three-year, 144 UOC program. Students must submit a portfolio and a personal statement.

Entry requirements
The minimum requirement for all students is a bachelor degree with a credit (65%) or above average. Students must also submit a digital portfolio of design work.

Stream B: caters to students from cognate backgrounds, including architecture and urban design. These students may receive 48 UOC for recognition of prior learning (RPL) and are required to complete the two-year, 96 UOC program. Students must submit a portfolio and a personal statement.

Stream C: caters to students who have completed a Bachelor of Landscape Architecture from an accredited program. These students may be granted 96 UOC for recognition of prior learning (RPL) and are required to complete one year of study. Students must submit a portfolio and a personal statement.

Entry requirements
The program has been accredited by the Australian Institute of Building (AIB) and the Royal Institute of Chartered Surveyors (RICS). Graduate Diploma is eligible to apply for membership with both AIB and RICS.

Property and Development

Master of Property and Development
Program code: 8127
CRICOS code: 085804A
Duration: 1.7 years
Entry: February and September
Estimated first year tuition: $38,880

The dynamic range of courses in the Master of Property and Development will provide you with the principles of property development and investment, and the know how to apply them across different phases of the industry cycle.

Entry requirements
A bachelor degree or equivalent in a relevant field such as building, construction management, construction economics, civil engineering, mining engineering, materials engineering, architecture, landscape architecture, interior architecture, urban planning, quantity surveying, property development, real estate, law, or business with a credit average (65%) or better performance, or an undergraduate degree in any field with a credit average (65%) plus three years of property industry experience at a management level, or a Graduate Certificate in Property Development with a credit average (65%).

Additionally, applicants who have met these requirements but also have an honours degree or masters degree with a credit average (65%) in a related field, or an honours degree with a credit average in any field plus 3 years property industry experience at a managerial level may be eligible for 24 UOC of advanced standing (course credit).

Professional accreditation
The program has been accredited by the Australian Property Institute (API).

Urban Development and Design

Master of Urban Development and Design
Program code: 8131
CRICOS code: 075388B
Duration: 1.7 years
Entry: February
Estimated first year tuition: $38,880

Entry requirements
A recognised four-year bachelor degree with a credit average (65%) or above in a relevant discipline such as architecture, landscape architecture, interior architecture, urban design, planning, construction, property development, and civil engineering, or a recognised three-year undergraduate degree with a credit average (65%) or above in Architectural Studies, or a completed Graduate Certificate in Built Environment (7131) with a credit average (65%) or above.

All applicants must submit a portfolio. For more information visit: handbook.unsw.edu.au/postgraduate/programs/current/8131

Professional accreditation
Graduates are eligible for membership to the Urban Design Chapter of the Planning Institute of Australia (PILA).

56 57
Interdisciplinary clusters bring together leaders in the built environment professions. From a cohort drawn from almost every continent across the globe, focusing on the future and to improve the lives of people who live and work in them.

UNSW Built Environment, comprising Architecture, Landscape Architecture, Urban and Regional Planning, and Urban Design Graphics.

Research

The higher degree research program at UNSW Built Environment, comprising Master of Philosophy, Masters by Research and PhD, provides the opportunity to shape the cities of the future and to improve the lives of people who live and work in them.

Our students enjoy a vibrant research culture that covers a multitude of topics, from design and construction to the policy and planning needed to support and promote innovation.

The higher degree research program benefits from a cohort drawn from almost every continent across the globe, focusing on tackling the pressing environmental, social and economic challenges under the supervision of world-class academics and researchers, as well as leaders in the built environment professions.

Interdisciplinary clusters bring together teams working on important and emerging areas of built environment research, where we aim to engage, adapt and shape the cities of the 21st century – but always in a way that puts the planet and its people first.

Research areas:
- Building: Construction Management and Project Planning, Building Science and Techniques, Quantity Surveying, Real Estate, Property and Development
- Design Practice and Management: Design History and Theory, Design Innovation, Design Management and Studio and Professional Practice, Digital and Interaction Design, Industrial Design

Research clusters
- The Faculty’s research clusters are cross-disciplinary coalitions of staff and postgraduate research candidates organised around identifiable and emerging research strengths. Through engagement on common projects, publications and workshops, they capitalise on the synergies of individual research interests.
  - Design Research Collaboration
  - High Performance Architecture
  - People and Place
  - Smart Cities
  - Urban Typologies

The Graduate Research School Admissions and Scholarships team provides advice and support to all applicants for admission to a UNSW Higher Degree Research program or scholarship. Go to page 104 for further information or contact us on international.grs@unsw.edu.au.

Research Programs

Master of Urban Development and Design (Extension)

Program code: 8141
CRICOS code: 097294D
Duration: 2 years
Entry: February
Estimated first year tuition: A$7,088 (plus A$5,000 for field trip)
All applicants must submit a portfolio. For more information visit handbook.unsw.edu.au/postgraduate/programoverview/8141

Professional accreditation
Graduates are eligible for membership to the Urban Design Chapter of the Planning Institute of Australia (PIA).

Entry requirements
A recognised four year bachelor degree with a credit average (65%) or above in a relevant discipline such as architecture, landscape architecture, interior architecture, planning, construction, property development, and civil engineering; or a recognised three-year undergraduate degree with a credit average (65%) or above in Architectural Studies; or a completed Graduate Certificate in Built Environment (7121) with a credit average (65%) or above.

Graduate Certificate in the Built Environment

Program code: 7151
CRICOS code: 081313Q
Duration: 0.7 years
Entry: February
Estimated tuition: A$19,440

The dynamic range of courses in the Graduate Certificate in the Built Environment, you will be given foundational study in the field of Urban Development and Design for non-cognate disciplines. A recognised bachelor degree in any discipline with a credit average (65%) or above. Applicants with a relevant bachelor degree in the following fields may be eligible to apply directly for the 8111 Master of Urban Development and Design or the 8141 Master of Urban Development and Design (Extension) programs.

Entry requirements
The Graduate Certificate in the Built Environment Program (24 UOC) offers foundational study in the field of Urban Development and Design for non-cognate disciplines. A recognised four year bachelor degree in any discipline with a credit average (65%) or above. Applicants with a relevant bachelor degree in the following fields may be eligible to apply directly for the 8111 Master of Urban Development and Design or the 8141 Master of Urban Development and Design (Extension) programs.

Relevant fields

Research areas:
- Building: Construction Management and Project Planning, Building Science and Techniques, Quantity Surveying, Real Estate, Property and Development
- Design Practice and Management: Design History and Theory, Design Innovation, Design Management and Studio and Professional Practice, Digital and Interaction Design, Industrial Design

Research clusters
- The Faculty’s research clusters are cross-disciplinary coalitions of staff and postgraduate research candidates organised around identifiable and emerging research strengths. Through engagement on common projects, publications and workshops, they capitalise on the synergies of individual research interests.

Research Programs

Master of Built Environment by Research

Program code: 2240
CRICOS code: 081055G
Duration: 1.5-2 years
Entry: February, June and September
Estimated first year tuition: A$38,160

Entry requirements
An appropriate bachelor degree with honours that includes a substantial research component, or a qualification or combination of qualifications considered equivalent. All applicants must complete and submit an expression of interest application, including a preliminary research proposal.

Area(s) of Specialisation
- Architecture
- Building

Master of Philosophy – Built Environment

Program code: 2222
CRICOS code: 086261G
Duration: 1.5-2 years
Entry: February, June and September
Estimated first year tuition: A$38,160

Entry requirements
An appropriate bachelor degree in the relevant discipline from UNSW at a level specified by the Faculty Higher Degree Committee, or a qualification from a tertiary institution at a level considered by the Faculty Higher Degree Committee to be equivalent. Applicants can develop their own research topic within a built environment discipline or choose a specialised research project. Candidates will complete a coursework component comprising of 3 courses – Research Seminar (BENV7020) and 2 electives from any postgraduate coursework program at UNSW Built Environment. All applicants must complete and submit an expression of interest application, including a preliminary research proposal.

Area(s) of Specialisation
- Architecture
- Building
- City Planning and Urban Design
- Construction and Project Management
- Industrial Design
- Interior Architecture
- Landscape Architecture
- Property Development and Management
- Sustainable Built Environment

Doctor of Philosophy – Built Environment

Program code: 1120
CRICOS code: 089356F
Duration: 3-4 years
Entry: February, June and September
Estimated first year tuition: A$56,960

Entry requirements
An appropriate four year bachelor degree with first or upper second class honours from UNSW, or a completed masters by research from UNSW with a substantial research component and demonstrated capacity for timely completion of a high quality thesis, or a qualification from a tertiary institution at a level considered equivalent by the Faculty Higher Degree Committee. Candidates may transfer to PhD after one year of full-time enrolment in a masters by research program under specific conditions.

Area(s) of Specialisation
- Architecture
- Building
- City Planning and Urban Design
- Construction and Project Management
- Industrial Design
- Interior Architecture
- Landscape Architecture
- Property Development and Management
- Sustainable Built Environment

Practice-Based Doctor of Philosophy

Program code: 1122
CRICOS code: 089356F
Duration: 3-4 years
Entry: February, June and September
Estimated first year tuition: A$56,960

Entry requirements
Based on their direct experience as established practitioners in the Built Environment, Practice-Based PhD candidates will generate a research project to improve and expand their practice and the industry. As a general guide, applicants have an appropriate undergraduate degree (usually at honours level) and/or a masters degree and substantial professional practice in a field represented within UNSW Built Environment or another relevant discipline. All candidates must complete and submit an expression of interest application, including a preliminary research proposal.

Area(s) of Specialisation
- Architecture
- Building
- City Planning and Urban Design
- Construction and Project Management
- Industrial Design
- Interior Architecture
- Landscape Architecture
- Property Development and Management
- Sustainable Built Environment

The Graduate Research School Admissions and Scholarships team provides advice and support to all applicants for admission to a UNSW Higher Degree Research program or scholarship. Go to page 104 for further information or contact us on international.grs@unsw.edu.au.
UNSW Business School

Drive purposeful change to shape a better future. Equip yourself with a career focused education and thrive as an adaptive thinker in a fast-changing world.

Top rankings for Business
Learn from leading academics and business experts at a business school ranked 1st in Australia and 15th worldwide for Accounting & Finance, and within the top 50 globally for Business & Management Studies and Economics & Econometrics.

*QS World University Rankings by subject, 2020.

Globally recognised degrees
Strengthen your expertise and become a highly employable graduate with an AACSB and EQUIS accredited, and highly regarded degree from a world-leading business school. The AGSM MBA Program is ranked in the top 50 globally*.

*QS Global MBA Rankings, 2020

Accelerate your career
Our unique degrees combine an extensive in-class education with a range of professional learning opportunities, exclusive to UNSW Business School. These Career Accelerator experiences will equip you with the skills, experience and connections to industry, to set you up to take the business world by storm.

Analytics

Big data has disrupted the skills and knowledge required of employees across functions to deliver value to their organisations. The demand for professionals with analytics capabilities who can skillfully apply data-driven decisions is increasing exponentially. Big data has disrupted the skills and knowledge required of employees across functions to deliver value to their organisations. The demand for professionals with analytics capabilities who can skillfully apply data-driven decisions is increasing exponentially.

Master of Analytics

Program code: 8437
CRICOS code: 08412G
Duration: 1.5 years (online only)
Entry: January, March, May, July, August, October
Estimated first year tuition: A$3,948

Entry requirements:

- There are two pathways into this program:
  - An Australian bachelor degree, or equivalent qualification, with a weighted average mark (WAM) 65% or higher;
  - Successfully completed the Graduate Diploma in Analytics with a WAM of 65 or higher.

Graduate Diploma in Analytics

Program code: 8437
CRICOS code: 08412G
Duration: 1.5 years (online only)
Entry: January, March, May, July, August, October
Estimated first year tuition: A$3,948

Entry requirements:

- There are two pathways into this program:
  - An Australian bachelor degree, or equivalent qualification, with a weighted average mark (WAM) 65% or higher;
  - Successfully completed the Graduate Certificate in Analytics with a WAM of 65 or higher.

Graduate Certificate in Analytics

Program code: 7457
CRICOS code: 08412G
Duration: 0.8 years (online only)
Entry: January, March, May, July, August, October
Estimated first year tuition: A$2,880

Entry requirements:

- There are two pathways into this program:
  - An Australian bachelor degree, or equivalent qualification; or
  - Three years relevant work experience. For example, analytics, clerical or administrative work in a commercial of public service organisation, banking, finance or marketing.

Master of Actuarial Studies

The Master of Actuarial Studies is designed for students with a strong background in actuarial studies, economics, mathematics or statistics.

You’ll develop the technical expertise needed to pursue the role of an actuarial analyst, as well as other roles in the broader financial services industry. You can also strengthen your actuarial training. The Master of Actuarial (Extension) adds four courses to the Master of Actuarial Studies, allowing you to study advanced actuarial and risk management topics.

Professional recognition

Students who successfully complete this program will be eligible for exemptions for the Foundation and part of the Associate program of the Institute of Actuaries Australia, and recognised for exemptions for core technical subjects (CT 1–8) of the Institute and Faculty of Actuaries (UK), and for VEE from the Actuarial Society of Japan, Boral Limited, Mercer LLC (China), and McKinsey & Company.

Recognition of Prior Learning

May be granted based on previous studies in actuarial studies (bachelor or higher) and professional examinations.

Master of Actuarial Studies (Extension)

Program code: 8416
CRICOS code: 08412G
Duration: 2 years
Entry: February, June, and September
Estimated first year tuition: A$4,248

Entry requirements:

- A recognised bachelor degree (or equivalent qualification) in actuarial studies, economics, mathematics, or statistics with a credit grade of 65% or higher.
- Further assessment criteria: visit business.unsw.edu.au/pg

Master of Business Administration

The AGSM Master of Business Administration (MBA) is a full-time degree designed to prepare students for general management and executive leadership roles in business, government, or non-for-profit organisations. You will acquire management insights from current business leaders and benefit from the knowledge of your fellow students, many of whom have worked for global organisations.

Career and recruitment services

Career Services is an integral part of AGSM and this team goes far beyond sourcing potential employment opportunities. AGSM Career Services Unit is designed to provide you with the tools for successful job searching and career advancement as well as the guidance and support needed to map out your long-term career path.

The tailored services include:

- Career management programs: Provide you with a range of skills to proactively manage your career. They are delivered face-to-face via classroom/team sessions or online through the AGSM MBA Career Centre.
- Career advice/guidance: Individual counselling sessions are available by appointment with the professional AGSM MBA Careers Services team to obtain more tailored career guidance and support.

Master of Business Administration (Extension)

Program code: 8358
CRICOS code: 08412G
Duration: 1.5 years
Entry: AGSM Session 1 (January)
Estimated first year tuition: A$7,280

Entry requirements:

- There are two pathways into the AGSM MBA program:
  - A strong undergraduate degree (or equivalent qualification) and a minimum of two years’ professional or managerial work experience, or;
  - At least six years of professional work experience.

Applicants must also submit supporting documentation including an official transcript and three personal statements. Applicants must also provide a minimum overall GMAT score of 550 with minimum scores of verbal 25, quantitative 35 and AWA 4.0.

Professional recognition

The AGSM program is accredited by the Association to Advance Collegiate Schools of Business (AACSB) and has European Foundation for Management Development (EFMD) EQUIS accreditation, which places AGSM in an exclusive group of the world’s leading business schools – only 180 of more than 13,000 business schools in the world have received EQUIS accreditation.

Scholarships

AGSM offers a range of scholarships for exceptional candidates who demonstrate leadership potential, academic ability and a commitment to their community.

MBA (Technology)

Program code: 8357
CRICOS code: 85456E
Duration: 2.5 years
Entry: AGSM Session 1 (January)
Estimated first year tuition: A$7,280

- MBA is AGSM’s next-generation online MBA. A unique online management degree that also allows you to specialise, the MBA will prepare you to seize the opportunities in front of you and give you the edge you need to succeed.

AGSM MBAX (Online)

Program code: 8357
CRICOS code: 85456E
Duration: 3 to 6 years part-time
Entry: February, June, September
Estimated first year tuition: A$7,280

Entry requirements:

- There are two pathways into the AGSM MBAX program:
  - A strong undergraduate degree (or equivalent qualification) and a minimum of two years’ professional or managerial work experience, or;
  - At least six years of professional work experience.

Specialisations

- MBA (Change)
- MBA (Finance)
- MBA (Social Impact)
- MBA (Technology)

Estimated first year tuition: A$7,280

Entry requirements:

- You will first need to gain entry to the full-time MBA program to apply to the MBA (Extension).
- MBA is AGSM’s next-generation online MBA. A unique online management degree that also allows you to specialise, the MBA will prepare you to seize the opportunities in front of you and give you the edge you need to succeed.
Graduate Certificate in Change Management

The Graduate Certificate in Change Management is delivered completely online and is designed to help you influence organisational change, both through your own actions and those of others. You will develop a critical understanding of group and team dynamics and be able to apply the learning immediately with job-specific solutions to current business problems.

Entry requirements
There are two pathways into this program:
- A recognised undergraduate degree (or equivalent qualification) and a minimum of 2 years professional or managerial work experience, or;
- At least 6 years professional work experience.

Economics

The Master of Economics will allow you to acquire advanced knowledge in economics from one of the world’s leading business schools and develop critical thinking and analytical skills vital for advanced research. You will be able to choose electives that are tailored to your interests and your intended professional development.

A Graduate Certificate in Economics is also available, which offers a pathway into the Master of Economics.

Graduate Certificate in Economics

Program code 7412
CRICOS code 080476A
Duration 0.7 years
Entry February and September
Estimated tuition A$48,240

Entry requirements
There are three categories of entry into this program:

Category A
- A recognised honours degree (with a research thesis) in Economics with a second upper class (2.1) or better;

Category B
- A recognised bachelor degree (or equivalent qualification) with a minimum overall average of 70%, as determined by the UNSW Postgraduate Coursework Entry Calculator, and
- A major (at least 7 courses) in economics; and
- Completed second or third year courses in microeconomics, macroeconomics, econometrics, and mathematical economics at a minimum average grade of 70% for these courses, or

Category C
- A recognised bachelor degree (or equivalent qualification) with a credit average (90% or higher) as determined by the UNSW Postgraduate Coursework Entry Calculator; and
- Substantial studies in intermediate level microeconomics, macroeconomics, and econometrics as well as mathematical and statistical methods within the bachelor degree; and
- A graduate certificate in Economics (equivalent to that offered at UNSW Business School) with a minimum overall average of 70%, as determined by the UNSW Postgraduate Coursework Entry Calculator.

Finance

Master of Finance

Developed in consultation with experts in the finance industry, these programs expose you to the latest thinking and research in finance, taught by industry-leading academics and researchers.

Entry requirements
A recognised bachelor degree (equivalent qualification) majoring in finance with a credit average (85% or higher) in the finance major, or as a credit average overall, as determined by UNSW Business School. For further assessment criteria go visit business.unsw.edu.au/mg.

Areas of specialisations
- Corporate Finance and Investment Banking
- Finance (General)
- Funds Management
- Financial Technology

Professional recognition
You may be eligible for Associate membership with the Financial Services Institute of Australasia (FINSA) on completion of this degree.

Note: The Master of Finance was accepted into the University Recognition Program of the CFA Institute. The courses you will study in this program are closely tied to professional practice and can help students prepare for the CFA examinations.
Financial Planning

Graduates seeking a rewarding career in personal financial and investment advice will be in good standing with the Master of Financial Planning. Taught by leading finance and taxation academics, the program is a comprehensive degree for those wishing to work with clients to build long-lasting, trusted relationships and provide sound financial guidance.

A Graduate Diploma in Financial Planning and Graduate Certificate in Financial Planning are also available and offer a pathway into the Masters program.

Master of Financial Planning

Program code 9273
CRICOS code 075258J
Duration 1.7 years
Entry February, June and September
Estimated first year tuition A$48,248

Entry requirements
A recognised bachelor degree (or equivalent qualification) majoring in finance or accounting with a credit average (65% or higher) overall. For further assessment criteria visit business.unsw.edu.au/pg

Recognition of Prior Learning
If you’ve successfully completed the CPA, Program or CAANZ Program (from Australia), or the CIAA qualification, you may be granted one course credit.

International Business

Master of International Business

Gain an in-depth understanding of the key issues affecting the dynamic global business environment and become a successful business leader on the international stage. The Master of International Business is a comprehensive degree that will allow you to develop the ability to think globally and strategically, setting you up to become an effective and successful leader in the global business environment. This program is suitable for students with an undergraduate degree in any field.

Entry requirements
A recognised bachelor degree (or equivalent qualification) with a credit average (65% or higher). For further assessment criteria visit business.unsw.edu.au/pg

Recognition of Prior Learning
Up to four courses (24 UOC) may be awarded based on your previous business studies (bachelor or higher).

Information Systems Management

Master of Information Systems Management

Program code 8446
CRICOS code 0100365
Duration 2 years
Entry February, June and September
Estimated first year tuition A$48,240

Entry requirements
Applicants require a recognised undergraduate degree (or equivalent qualification) in Information Systems, Information Technology, Computer Science or Software Engineering with a credit average overall, as determined by UNSW Business School.

Category A
Applicants require a recognised undergraduate degree (or equivalent qualification) in Information Systems, Information Technology, Computer Science or Software Engineering with a credit average overall, and a minimum of two years full-time relevant professional work experience.

Category B
Applicants require a recognised undergraduate degree (or equivalent qualification) in Information Systems, Information Technology, Computer Science or Software Engineering with a credit average overall, and at least one year of full-time relevant professional work experience after completion of the degree.

Graduate Certificate in Financial Planning

Program code 7273
CRICOS code 075268D
Duration 0.7 years
Entry January, March, May, July, September, October
Estimated tuition A$24,120

Entry requirements
A recognised bachelor degree (or equivalent) as determined by UNSW Business School and at least two years full-time relevant work experience.

Master of Information Systems Management (Extension)

Program code 8435
CRICOS code 077873C
Duration 1.7 years
Entry February, June and September
Estimated first year tuition A$48,248

Entry requirements
Admission to the Master of Information Systems Management is based on relevant academic qualifications and professional experience. There are three categories of entry into this program:

Category A
A recognised honours degree (with a research thesis) in information systems, information technology, or computer science with a credit average (65% or higher) with at least two years full-time relevant work experience after completion of the degree.

Category B
A recognised bachelor degree (or equivalent qualification) in information systems, information technology, or computer science with a credit average (65% or higher) and at least one year of full-time relevant work experience after completion of the degree.

Category C
A recognised bachelor degree (or equivalent qualification) with a credit average (65% or higher) and at least one year of full-time relevant work experience after completion of the degree. For further assessment criteria visit business.unsw.edu.au/pg

Program code 8413
CRICOS code 089233J

Note:
Courses in these degrees are delivered in a variety of modes: distance/online, face-to-face and intensive. If you intend to study these degrees by distance/online in your home country, no student visa is required. Otherwise, studying these degrees at UNSW Sydney requires a student visa.
Social Impact

UNSW’s Social Impact programs focus on building the professional capacity of social managers and entrepreneurs across the corporate, government and not-for-profit sectors. They are designed to provide skills and knowledge in social entrepreneurship, innovation, investment and governance, enhancing understanding of the dynamics of the social economy. You will gain a deep understanding about how business, social enterprise, government, foundations and community organisations can work together.

Graduate Diploma in Social Impact

Program code: 5957
CRICOS code: 01818J
Duration: 1 year
Entry: February, June and September
Estimated tuition: A$48,240

Entry requirements:
The Graduate Diploma in Social Impact has three categories of entry:

Category A
A recognised bachelor degree (or equivalent qualification) with a credit average (65% or higher) as determined by the UNSW Postgraduate Coursework Entry Calculator; and at least 2 years full-time relevant work experience.

Category B
Professionals without a bachelor degree can apply to the program if they have at least 5 years full-time relevant work experience in government, corporate or not-for-profit sector.

Category C
Students completing the Graduate Certificate in Social Impact (with a minimum overall WAM of 65) are able to articulate into the Graduate Diploma of Social Impact with full course credit given. Applicants must have at least 5 years full-time relevant work experience in government, corporate or not-for-profit.

Pre-doctoral Business

Master of Pre-Doctoral Business

Program code: 8635
CRICOS code: 096892J
Duration: 1 year
Entry: February and June
Estimated tuition: A$35,040

Entry requirements:
The minimum requirements for admissions are:

• The equivalent of a three-year undergraduate degree, plus a postgraduate degree in a relevant discipline from UNSW, with an overall average grade of at least 75 (Distinction), or

• The equivalent of multiple undergraduate degrees (E.g. a double degree) from UNSW with at least one degree in a relevant discipline and an overall average grade of at least 75 (distinction); or

• The equivalent of a four-year bachelor degree with first or upper second class honours from UNSW in a relevant discipline.

Applicants of the economics stream must provide results for the GRE unless waived by the Stream Convenor.

Research Programs

UNSW Business School is internationally recognised for world-class research and our research degrees are an opportunity to expand knowledge in your chosen field.

You will be inspired to think profoundly and develop independent cutting-edge research. The higher degree research programs have been designed to equip candidates with the rigorous skills required for a successful career in the world’s elite institutions.

Areas of specialisation

Choose to focus your research in one of the following disciplines:

• Accounting
• Actuarial Studies
• Banking and Finance
• Economics
• Information Systems
• Marketing
• Management
• Risk and Actuarial Studies
• Taxation and Business Law

Master of Philosophy - Commerce and Economics

Program code: 2585
CRICOS code: 052630F
Duration: 1.5 - 2 years
Entry: February, June and September
Estimated first year tuition: A$35,348

Entry requirements:

• An undergraduate degree and coursework masters degree in a related discipline with an overall grade of distinction (75%) or higher; or

• An undergraduate degree, and

• An equivalent academic qualification or research output in the form of publications or relevant work experience

Areas of specialisation:

• Accounting
• Actuarial Studies
• Banking and Finance
• Economics
• Human Resource Management
• Industrial Relations
• International Business
• Information Systems and Management
• Marketing
• Organisational Behaviour
• Strategy and Entrepreneurship
• Taxation and Business Law

Doctor of Philosophy

Duration: 3 - 4 years
Entry: February, June and September
Estimated first year tuition: A$35,348

Entry requirements:

• The equivalent of a three-year undergraduate degree plus a postgraduate degree in a relevant discipline from UNSW, with an overall average grade of at least 75 (Distinction), or

• The equivalent of multiple undergraduate degrees (E.g. a double degree) with at least one in a relevant discipline and an overall average grade of at least 75 (Distinction); or

• The equivalent of a four-year bachelor degree with first or upper second class honours from a relevant discipline.

Areas of specialisation:

• Accounting
• Actuarial Studies
• Banking and Finance
• Economics
• Information Systems
• Marketing
• Organisational Behaviour
• Strategy and Entrepreneurship
• Taxation and Business Law

Be empowered at a globally renowned Engineering faculty, where passion, diverse perspectives and a hands-on approach create solutions for a better world.

#1 Engineering faculty in Australia

Make a positive difference in the world through world-class education and research at Australia’s #1 Engineering faculty, rated five-stars for employability, teaching and research.*

Learn from the best

Access the world’s best facilities coupled with an exciting education experience at UNSW Engineering, with four subjects ranked in the top global 50*: Minerals and Mining, 4th in the world; Civil Engineering, 11th in the world, and 1st in Australia; Electrical Engineering, 35th in the world, and 1st in Australia; Chemical Engineering, 40th in the world.

Engage with industry

Be equipped with the skills needed to succeed in the real world. Join industry and student networking events and gain hands-on practical learning experiences that will empower you with professional knowledge and networks to build a successful career.

*QS World University Rankings by Subject, 2020
Biomedical Engineering

The Master of Biomedical Engineering aims to apply engineering principles to developing technologies and problem solving in a diverse range of health care related fields. Students with either a medical/biological science or engineering/physical science background who want to further their education in this unique area will benefit from this degree. A Graduate Diploma program is also available.

Master of Biomedical Engineering

Program code: 8649
CRICOS code: 08402G
Duration: 1.7 years
Entry: February and September
Estimated first year tuition: $47,280

Graduate Diploma in Biomedical Engineering

Program code: 5441
CRICOS code: 089845K
Duration: 1 year
Entry: February and September
Estimated tuition: $47,280

Entry requirements
- A recognised four-year bachelor degree with Honours in engineering, science, or medicine, with an average grade of 65%; or
- A graduate diploma in biomedical engineering, such as B449 Engineering (Biomedical Eng), offered by the GSBM® or the equivalent, with a WAM >= 65.
- Completed 36 UOC in the graduate diploma B449 Engineering (Biomedical Eng) program, with a WAM >= 65.
- Note: students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Engineering Science

The Master of Engineering Science features complex, open-ended inquiry-based projects in 25 specialisations. The degree is designed for engineers and graduates seeking to develop and expand their technical knowledge and skills in their area of expertise and to add to their engineering-management skills. A Graduate Diploma and Graduate Certificate in Engineering Science are also offered in numerous specialisations.

Master of Engineering Science

Program code: 8238
CRICOS code: 084282A
Duration: 2 years
Entry: February, June and September
Estimated first year tuition: $47,280

Entry requirements
- Students need a recognised four-year bachelor degree in an appropriate area of engineering with a minimum 65% average as determined by the UNSW Postgraduate Entry Score Calculator.
- Note: students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Graduate Diploma in Engineering Science

Program code: 5341
CRICOS code: 084279G
Duration: 1 year
Entry: February, June and September
Estimated tuition: $47,280

Entry requirements
- A recognised four-year degree in a relevant discipline of engineering or science degree plus relevant professional experience with a minimum 65% average.
- Note: students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Graduate Certificate in Engineering Science

Program code: 7226
CRICOS code: 084276G
Duration: 0.7 years
Entry: February, June and September
Estimated tuition: $23,640

Entry requirements
- A recognised four-year degree in a relevant discipline of engineering or a three- or four-year engineering or science degree plus relevant professional experience with a minimum 65% average.

Specialisations
- The Masters and Graduate Diploma of Engineering Science are offered in the following specialisations (streams) including:
  - Biomedical Engineering (Masters only)
  - Chemical Process Engineering
  - Civil Engineering
  - Electrical Engineering
  - Energy Systems
  - Environmental Engineering
  - Food Process Engineering
  - Geotechnical Engineering & Geotechnical Geology
  - Geothermal Engineering (Masters only)
  - Manufacturing Engineering & Management
  - Mechanical Engineering
  - Nuclear Engineering
  - Petroleum Engineering*
  - Photovoltaics & Solar Energy
  - Project Management
  - Renewable Energy
  - Robotics (Masters only)
  - Space Systems Engineering (Masters only)
  - Structural Engineering
  - Sustainable Systems (Masters only)
  - Telecommunications
  - Transport Engineering
  - Water Engineering: Catchments to Coasts
  - Water, Wastewater & Waste Engineering

*Also available for distance study. Offshore international students are not eligible for an Australian student visa for this study mode.

The degree I chose is something between engineering and business and the opportunity to choose different courses was very good. I really like the flexibility and I can concentrate on the things I am interested in.

Marsel Rabaev, Russia
Master of Engineering Science
Graduate Certificate in Petroleum Engineering

Entry requirements
Entry into the Graduate Certificate in Petroleum Engineering can be via two pathways:

- **Entry pathway 1:** a three- or four-year Bachelor of Engineering/Science degree in a relevant discipline or an equivalent qualification from a recognised university or tertiary institution with a minimum 65% average, or

- **Entry pathway 2:** consideration will be given on an individual basis for those with relevant petroleum industry experience with vocational training based on the portfolio supporting the application. A minimum of five years of full-time relevant professional and/or responsibility in the upstream petroleum industry is required. Students are required to demonstrate work experience in the upstream petroleum industry (i.e. the exploration, reservoir engineering, drilling and production of oil and/or gas). An entry interview may be required.

Are you an engineering or science graduate, or a petroleum industry professional seeking to expand or update your technical know-how and skills in petroleum engineering? The Graduate Certificate in Petroleum Engineering covers the fundamentals and applications of drilling engineering, reservoir engineering, petroleum technology, business principles and business management.

Food Science

Food scientists and graduates wishing to advance their skills, as well as engineers seeking to move into food science, will work on a complex, open-ended research-based project as part of the Master of Food Science. Gain a deep understanding of the agrifood business and develop the ability to analyse food-sciences problems. A Graduate Diploma program is also available.

*From 2021 this program will have a Term 2 (June) intake. For more information, visit degrees.unsw.edu.au

Food Science

Master of Food Science

**Program code:** 8837
**CRICOS code:** 08438M
**Duration:** 2 years
**Entry:** February, June and September
**Estimated first year tuition:** A$47,280

Entry requirements
- Students must hold an Australian or equivalent bachelor degree in food science with honours and a minimum 65% average as determined by the UNSW Postgraduate Entry Score Calculator; or
- A Graduate Diploma in Food Science from UNSW; or
- An equivalent qualification from another recognised university or tertiary institution.

Note: Students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Food Science

Graduate Diploma in Food Science

**Program code:** 5837
**CRICOS code:** 08438C
**Duration:** 1 year
**Entry:** February, June and September
**Estimated tuition:** A$47,280

Entry requirements
- Students must hold a bachelor degree in food science or a cognate discipline (such as chemical engineering or biochemistry), with an average mark of at least 65%; or
- An equivalent qualification from a recognised university or tertiary institution.

Specialisations
Students must complete 4R UOC of courses to be eligible for the Graduate Diploma in Food Science.

Note: Students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Information Technology

Information technology is moving quickly – the Master of Information Technology is your opportunity to be at the forefront of creating future technologies. The degree will train you to anticipate requirements and develop applications and services in areas such as networking, data mining and robotics. You can choose up to two majors. A Graduate Diploma in Information Technology is also available and is suitable for those with little or no computing background.

Information Technology

Master of Information Technology

**Program code:** 8543
**CRICOS code:** 861294J
**Duration:** 2 years
**Entry:** February, June and September
**Estimated first year tuition:** A$47,280

Entry requirements
- A three-year undergraduate degree equivalent to a standard Australian bachelor degree in a discipline that included at least three mathematics courses and a 65% average achieved overall or
- Completion of the Graduate Diploma in Information Technology (5543) and a minimum 65% average or no fails; or
- Completion of the Graduate Certificate in Computing (7543), and a 65% average achieved overall.

Note: Students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Graduate Diploma in Information Technology

**Program code:** 5543
**CRICOS code:** 861293K
**Duration:** 1 year
**Entry:** February, June and September
**Estimated tuition:** A$47,280

Entry requirements
- A three-year undergraduate degree equivalent to a standard Australian bachelor degree in a discipline that included at least three mathematics courses and a 65% average achieved overall, or
- Completion of the Graduate Certificate in Computing (7543), and an average mark of 65% overall or no fails.

Note: Students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Graduate Certificate in Computing

Want to complete a short qualification in Computing? With the Graduate Certificate in Computing, you will study four advanced topics to complement or update your existing qualifications. Those with no Computing background can do four introductory courses before considering a higher qualification. You may be able to articulate to the Graduate Diploma in Information Technology.

Entry requirements
- A three-year undergraduate degree equivalent to a standard Australian bachelor degree, and a minimum 65% average; or
- At least three years work experience in the area of science or engineering; or
- Other applications will be considered on a case by case basis based on a combination of education and work experience.

Note: Students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.
MINING ENGINEERING

If you’re currently working in the mining industry, or planning a career change, the Master of Mining Engineering allows you to undertake advanced study in mining engineering and to choose one of two specialisations – Mine Geomechanics or Mine Management. Most courses can be studied on a part-time basis. A Graduate Diploma in Mining Engineering is also available.

Master of Mining Engineering

Program code 8335
CRICOS code 88428K
Duration 1.7 years
Entry February and September
Estimated first year tuition A$47,280

Entry requirements
- A recognised four-year (honours) degree in Mining Engineering, Geology, Civil Engineering, or Geotechnical Engineering. A minimum WAM of 65% is also required and professional experience in the mining industry will be highly regarded.
- Relevant industry experience.
- Note: students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Graduate Diploma in Mining Engineering

Program code 5335
CRICOS code 88428K
Duration 1 year
Entry February and September
Estimated tuition A$47,280

Graduate Certificate in Mining Engineering

Program code 7335
CRICOS code 88428K
Duration 1 year (online)
Entry February and September
Estimated tuition A$47,280

Entry requirements
- Entry to this program is based on:
  - Entry pathway 1 – Relevant mining industry experience with vocational training. A minimum of 4 years of full-time relevant professional and/or responsibility in the mining industry, or a three-year degree with a minimum WAM of 65% plus a minimum of one year relevant industry experience.
  - Entry pathway 2 – Degree in other technical disciplines from a recognised institution with a minimum WAM of 65% and no course fails.

Note: students from a non-211 university in China need a minimum 70% average as determined by the UNSW Postgraduate Entry Score Calculator.

Research

UNSW Engineering offers two higher degree research programs, a Doctor of Philosophy (PhD) and a Master of Philosophy (MPhil) in Engineering. Both are available across all eight engineering Schools.

Candidates are required to undertake an original and critical research project that makes a significant contribution to existing knowledge of relevance both nationally and internationally.

Each degree requires submission of a thesis embodying the results of an original investigation or design. Candidates carry out their research under the supervision of some of Australia’s leading researchers.

- School of Computer Science and Engineering
- School of Electrical Engineering and Telecommunications
- School of Mechanical and Manufacturing Engineering
- School of Mineral and Energy Resources Engineering
- School of Material Science and Engineering
- School of Chemical Engineering
- School of Civil and Environmental Engineering
- School of Engineering Design

The Graduate Research School Admissions and Scholarships team provides advice and support to all applicants for admission to a UNSW Higher Degree Research program or scholarship. Go to page 104 for further information or contact us on international.graduates@unsw.edu.au.

Research Programs

Master of Philosophy - Engineering

Program code 2645
CRICOS code 002861M
Duration 1.5 - 2 years
Entry February, June and September
Estimated first year tuition A$48,000

Entry requirements
- An appropriate four-year bachelor degree in the relevant discipline from UNSW at a level specified by the Faculty Higher Degree Committee, or a qualification from a tertiary institution at a level considered by the Faculty Higher Degree Committee to be equivalent.
- Applicants should have been in contact with a potential supervisor before applying for the program.

Specialisations
- Biomedical Engineering BIOCNS2645
- Chemical Engineering CHEEM2645
- Civil and Environmental Engineering CTVENBRR2645
- Computer Science and Engineering CSSECS2645
- Electrical Engineering ELEC2645
- Geospatial Engineering GMAT2645
- Mechanical and Manufacturing Engineering MECHBRR2645
- Mining Engineering MINER2645
- Petroleum Engineering PETRB2645
- Photovoltaic Engineering SOLAR2645
- Renewable Energy Engineering SOLAR2645

Doctor of Philosophy

Duration 3 - 4 years
Entry February, June and September
Estimated first year tuition A$48,000

Entry requirements
- An appropriate four-year bachelor degree with first or upper second class honours from UNSW, or a completed masters examination from UNSW with a substantial research component and demonstrated capacity for timely completion of a high-quality thesis, or a qualification from a faculty or equivalent body at a level considered equivalent by the Faculty Higher Degree Committee.
- For further details of engineering research areas see engineering.unsw.edu.au/research

Specialisations
- Biomedical Engineering BIOCNS2645
- Chemical Engineering CHEEM2645
- Civil and Environmental Engineering CHEEM2645
- Computer Science and Engineering CSSECS2645
- Electrical Engineering ELEC2645
- Geospatial Engineering GMAT2645
- Mechanical and Manufacturing Engineering MECHBRR265
- Mining Engineering MINER2645
- Petroleum Engineering PETRB2645
- Photovoltaic Engineering SOLAR2645
- Renewable Energy Engineering SOLAR2645

Engineering Postgraduate Admission Scheme (EPAS)

If you apply to UNSW Engineering for a Masters (Coursework) program and are instead offered a Graduate Diploma placement, don’t lose heart. You may still be able to enter the Masters (Coursework) program through the Faculty of Engineering’s Postgraduate Admissions Scheme (EPAS).

This scheme is an alternative pathway for engineering students applying for postgraduate coursework study. The process includes an interview and successful students will receive an offer for their chosen Masters program.

EPAS is currently only available for Masters coursework programs, not for Graduate Certificates or Diplomas. All applicants will be assessed for EPAS eligibility, and if you’re eligible to try for EPAS, we’ll be in touch. Please note that you must apply first for a Masters coursework program to be considered for EPAS.

Doctor of Philosophy

Duration 3 - 4 years
Entry February, June and September
Estimated first year tuition A$48,000

Entry requirements
- An appropriate four-year bachelor degree with first or upper second class honours from UNSW, or a completed masters by research from UNSW with a substantial research component and demonstrated capacity for timely completion of a high-quality thesis, or a qualification from a faculty or equivalent body at a level considered equivalent by the Faculty Higher Degree Committee.
- For further details of engineering research areas see engineering.unsw.edu.au/research

Specialisations
- Biomedical Engineering BIOCNS2645

- Geospatial Engineering GMAT2645
- Mechanical and Manufacturing Engineering MECHBRR265
- Mining Engineering MINER2645
- Petroleum Engineering PETRB2645
- Photovoltaic Engineering SOLAR2645
- Renewable Energy Engineering SOLAR2645
Law

Immerse yourself in the real-world practice of law and learn from a school that is underpinned by an ethos of justice for all.

Join a top global Law School
Ranked the 14th law school in the world*, UNSW Law has been setting the pace as Australia’s leader in progressive and rigorous legal education and research for almost 50 years.

Employer reputation
We are ranked 15th in the world for Employer Reputation*, so you’ll graduate job-ready and highly sought-after by top Australian and international employers. Build a global experience into your degree through exchange, by undertaking one of our overseas elective courses or an internship abroad. Choose from more than 80 exchange destinations at leading law schools around the world.

Interactive teaching environment
Seminar-style classes give you the chance to ask questions, develop your ideas, grow your critical and analytical mind, and get to know your peers and lecturers. Be part of the student-focused, interactive teaching environments that pioneered Australian legal education.

**Law**

**Graduate Diploma in Legal Professional Practice**

- **Program code**: SD13
- **Duration**: 0.5 years
- **Entry**: February and September
- **Estimated tuition**: A$16,560
- **Estimated indicative fee**: A$13,800 (65%)

**Important note for International Students**

Please be advised that this program is not CRICOS approved. International students will require a valid visa other than a student visa (e.g. a temporary graduate visa) to be eligible to apply to this program. International students are advised to seek independent immigration advice about their visa options.

**UNSW Law**

UNSW Law has particular research strengths in:
- Criminal Law
- Criminal Justice and Criminology
- Dispute Resolution
- Environmental Law and Sustainable Development
- Indigenous Peoples and the Law
- Intellectual Property and Media
- International Law
- Private, Corporate and Commercial Law
- Technology, Law and Innovation
- Human Rights
- Public Law

**Research programs**

**Doctor of Philosophy**

- **Program code**: 1738
- **CRICOS code**: 08696E
- **Duration**: 3 to 4 years
- **Entry**: February, June and September
- **Estimated first year tuition**: A$43,440

**Entry requirements**

- Recognised masters degree (including a substantial research component) with a minimum distinction average (75%); or a recognised bachelor degree with honours class II, division (I) that includes a substantial research component; or a recognised three-year Juris Doctor degree (or equivalent) with a research component sufficient to allow assessment of research potential at the disciplinary level and where weighted average grades for the research component and the coursework results are at least equivalent to 75%; or an equivalent combination of academic and professional qualifications.

**Master of Laws by Research**

- **Program code**: 2440
- **CRICOS code**: 08695E
- **Duration**: 1.5 to 2 years
- **Entry**: February, June and September
- **Estimated first year tuition**: A$43,440

**Entry requirements**

- Completion of a recognised Bachelor of Laws degree with honours class II, division (I) that includes a substantial research component; or a recognised three-year Juris Doctor degree with a research component sufficient to allow assessment of research potential at the disciplinary level and where weighted average grades for the research component and the coursework results are at least equivalent to 75%; or an equivalent combination of academic and professional qualifications.

**Juris Doctor (JD)**

- **Program code**: 9150
- **CRICOS code**: 08859G
- **Duration**: 3 years
- **Entry**: February and September
- **Estimated first year tuition**: A$46,328

**Entry requirements**

- A recognised bachelor degree or equivalent qualification in any discipline other than law, or a recognised non-Australian law degree.
Prepare yourself for the future of health and join a community focused on improving life for all.

**Top 50 medical school**
Start your health and medical studies at a university driven by innovation and excellence. UNSW is proud to rank 46th in the world for Medicine* and among Australia’s leaders in medical education and research.

*QS World University Rankings, 2020

**World leader for medical research**
Learn from world leaders in the fields of cancer, neuroscience, mental health, addiction, infectious disease, immunity and inflammation, and non-communicable disease such as cardiovascular disease.

**Immersive learning**
Experience clinical, hands-on training, interacting with patients and health professionals in some of Australia’s largest hospitals and health organisations. Apply your skills to real patients and global health problems.

Forensic Mental Health

Designed for mental health professionals - including medical practitioners, nurses and psychologists - the Master of Forensic Mental Health provides comprehensive training in forensic mental health. The online program is also open to members of the legal, policing and correctional professions. You will develop your capacity to assess and manage individuals from diverse backgrounds. Graduate Diploma and Graduate Certificate programs are also available.

Master of Forensic Mental Health

Entry requirements

- A bachelor degree in health, law, criminology, or other relevant discipline plus Honours/ postgraduate qualifications in one of those disciplines or two years professional experience in health, law, criminology, or other relevant discipline.

Graduate Diploma in Forensic Mental Health

Program code 5512
Duration 1 year
part-time (online)
Entry February and September (February commencement recommended)
Estimated first year tuition A$24,068

Graduate Certificate in Forensic Mental Health

Program code 7312
Duration 0.8 years
part-time (online)
Entry February and September (February commencement recommended)
Estimated tuition A$15,728

Entry requirements

- Bachelor degree in health, law, criminology, or other relevant discipline plus Honours/ postgraduate qualifications in one of those disciplines or two years professional experience in health, law, criminology, or other relevant discipline.

Health Data Science

The Master of Science in Health Data Science covers subjects from the comprehension of complex health issues, through data wrangling and management, machine learning and data mining, data analytics, and data modelling and communication. The degree is intended for those new to the field or already working and keen to develop their knowledge. Graduate Diploma and Graduate Certificate programs are also available.

Master of Science in Health Data Science

Program code 0972
CRICOS code 096225M
Duration 1.7 years
(online option)
Entry February, September
Estimated first year tuition A$44,148

Entry requirements

- An undergraduate degree in a discipline cognate to health data science (see cognate list below), or
- An undergraduate degree at an honours level (or above) in a non-cognitive discipline, or
- Completion of a Graduate Diploma in Health Data Science, or
- Postgraduate qualification equivalent or higher than Graduate Diploma in Health Data Science (3072) on a case-by-case basis.

Graduate Diploma in Health Data Science

Program code 5572
CRICOS code 096226K
Duration 1 year
(online option)
Entry February, September
Estimated tuition A$40,140

Entry requirements

- Successful completion of Graduate Certificate in Health Data Science (7372) or equivalent/highest qualification on a case-by-case basis; or
- Most entry requirements given of the Master of Science in Health Data Science program.

Graduate Certificate in Health Data Science

Program code 7372
CRICOS code 096227J
Duration 0.7 years
 Entry September and February* (case-by-case)
Estimated first year tuition A$20,580

Entry requirements

- An undergraduate degree at an honours level (or above) in a non-cognitive discipline, or
- An undergraduate degree in a non-cognitive discipline; and
- At least 1 year equivalent relevant work experience (see relevant work experience below)** with supporting CV and employer provided statement of service; or
- At least 3 years equivalent relevant work experience (see relevant work experience below)** with supporting CV and employer provided statement of service.

Health Leadership and Management

The Master of Health Leadership and Management aims to promote health leadership in areas of strategic planning, policy and decision making. It emphasises understanding and meeting the challenges of safety and quality within current and emerging health service contexts. It is tailored to either the Australian health care system or developing health care systems. A Health Leadership and Management (Extension) is also available, as are shorter Graduate Diploma and Graduate Certificate programs. The program can also be taken as a double degree with Public Health, Global Health or Infectious Diseases Intelligence.

Master of Health Leadership and Management

Program code 5891
CRICOS code 081515E
Duration 1 year
(online option)
Entry February, June and September
Estimated first year tuition A$47,288

Entry requirements

- An undergraduate degree plus an honours or postgraduate degree in a field relevant to public health or health management (see list below).

Examples of relevant fields include, but are not restricted to: medicine, nursing, allied health, health sciences, biometrical sciences, dentistry, pharmacy, public health, veterinary sciences, psychology and psychological sciences, statistics, mathematical sciences, computer science, (health) economics, data science and other (see by-case).

Graduate Diploma in Health Leadership and Management (Extension)

Program code 8900
CRICOS code 085916B
Duration 1.7 to 2 years
(online option)
Entry February, June and September
Estimated first year tuition A$47,288

Entry requirements

- Please see Master of Health Leadership and Management (8901).

Professional recognition

This program is recognised by the Royal Australasian College of Medical Administrators and the Australasian College of Health Service Management.

Graduate Certificate in Health Leadership and Management

Program code 7360
CRICOS code 081506B
Duration 8.7 years
(online option)
Entry February, June and September
Estimated tuition A$35,468

Entry requirements

Please see Master of Health Leadership and Management (8901).

Professional recognition

This program is recognised by the Royal Australasian College of Medical Administrators and the Australasian College of Health Service Management.

*International students are not eligible for an Australian student visa for this program.

**Examples of relevant work experience include but are not restricted to positions involving the acquisition and handling of data (e.g. database manager or data analyst) and tertiary-level training, demonstrating capability in a cognate discipline & exhibits potential to pursue postgraduate level studies.
Master of Public Health/Health Leadership and Management
Master of Global Health/Health Leadership and Management
Master of Health Leadership and Management/Infectious Diseases Intelligence
Master Public Health/Master of Health Leadership and Management (Extension)
Master Global Health/Master of Health Leadership and Management (Extension)

The Master of Public Health Leadership and Management and Master of Public Health double degree provides essential knowledge and skills for both a career in population and health service delivery. The combination of degrees will give you the capabilities for leading in and managing complex health settings, including the capacity for improving health service outcomes.

Entry requirements
Please see Master of Health Leadership and Management (901).
Master of Global Health (Extension)

- Master of Global Health
  - Diseases Intelligence.

The Master of Global Health and Master of Infectious Diseases Intelligence double degree is an innovative approach to postgraduate health education. It enables you to better understand infectious diseases in the era of new and emerging disease threats as well as management approaches for the identification, assessment, prevention and control of infectious diseases.

Entry requirements
- An undergraduate degree plus an honours or postgraduate degree in a field relevant to public health or health management.

Program code: 9047
CRICOS code: 0100677
Duration 1 year (online option)
Entry February, June and September
Estimated first year tuition A$47,280

Master of Global Health

Through our Global Health programs, you will gain expertise in a broad range of areas, based on real-life public health interventions across a wide range of populations and countries. You will examine relevant investigative methods, with evidence-based, culturally appropriate and cost-effective approaches to disease control, health promotion and health services development. A Master of Global Health (Extension) is also available, as are shorter Graduate Diploma and Graduate Certificate programs. The program can also be taken as a double degree with Public Health, Health Leadership and Management or Infectious Diseases Intelligence.

Entry requirements
- An undergraduate degree in a field relevant to public health or health management and two years full-time professional or volunteer experience. This may also include equivalent professional experience acquired as part of a degree of 4 or more years duration (e.g. MBBS, MD; or
- A postgraduate degree in a field relevant to public health or health management.

Program code: 9048
CRICOS code: 0100678
Duration 2 years
Entry February, June and September
Estimated tuition A$35,460

Graduate Diploma in Global Health

Program code: 9043
CRICOS code: 0100680A
Duration 1.7 years (online option)
Entry February, June and September
Estimated first year tuition A$35,460

Entry requirements
- Please see Master of Global Health (9048)

Graduate Certificate in Global Health

Program code: 9045
CRICOS code: 0100681A
Duration 0.7 years (online option)
Entry February, June and September
Estimated first year tuition A$23,640

Entry requirements
- Please see Master of Global Health (9048)

Master of Global Health/Infectious Diseases Intelligence

Program code: 9042
CRICOS code: 0100675G
Duration 1.7 years (online option)
Entry February, June and September
Estimated first year tuition A$47,280

Pharmaceutical Medicine

The Master of Pharmaceutical Medicine provides high level education in all aspects of medicines used for therapeutic treatment. The degree offers a range of graduate opportunities, including in early stage research and development, clinical trials, pharmacovigilance, regulatory affairs, medical affairs and pharmaco-economics.

- Master of Global Health/Infectious Diseases Intelligence

Program code: 9054
CRICOS code: 0100676G
Duration 1.7 years (online option)
Entry February, June and September
Estimated first year tuition A$47,280

Entry requirements
- An undergraduate degree in a field relevant to public health or health management.
- Two years full-time professional or volunteer experience.
- An undergraduate degree plus an honours degree in a field relevant to public health or health management.

Program code: 9055
CRICOS code: 0100679G
Duration 2 years (online option)
Entry February, June and September
Estimated first year tuition A$47,280

International students are not eligible for an Australian student visa for this program.
**Public Health**

The Master of Public Health will prepare you for education, research and service in all aspects of public health, by providing a sophisticated understanding of the multidisciplinary area of public health. You will acquire a deep understanding and skills for research, professional practice and further learning. A Master of Public Health (Extension) is also available, as are shorter Graduate Diploma and Graduate Certificate programs. The program can also be taken as a double degree with Health Leadership and Management, Global Health or Infectious Diseases Intelligence.

**Entry requirements**

- An undergraduate degree in a field relevant to public health or health management (see list below)* and 2 years’ full-time professional or volunteer experience. This may also include equivalent professional experience acquired as part of a degree of 4 or more years duration (e.g. MBBS, MSc), or
- An undergraduate degree plus an honours or postgraduate degree in a field relevant to public health or health management (see list below)*

---

**Graduate Certificate in Public Health**

**Program code** 9045

**CRICOS code** 08986M

**Duration** 1 year (online option)

**Entry February, June and September**

**Estimated tuition** A$47,280

**Estimated first year tuition** A$47,280

**Entry requirements**

- Transfer considered on completion of the Master of Public Health (9045) or equivalent
- An undergraduate degree in medicine, nursing, health, or medical science and:
  - An undergraduate degree in medicine, nursing, health, or medical science
  - A double degree (e.g. general practice, obstetrics & gynaecology); or
  - A postgraduate medical specialist training program (e.g. general practice, obstetrics & gynaecology); or
  - A year full-time equivalent of postgraduate professional experience in medicine, nursing, health or medical science.

---

**Master of Public Health (Extension)**

**Program code** 9046

**CRICOS code** 861597E

**Duration** 1.7 years (online option)

**Entry February, June and September**

**Estimated first year tuition** A$47,280

**Entry requirements**

- An undergraduate degree in a field relevant to public health or health management and two years full-time professional or volunteer experience. This may also include equivalent professional experience acquired as part of a degree of 4 or more years duration (e.g. MBBS, MSc), or
- An undergraduate degree plus an honours or postgraduate degree in a field relevant to public health or health management.

---

**Master of Public Health/Global Health (Extension)**

**Program code** 9052

**CRICOS code** 889846G

**Duration** 2 years (online option)

**Entry February, June and September**

**Estimated first year tuition** A$47,280

**Entry requirements**

- The Master of Global Health (Extension) allows high-achieving students to extend their studies by completing additional courses and a research project in Global Health. The Master of Public Health is essential for a career in public health. This combination of degrees will cultivate sophisticated knowledge and skills in public health in both local and global settings.

---

**Reproductive Medicine**

The Master of Reproductive Medicine will provide GPs, family planning practitioners and specialist gynaecologists who work in reproductive medicine and infertility with detailed knowledge of reproductive medicine. The program will give an advanced understanding of the ethical, social and professional aspects required to deliver a high standard of clinical care to patients. Graduate Diploma and Graduate Certificate programs are also available.

---

**Graduate Diploma in Reproductive Medicine**

**Program code** 9065

**Duration** 1 year (online)

**Entry February and September**

**Estimated tuition** A$23,640

**Estimated first year tuition** A$23,640

**Entry requirements**

- An undergraduate degree in medicine, nursing, health or medical science and:
  - An honours, graduate certificate, graduate diploma, or higher qualification in medicine, nursing, or health or medical science; or
  - Commencement of a recognised postgraduate medical specialist training program (e.g. general practice, obstetrics & gynaecology); or
  - A year full-time equivalent of postgraduate professional experience in medicine, nursing, health or medical science.

---

**Graduate Certificate in Reproductive Medicine**

**Program code** 9066

**Duration** 2 years (online option)

**Entry February, June and September**

**Estimated tuition** A$23,640

**Estimated first year tuition** A$23,640

**Entry requirements**

- An undergraduate degree in medicine, nursing, health or medical science and:
  - An honours, graduate certificate, graduate diploma, or higher qualification in medicine, nursing, or health or medical science; or
  - Commencement of a recognised postgraduate medical specialist training program (e.g. general practice, obstetrics & gynaecology); or
  - A year full-time equivalent of postgraduate professional experience in medicine, nursing, health or medical science.

---

**Master of Public Health/Infectious Diseases Intelligence**

**Program code** 9063

**CRICOS code** 100684

**Duration** 2 years (online)

**Entry February, June and September**

**Estimated first year tuition** A$47,280

**Entry requirements**

- An undergraduate degree in a field relevant to public health or health management and two years full-time professional or volunteer experience. This may also include equivalent professional experience acquired as part of a degree of 4 or more years duration (e.g. MBBS, MSc), or
- An undergraduate degree plus an honours or postgraduate degree in a field relevant to public health or health management.

---

**Graduate Diploma in Public Health**

**Program code** 9067

**CRICOS code** 8208720

**Duration** 1 year (online option)

**Entry February, June and September**

**Estimated tuition** A$23,580

**Estimated first year tuition** A$23,580

**Entry requirements**

- An undergraduate degree in a field relevant to public health or health management.

---

**Master of Public Health/Infectious Diseases Intelligence (Extension)**

**Program code** 9064

**CRICOS code** 889888G

**Duration** 2 years (online option)

**Entry February, June and September**

**Estimated first year tuition** A$47,280

**Entry requirements**

- The Master of Public Health and Master of Infectious Disease Intelligence is a double degree providing essential skills for those pursuing a career in public health with a focus on infectious diseases epidemiology and control. The dual program enables students to cultivate sophisticated knowledge and skills in public health in both local and global settings.

**International students are not eligible for an Australian student visa for this program if undertaken in online study mode.**
Graduate Certificate in Reproductive Medicine

Program code: 7379
Duration: 0.7 years (online)
Entry: February and September
Estimated tuition: $15,720

Entry requirements:
- An undergraduate degree in medicine, nursing, health, or medical science and:
  - An honours, graduate certificate, graduate diploma, or higher qualification in medicine, nursing or health, or medical science; or
  - Commencement of a recognised postgraduate medical specialist training program (e.g. general practice, obstetrics & gynaecology); or
  - 1 year full-time equivalent of postgraduate professional experience in medicine, nursing, or health or medical science.

Women's Health

The Master of Women's Health Medicine will provide you with advanced knowledge and understanding of the ethical, social and professional aspects required to deliver a high standard of clinical care in the expanding and diverse field of women's health medicine. Courses will provide an evidence-based and practice-centred approach to this field of study. An online Graduate Certificate program is also available.

Master of Women's Health Medicine

Program code: 9014
Duration: 1 year (online)
Entry: February and September
Estimated tuition: $31,440

Entry requirements:
- An undergraduate degree in medicine, nursing, health, or medical science and:
  - An honours, graduate certificate, graduate diploma, or higher qualification in medicine, nursing or health, or medical science; or
  - Commencement of a recognised postgraduate medical specialist training program (e.g. general practice, obstetrics & gynaecology); or
  - 1 year full-time equivalent of postgraduate professional experience in medicine, nursing, health or medical science.

Graduate Certificate in Women's Health Medicine

Program code: 7814
Duration: 0.7 years (online)
Entry: February and September
Estimated tuition: $15,720

Entry requirements:
- An undergraduate degree in medicine, nursing, health, or medical science and:
  - An honours, graduate certificate, graduate diploma, or higher qualification in medicine, nursing or health, or medical science; or
  - Commencement of a recognised postgraduate medical specialist training program (e.g. general practice, obstetrics & gynaecology); or
  - 1 year full-time equivalent of postgraduate professional experience in medicine, nursing, or health or medical science.

Registration for Doctors and Specialist Medical Practitioner Training in Australia
Registration for medical practice in Australia is regulated by separate laws in each state and territory. Information on the registration requirements and procedures for overseas trained doctors is available from the Australian Medical Council.

International students are not eligible for an Australian student visa for this program.
Research Programs

Masters by Research

Master of Philosophy - Forensic Mental Health

Program code 2712
CRICOS code 065384B
Duration: 1.7 years
Entry: February, June and September
Estimated first year tuition: A$49,680

Entry requirements:
An appropriate bachelor degree in the relevant discipline from UNSW at a level specified by the Faculty Higher Degree Committee, or a qualification from a tertiary institution at a level considered by the Faculty Higher Degree Committee to be equivalent.

Master of Philosophy - Public Health

Program code 2713
CRICOS code 06776A
Duration: 1.7 years
Entry: February, June and September
Estimated first year tuition: A$49,680

Entry requirements:
An appropriate bachelor degree in the relevant discipline from UNSW at a level specified by the Faculty Higher Degree Committee, or a qualification from a tertiary institution at a level considered by the Faculty Higher Degree Committee to be equivalent.

Master of Science by Research

Program code 2714
CRICOS code 065384B
Duration: 1.5 - 2 years
Entry: February, June and September
Estimated first year tuition: A$49,680

Entry requirements:
An appropriate four year bachelor degree with honours from UNSW, or a qualification at a level from a tertiary institution considered equivalent by the Faculty Higher Degree Committee.

Master of Surgery by Research

CRICOS code 081858E
Duration: 1.5 - 2 years
Entry: February, June and September
Estimated first year tuition: A$49,680

Entry requirements:
An appropriate four year bachelor degree with honours from UNSW, or a qualification at a level from a tertiary institution considered equivalent by the Faculty Higher Degree Committee.

Generally, candidates must have at least three years’ experience of surgical training and there should be a lapse of five years before the thesis is submitted from the date of the award of the undergraduate medical degree.

Doctor of Philosophy

Pathology (1780) CRICOS code 081355M

Entry requirements:
An appropriate four year bachelor degree with first or upper second class honours from UNSW, or a completed masters by research from UNSW with a substantial research component and demonstrated capacity for timely completion of a high quality thesis, or a qualification from a tertiary institution at a level considered equivalent by the Faculty Higher Degree Committee.

Doctor of Philosophy - Public Health and Community Medicine

Program code 1835
CRICOS code 051586G
Duration: 3 - 4 years
Entry: February, June and September
Estimated first year tuition: A$49,680

Entry requirements:
An appropriate four year bachelor degree with first or upper second class honours from UNSW, or a completed masters by research from UNSW with a substantial research component and demonstrated capacity for timely completion of a high quality thesis; or MBBS (from an Australian or New Zealand university) or professional experience as acceptable to the Faculty Higher Degree Committee, or a qualification from a tertiary institution at a level considered equivalent by the Faculty Higher Degree Committee. Proof of research experience as acceptable to the Higher Degree Committee of the Faculty.

The dual masters in international public health and health management has provided me with the tools and skills to tackle health care challenges with a global perspective. It has been a privilege to be among and learn from experts and leaders in their fields.

Nikita Bathla, India
Master of International Public Health/Health Management
Science

Think big and form deeper connections with our world. Explore areas of science that prepare you with the skillsets needed for tomorrow’s workforce.

**Top 50 in the world**
The brightest minds converge to learn, explore and discover at UNSW Science, with five subjects ranked in the global top 50 including Psychology 22nd; Environmental Sciences 23rd; Earth & Marine Sciences 31st; Mathematics 36th; and Materials Science 42nd.*

*QS World University Rankings by Subject, 2020

**Research and teaching excellence**
Driven by the ethos of collaboration, exploration and accomplishment, here you can access world-class laboratories, clinics and simulators that will equip you with the tools to explore new frontiers and make profound scientific discoveries to benefit society.

**World-class education**
Join a vibrant and welcoming community that prepares you for real-world challenges. Be taught by innovative, passionate and pioneering educators, and access high-profile industry partners. You will be equipped to achieve your career goals and make an impact.

Aviation

Developed in consultation with industry, the Master of Aviation Management provides managers and professionals with the skills and knowledge to succeed in contemporary aviation management. It is designed for students who have a degree and relevant industry experience. Students who do not have a degree but who have at least one year of relevant industry experience can enrol in the Graduate Diploma program. Both programs are taught entirely online.

Graduate Diploma in Aviation Management

Program code 5741
Duration 1 year (online)
Entry February, June and September
Estimated tuition A$39,680

Entry requirements
A recognised three-year bachelor degree in any area. Applicants with relevant bachelor degree and relevant industry experience may be eligible for advanced standing (also known as recognition of prior learning). More information can be found via degrees.unsw.edu.au/master-of-aviation-management

Data Science and Decisions

UNSW’s Data Science and Decisions programs are designed to develop advanced technical and mathematical skills to unpick complexities and make sense of the numbers. Courses cover programming, statistics and data systems to help you organise, identify and analyse, as well as develop your decision-making techniques.

Master of Data Science and Decisions

Program code 8959
CRICOS code 018186E
Duration 2 years
Entry February and September
Estimated first year tuition A$46,200

Entry requirements
A Bachelor of Mathematics; or a Bachelor of Science with a major in mathematics, statistics or computer science; or a Bachelor of Data Science and Decisions; or a suitable cognate degree as determined by the program authority.

In addition, applicants must have sufficient mathematics and/or statistics and/or data science background, as indicated by an average of 70% or above in appropriate level III university courses.

Graduate Diploma in Data Science

Program code 5546
CRICOS code 018186E
Duration 1.4 years (online)
Entry January, March, May, July, August and October
Estimated tuition A$35,040

Entry requirements
A bachelor degree with an average mark of 65% or above in a cognate discipline (computer science, mathematics or similar) or equivalent or a bachelor (honours) degree in any discipline with at least three level 3 and above courses in mathematics and statistics. Applicants with a degree in a non-cognate discipline and at least five years' experience in a data science or data analytics role may be considered for entry.

Graduate Certificate in Data Science

Program code 7446
Duration 0.7 years (online)
Entry January, March, May, July, August and October
Estimated tuition A$22,980

Data Science

UNSW’s Data Science programs are designed to develop advanced technical and mathematical skills to unpick complexities and make sense of the numbers. Courses cover programming, statistics and data systems to help you organise, identify and analyse, as well as develop your decision-making techniques.

Graduate Diploma in Data Science

Program code 5546
CRICOS code 018186E
Duration 1.4 years (online)
Entry January, March, May, July, August and October
Estimated tuition A$35,040

Entry requirements
A bachelor degree with an average mark of 65% or above in a cognate discipline (computer science, mathematics or similar) or equivalent or a bachelor (honours) degree in any discipline with at least three level 3 and above courses in mathematics and statistics. Applicants with a degree in a non-cognate discipline and at least five years' experience in a data science or data analytics role may be considered for entry.

Graduate Certificate in Data Science

Program code 7446
Duration 0.7 years (online)
Entry January, March, May, July, August and October
Estimated tuition A$22,980

Entry requirements
A bachelor degree with an average mark of 65% or above in a cognate discipline (computer science, mathematics or similar) or equivalent or a bachelor (honours) degree in any discipline with at least three level 3 and above courses in mathematics and statistics. Applicants with a degree in a non-cognate discipline and at least five years' experience in a data science or data analytics role may be considered for entry.

Biotechnology and Biomolecular Sciences

The Science Graduate Diploma (Research) aims to give you specialised knowledge and research training in disciplines within the Faculty of Science. The Biotech & Biomolecular Science specialisation provides you with the option to study courses like Marine Microbiology, Research techniques and Advanced Topics in Biotechnology and Biomolecular Sciences.

Science Graduate Diploma (Research)

Program code 5384
CRICOS code 081526K
Duration 1 year
Entry February and September (entry is dependent on the availability of a suitable academic supervisor)
Estimated tuition A$54,648

Entry requirements
To be accepted for admission into the program, students are typically expected to have a bachelor degree with a good pass in a related but not necessarily directly relevant discipline to their chosen area of study.

Applicants with substantial professional experience which demonstrates an aptitude for research or significant understanding in a discipline area will be considered for admission. These candidates will need to include a written submission with their application detailing their professional experience and its relevance to undertaking a research program, and also a statement of saw-toothed from their employer verifying the position, role and responsibilities, and duration of employment.

It is essential that you identify an appropriate academic supervisor in BASES and obtain their agreement prior to submitting an application. Once students have located a suitable supervisor, they should lodge an application.

Graduate Certificate in Data Science

Program code 7446
Duration 0.7 years (online)
Entry January, March, May, July, August and October
Estimated tuition A$22,980

Commercial Biotechnology

The online Graduate Certificate in Commercial Biotechnology is aimed at early to mid-career, science-trained professionals working in the Australian biotechnology industry. Learn how to translate intellectual property and manage the process for commercialisation and technical capabilities required to capitalise on commercialisation opportunities within the sector.

Graduate Certificate in Commercial Biotechnology

Program code 7866
Duration 2 years part-time (online)
Entry June
Estimated first year tuition A$22,328

Entry requirements
A bachelor degree in a business related field.

International students are not eligible for an Australian student visa for this program.
Marine Science and Management

Master of Marine Science and Management

Program code 9271
CRICOS code 083467F
Duration 1.7 years
Entry February and September
Estimated first year tuition A$44,640

Coastal management, marine ecology and conservation, and physical-biological oceanography and modelling are all part of the Master of Marine Science and Management. The degree is offered between UNSW and three Sydney Institute of Marine Science partner universities, taking you beyond traditional courses to address new approaches to marine science.

Entry requirements
The entry requirement for the MMarSciMgt is one of the following:
- A Bachelor of Science degree with an average mark of 65% or greater. The BSc degree may be in any discipline of Science;
- A Bachelor of Science Honours degree in any Science discipline;
- A Bachelor of Science degree with an average mark of 50-65% plus at least five year's professional experience in a relevant field of marine science or environmental science;
- Any degree with an appropriate Science major with numerical or data handling skills plus at least five year's professional experience in a relevant field of marine science or environmental science.

Materials Technology

Master of Materials Technology

Program code 9177
CRICOS code 085912A
Duration 2 years
Entry February, June and September
Estimated first year tuition A$44,640

The Master of Materials Technology (MMT) covers a broad spectrum of materials science and engineering. The program emphasises the application of the basic sciences to the understanding of the structure, properties and processing of materials. It provides a comprehensive study of the full range of materials, including ceramics, composites, metals and polymers.

Entry requirements
The minimum entry requirement for the Master of Materials Technology is one of the following:
- A three-year bachelor degree with a minimum average mark of 65%. The bachelor degree needs to be in a cognate science or engineering discipline;
- A graduate certificate or graduate diploma in the Materials Sciences with a minimum average mark of 65%, or an honours degree at a recognised university in cognate science or engineering discipline;
- A bachelor degree with a minimum average mark of 50-65% plus approximately five year's professional experience in a relevant field such as in the materials processing or testing industry.

Mathematics

Master of Financial Mathematics

Program code 8161
CRICOS code 086739M
Duration 1.7 years
Entry February
Estimated first year tuition A$44,640

Financial planning, analysing business risks and managing investment portfolios – all these disciplines rely heavily on mathematical modelling. The Master of Financial Mathematics offers high-level training in the principles of modern finance and its mathematical foundations, stochastic analysis, risk assessment and relevant computational techniques.

Entry requirements
A Bachelor of Mathematics or a Bachelor of Science with a major in mathematics or statistics, and have sufficient mathematical/statistical background, as indicated by an average of 65% or above in level III mathematics/statistics university courses.

Master of Mathematics

Program code 8719
CRICOS code 088859G
Duration 1.7 years
Entry February and September
Estimated first year tuition A$44,640

From fundamental and abstract research to specific theories supporting new scientific findings – the spectrum of mathematics is far and wide. The Master of Mathematics provides intensive, high level training in all those aspects of mathematical sciences, with a flexible structure allowing you to build a program which best suits your interests.

Entry requirements
A Bachelor of Mathematics of a Bachelor of Science with a major in mathematics or statistics, and have sufficient mathematical/statistical background, as indicated by an average of 65% or above in level III mathematics/statistics university courses.

Graduate Diploma in Mathematics and Statistics

Program code 5659
CRICOS code 028077D
Duration 1 year
Entry February and September
Estimated tuition A$44,640

Estimated first year tuition

Master of Statistics

Program code 8750
CRICOS code 081008F
Duration 1.7 years
Entry February and September
Estimated first year tuition A$44,640

A Bachelor of Mathematics of a Bachelor of Science with a major in mathematics or statistics, and have sufficient mathematical/statistical background, as indicated by an average of 65% or above in relevant level III university courses.

Entry requirements
A Bachelor of Mathematics or a Bachelor of Science with a major in mathematics or statistics, and have sufficient mathematical/statistical background, as indicated by an average of 65% or above in level III mathematics/statistics university courses.

Graduate Certificate in Mathematics and Statistics

Program code 7659
CRICOS code 056238A
Duration 0.7 years
Entry February and September
Estimated tuition A$22,320

Are you interested in a maths and stats knowledge you gained in your undergraduate studies. The Graduate Diploma in Mathematics and Statistics is a flexible program intended to provide you with a degree involving a significant quantitative component. You can sample a variety of areas for specialisation in further study.

Optometry and Vision Science

Master of Optometry

Program code 8073
CRICOS code 081122G
Duration 1.7 years
Entry February
Estimated first year tuition A$49,800

The Master of Optometry program is designed to extend students’ clinical skills, update and advance their theoretical areas of optometry and vision science. The program offers students opportunities to advance their mathematical background for further studies, the Graduate Certificate in Mathematics and Statistics is a short program aimed at deepening your knowledge from undergraduate studies.

This program does not include any clinical training and is not appropriate for people wanting to train for registration to practice as an Optometrist in Australia.

Entry requirements
Admission is limited to students with a minimum of a three-year undergraduate degree in optometry with a credit average (65% or above).

Students with an average between 60% to 65% will be considered for admission at the discretion of the Postgraduate Coordinator taking into consideration performance in Optometry courses completed in the undergraduate program.

Entry requirements
A Bachelor of Science with a major in mathematics or statistics, sufficient mathematical/statistical background, and an average above 65% in relevant level III year university courses. It is expected that successful applicants should have taken real analysis, partial differential equations, numerical methods, probability, and stochastic processes and algorithms. A formal online application must be made.
Over two years of the Master of Psychology (Forensic), you will study courses that cover psychological assessment, intervention in and applications of forensic psychology, professional and ethical practice, and law for psychologists. This program is primarily taught by the School of Psychology, with input from the School of Law.

Entry requirements
An accredited four-year, or three-year plus one year, APAC-accredited sequence in psychology, including a major research thesis, completed within the last 10 years with honours class 1 (85%) or equivalent.

Psychology qualifications from overseas must include a major research thesis/project and must be assessed by the Australian Psychological Society (APS) as comparable to a four-year APAC-accredited sequence of study in psychology completed in Australia.

Admission is based on academic merit, two referee reports, and performance at an interview. Interviews are held at UNSW in late November/early December, but may be offered remotely in limited circumstances.

Robert Molesworth
Associate Professor
b.molesworth@unsw.edu.au

Entry requirements
An appropriate four-year bachelor degree with Honours from UNSW, or a tertiary qualification at a level considered equivalent by the Faculty Higher Degree Committee.

Minimum entrance requirements for admission to UNSW Sydney also apply.

Doctor of Philosophy/Master of Psychology

Research programs

Master of Philosophy - Science

Program code 2475
CRICOS code 05992B

b.molesworth@unsw.edu.au

Entry requirements
An appropriate four-year bachelor degree with Honours from UNSW, or a tertiary qualification at a level considered equivalent by the Faculty Higher Degree Committee.

Minimum entrance requirements for admission to UNSW Sydney also apply.

Doctor of Philosophy/Master of Psychology

Research programs

Master of Philosophy - Science

Program code 2475
CRICOS code 05992B

Estimated first year tuition
A$45,600

Entry requirements
An accredited four-year, or three-year plus a fourth year, APAC-accredited sequence in psychology, including a major research thesis, completed within the last 10 years with honours class 1 (85%) or equivalent.

Psychology qualifications from overseas must include a major research thesis/project and must be assessed by the Australian Psychological Society (APS) as comparable to a four-year APAC-accredited sequence of study in psychology completed in Australia.

Admission is based on academic merit, two referee reports, and performance at an interview. Interviews are held at UNSW in late November/early December, but may be offered remotely in limited circumstances.

Robert Molesworth
Associate Professor
b.molesworth@unsw.edu.au

Entry requirements
An appropriate four-year bachelor degree with Honours from UNSW, or a tertiary qualification at a level considered equivalent by the Faculty Higher Degree Committee.

Minimum entrance requirements for admission to UNSW Sydney also apply.
Career outcomes

**Business, Humanities, and Social Sciences**
- Advocacy specialists
- Business analysts
- Communication specialists
- Community development organisers
- Criminologists
- Development specialists
- Digital media specialists
- Diplomats
- Editors
- Foreign correspondents
- Government advisors
- Journalists
- Linguists
- Management consultants
- Media advisors
- Policy analysts
- Political advisors
- Public relations consultants
- Project managers
- Public sector managers
- Publishers
- Refugee and displacement advocates
- Research consultants
- School principals

**Engineering, Information Technology, and Science**
- Cyber security specialists
- Data analysts
- Data communication developers
- Defence contractors
- Engineers
- Information security managers
- Law enforcement specialists
- Logistics managers
- Management consultants
- Marine engineers
- Network consultants
- Project management consultants
- Project managers
- Research consultants
- Systems engineers
- Space engineers
- Space systems operators
- Technology and systems managers
- Weapons engineers

---

**Global connections**
Join a network that includes some of the most influential people in Australia. Take advantage of UNSW Canberra's deep links with industry, government and a highly connected alumni network.

**Leading experts**
Our teaching academics are leading experts in their field, drawing on strong academic backgrounds with many years of experience. Many are leaders in their field, both nationally and internationally.

**Flexible learning**
UNSW Canberra offers fully online, flexible masters programs study options for our postgraduate coursework student, and excellent facilities and a supportive and stimulating environment for our postgraduate research students.
UNSW Canberra Postgraduate coursework programs

Business

Master of Business

Program code 8388
Duration 1 year (online)
Enter March and July
Estimated tuition A$39,120

The Master of Business aims to develop excellent managers for the public, private and not-for-profit sectors including defence. It provides students with an advanced understanding of the concepts and principles that underpin effective management, business decision making and leadership as well as analytical skills they can use throughout their career.

Master of Capability Management

Program code 8390
Duration 1 year (online with IDM options)
Enter March and July
Estimated tuition A$39,120

The Master of Capability Management gives students a high level of understanding of the issues associated with the development and management of capability and capability systems. It focuses on the technical and management factors that influence the design, performance, employability, logistic support and technical integrity of material systems to achieve capability requirements.

Master of Decision Analytics

Program code 8634
Duration 1 year (online and IDM)
Enter March and July
Estimated tuition A$39,120

The Master of Decision Analytics is designed for students who want to develop a high-level understanding of the principles and practices of decision analytics and to strengthen their skills in this area. The degree allows students to acquire qualitative and quantitative decision-making tools for analysing complex operations environments and making appropriate decisions within those environments.

Cyber Security

Master of Cyber Security Operations

Program code 8628
Duration 1 year (online and IDM)
Enter March and July
Estimated tuition A$39,120

The Master of Cyber Security Operations gives students a detailed understanding of the managerial and technical skills and expertise needed for the planning, operation and acquisition of the cyber security function. This degree provides principles gathered from information systems, systems engineering, computer science, network security and defence to enhance a career as a cyber security specialist.

Students can choose to complete the generalist Master of Cyber Security program or one of the following specialisations:
- Digital Forensics
- Advanced Tradecraft

Master of Cyber Security, Strategy and Diplomacy

The Master of Cyber Security, Strategy and Diplomacy provides advanced interdisciplinary study into the political, military, diplomatic and higher level management aspects of issues where cyber security, strategy and diplomacy interact. Through UNSW’s PLuS Alliance partnership, our students have access to courses at Arizona State University (ASU) in the USA and King’s College in the UK.

Master of Engineering Science

Program code 8669
Duration 1 year (online with IDM options)
Enter March and July
Estimated tuition A$39,120

The Master of Engineering Science provides the opportunity to acquire high-level understanding and advanced analytical skills in areas that span the engineering disciplines as well as project management. There is strong emphasis on extending undergraduate skills and vocational experiences to enable graduates to apply high-level understanding to real-world complex engineering problems. It is a very flexible degree where students can acquire knowledge in different areas in engineering.

Master of Systems Engineering

Program code 8667
Duration 1 year (online with IDM options)
Enter March and July
Estimated tuition A$39,120

The Master of Systems Engineering will help you develop a high-level understanding of the principles and practices of systems engineering and their implementation through the design, development and application phases. You can specialise in electronic warfare, networking, space systems, test and evaluation, weapons and ordnance, marine engineering, simulation and reliability engineering.

International students are not eligible for an Australian student visa for this program.
International students are not eligible for an Australian student visa for this program.

Logistics Management
Master of Logistics Management
Program code 8564
Duration 1 year (online)
Enter March and July
Estimated tuition A$39,120

The Master of Logistics Management covers advanced logistics planning strategies, logistics life-cycle management, inventory management, contingency forecasting, distribution and reverse logistics. It also develops students’ understanding of analytical tools and systems for information flow management, including big data analysis and business intelligence techniques.

People Management
Master of Strategic People Management
Program code 8563
Duration 1 year (online)
Enter March and July
Estimated tuition A$39,120

The Master of Strategic People Management is designed to develop middle managers, particularly in people management. This degree provides you with an understanding of systems theory and its implications for implementation. As a manager you will then be better able to interpret organisational strategy and develop appropriate, people-focused implementation plans.

Project Management
Master of Project Management
Program code 8565
Duration 1 year (online with IDM options)
Enter March and July
Estimated tuition A$39,120

The Master of Project Management provides students with an understanding of and advanced analytical skills in the key areas required to manage projects. There is a strong emphasis on extending skills and knowledge and vocational experiences to enable graduates to apply their high-level understanding to real-world problems within any industry.

Public Leadership
Master of Public Leadership and Policy
Program code 8563
Duration 1 year (online)
Enter March and July
Estimated tuition A$39,120

The Master of Public Leadership and Policy concentrates on exercising and enriching leadership in professional contexts ranging from government departments and statutory authorities, to educational bodies and training authorities, media organisations and advocacy groups. You will be able to combine courses focused on public leadership along with electives addressing broader issues related to local, national, and global policy.

Security and Defence Management
Master of Security and Defence Management
Program code 8573
Duration 1 year (online)
Enter March and July
Estimated tuition A$39,120

The Master of Security and Defence Management is designed for defence, security and foreign affairs professionals who wish to gain a more detailed understanding of the factors shaping the contemporary strategic and security environment, the complex policy challenges they present, and the skills and insights required of astute managers within this context.

Space
Master of Space Engineering
Program code 8522
Duration 1 year (online and IDM)
Enter March and July
Estimated tuition A$39,120

The Master of Space Engineering is designed for those who wish to develop a high-level understanding of the principles and practices of engineering related to space systems. You will obtain a grounding in the discipline of systems engineering, and apply that body of knowledge to space systems.

Master of Space Operations
Program code 8524
Duration 1 year (online with IDM options)
Enter March and July
Estimated tuition A$39,120

The Master of Space Operations is designed for those who wish to examine issues in space operations and aspects of space applications. This degree will allow students to develop a high level of understanding of the issues associated with the planning, operation and acquisition of space systems.

Special Operations
Master of Special Operations and Irregular Warfare
Program code 8532
Duration 1 year (online)
Enter March and July
Estimated tuition A$39,120

The Master of Special Operations and Irregular Warfare is aimed at military personnel and those in the security policy community, including security contractors, who would benefit from a better understanding of special operations as a military instrument. This is the only degree of its kind in Australia, and is developed by Special Operations Command personnel in conjunction with UNSW academics.

Strategy and Security
Master of Strategy and Security
Program code 8572
Duration 1 year (online)
Enter March and July
Estimated tuition A$39,120

The Master of Strategy and Security is designed for postgraduate scholars and foreign affairs, security and defence professionals who want to gain a deeper and more advanced understanding of the factors shaping the global and Asia-Pacific security and strategic environments, as well as the complex policy challenges presented by the Australian government’s new security agenda.

War Studies
Master of War Studies
Program code 8571
Duration 1 year (online)
Enter March and July
Estimated tuition A$39,120

The Master of War Studies is an interdisciplinary degree focused on war and its effects. It is built around a central core of subjects in military history, with additional options addressing topics in strategy, international relations, security and literature. It hones analytical and interpretive skills within a wide range of military-related courses.

Sustainment Management
Master of Sustainment Management
Program code 8566
Duration 1 year (online)
Enter March and July
Estimated tuition A$39,120

The Master of Sustainment Management provides students with an opportunity to develop a detailed understanding of the managerial and technical skills and expertise relevant to planning, acquisition and sustainment of complex technology and systems over their life cycles. You will also develop ability to procure capability according to organisational strategy and to develop appropriate implementation and sustainable plans.
UNSW Canberra Higher Degree Research Programs

Research programs

Master of Arts by Research
Program code 2406
CRICOS code 08577QG
Duration 1.5 - 2 years
Entry February, June and September
Estimated first year tuition A$36,960

Entry requirements
• An appropriate four-year UNSW Bachelor degree with lower second honours or higher; or
• An equivalent qualification from a tertiary institution; and
• A completed Masters by Research from UNSW with a substantial research component and demonstrated capacity for timely completion of a high quality research thesis; or
• An equivalent qualification from a tertiary institution as determined by the Faculty Higher Degree Committee (HDC).

Master of Business by Research
Program code 2223
CRICOS code 093557Q
Duration 1.5 - 2 years
Entry February, June and September
Estimated first year tuition A$36,960

Master of Engineering by Research
Duration 1.5 - 2 years
Entry February, June and September
Estimated first year tuition A$36,960

Entry requirements
• An appropriate four-year UNSW Bachelor degree with lower second honours or higher; or
• An equivalent qualification from a tertiary institution, as determined by the Faculty Higher Degree Committee (HDC).

Master of Science by Research

Entry requirements
• An appropriate four-year UNSW Bachelor degree with lower second honours or higher; or
• An equivalent qualification from a tertiary institution, as determined by the Faculty Higher Degree Committee (HDC).

Master of Philosophy
Duration 1.5 - 2 years
Entry February, June and September
Estimated first year tuition A$36,960

Entry requirements
• An appropriate four-year UNSW Bachelor degree with lower second honours or higher; or
• An equivalent qualification from a tertiary institution, as determined by the Faculty Higher Degree Committee (HDC).

Professional Doctorate - Information Technology
Program code 1743
CRICOS code 885706K
Duration 3 - 4 years
Entry February, June and September
Estimated first year tuition A$36,960

Entry requirements
• An appropriate UNSW Bachelor degree or an equivalent qualification from another tertiary institution; and
• Completion of qualifying program (Masters with discipline specific) to an approved standard (Distinction average or better); and
• Professional experience.

Professional Doctorate - Philosophy
Duration 3 - 4 years
Entry February, June and September
Estimated first year tuition A$36,960

Entry requirements
• An appropriate UNSW Bachelor degree with upper second class Honours; or
• A completed Masters by Research from UNSW with a substantial research component and demonstrated capacity for timely completion of a high quality research thesis; or
• An equivalent qualification from a tertiary institution as determined by the Faculty Higher Degree Committee (HDC).

The Graduate Research School Admissions and Scholarships team provides advice and support to all applicants for admission to a UNSW Higher Degree Research program or scholarship. To go to page 104 for further information or contact us on intenqgrs@unsw.edu.au.
Applying is easy.

Step 1
Choose your program
Choose your program at international.unsw.edu.au or from UNSW’s International Student Guide and make a note of the program code.

Step 2
Check your entry requirements
You need to satisfy your chosen program’s entry requirements (see from page 40 for the requirements specific to your program). You also need to satisfy UNSW’s English language requirements (see page 104 and visit unsw.edu.au/elp).

Step 3
Submit your application online
Submit your application at UNSW Apply Online apply.unsw.edu.au. Click ‘Register now’ and fill out your details. Upload your supporting documents and pay your application fee.

Step 4
Track your application
Once you have submitted your application you will be able to easily track its progress via your Apply Online account. You will also be able to upload any additional documents we need.

Once you have provided all the necessary documentation, it should take two to three weeks for UNSW to assess your application.

Step 5
We will send you a letter of offer
We will notify you of the outcome of your application via email. If your application is successful, you will receive a full offer, or a conditional offer if more steps are required. If you are receiving assistance with your application, your nominated agent will also receive a copy of the email.

Step 6
Accept your offer
If you receive a full offer, you will also receive an email with a link to your personalised offer page. Your page will guide you through the process of accepting or deferring your offer. Once you have accepted and paid your deposit, you will receive an electronic confirmation of enrolment (eCoE).

Step 7
Enrol online
Once enrolment for your degree is available, you can enrol in your degree and courses online at Accept Online acceptonline.unsw.edu.au.

Need help?
If you have any questions regarding your application, go to enquiry.unsw.edu.au.

Other ways to apply
You can also apply to UNSW at a conference or event where we are present, or through a UNSW agent located in your country. Find out more at international.unsw.edu.au.

Application deadline
We encourage you to submit your completed application as early as possible to ensure it will be processed in time for your preferred term. Some high-demand programs, such as Engineering and faculties with limited places such as Medicine, may have an earlier application deadline or may have an earlier commencement date.

For more information go to applyonline.unsw.edu.au.

## Coursework scholarships.

**For the best of the best.**

A wide range of scholarships are available for international students.

**UNSW postgraduate coursework scholarships**

UNSW scholarships for international students provide financial support to cover some of the costs associated with studying at Australia's global university. Scholarships recognise students who demonstrate academic achievement or other outstanding qualities such as leadership skills or contributions to the wider community.

To be considered for a scholarship, you must submit a separate application in addition to your admission application for UNSW.

**Other scholarship providers**

There are many scholarships offered by organisations other than UNSW including the Australian government, industry partners, and organisations in your home country.

**Australian government scholarships**

Australia Awards are international scholarships and fellowships funded by the Australian government offering the next generation of global leaders an opportunity to undertake study, research, and professional development. For more information, go to [australiaawards.gov.au](http://australiaawards.gov.au).

Please check our website regularly for any new scholarships that may become available.

For more information about UNSW Scholarships go to: [scholarships.unsw.edu.au](https://scholarships.unsw.edu.au).

---

**Step 1 Search**

Visit [scholarships.unsw.edu.au](http://scholarships.unsw.edu.au). Make sure you select 'International' in the Residency search box to see the list of scholarships available to you.

**Step 2 Register**

Before applying for your chosen scholarship, first register an account by following the instructions on the page. You need to have lodged an application for admission at UNSW to be able to register and apply for a scholarship.

**Step 3 Apply**

To apply, log in using your registered login and password. Double-check the requirements as some scholarships may have specific questions or require supporting documentation.

**Step 4 Submit**

Submit your application by the due date. Don’t forget to check the website regularly for application deadlines and updates.
Higher Degree Research

UNSW is one of the world’s leading research universities, known for innovative, pioneering research that has global impact.

By enrolling in a UNSW Higher Degree Research program, you will join a vibrant community conducting world-changing research, and you will be supervised by leading experts in your field.

You will live and work like a career researcher at every stage of your degree. You can publish, teach or travel; network with or be mentored by high achievers in your field; and build the skills, expertise and networks you need to succeed in the future.

Why UNSW?
UNSW prepares you for a research career, not just a degree. When you join UNSW, you become an essential part of the research community and play a vital role in the University’s research culture, output and performance.

Our world class researchers are pioneers in both established and emerging fields who solve complex problems and tackle some of the major challenges of our time. They will mentor and guide you to conduct innovative research in an environment of excellence.

UNSW Sydney’s research facilities are some of the best in the business. From the world-leading Lowy Cancer Research Centre to the Mark Wainwright Analytical Centre, we invest in the latest technologies, spaces and equipment to support research excellence across all disciplines.

Through industry engagement, UNSW’s Higher Degree Researchers have the opportunity to translate their research in collaboration with a range of industry partners. The partners include small to medium sized enterprises, entrepreneurs, investors, policy makers, community, and non-government organisations.

The Graduate Research School delivers high quality, professional and engaged services to support Higher Degree Research candidates and the research training leaders who work with them.

Eligibility
Once you have decided to apply for a Higher Degree Research program, you must determine whether you are eligible for admission before submitting an application.

Use the UNSW HDR Self-Assessment Tool to determine your eligibility and your competitiveness for a scholarship at selfassessment.research.unsw.edu.au.

If your results indicate that you are eligible for admission and/or competitive for a scholarship, you will need to submit an application to be formally assessed by the University.

Applying is easy.

Step 1
Check your eligibility and complete the HDR self-assessment at selfassessment.research.unsw.edu.au.

Step 2
Choose a research area by investigating the research activities and projects already being undertaken at UNSW, and identify a faculty or school that aligns with your area of interest.

Visit research.unsw.edu.au/finding-supervisor.

Step 3
Find a supervisor working in your research area and get in touch with them to gain their agreement to supervise you. Please note, some faculties require an Expression of Interest instead. Please check specific requirements at research.unsw.edu.au/finding-supervisor.

Step 4
Work with your supervisor to develop a description of your research interests, which should be approximately one page in length and outline how you plan to address a specific problem.

Step 5
Prepare your supporting documents – supervisor’s agreement, research proposal, resume, academic transcripts, financial declaration and proof of English – ready for submission.

Visit research.unsw.edu.au/submit-application.

Step 6
Submit your application online and apply for any relevant scholarship at the same time.

Visit applyonline.unsw.edu.au.

**Research scholarships.**

A wide range of scholarships are available for international students.

**Scholarships**

UNSW offers a wide range of prestigious scholarships. The scholarships provide benefits such as annual living stipends and tuition fee cover, as well as funding and supplements for travel.

**Eligibility**

Full scholarships are only available to applicants who hold a four-year bachelor degree with Honours Class 1 from an Australian institution, or an equivalent research qualification / experience. This qualification must be in a field relevant to your area of research.

**Apply**

You can apply for a scholarship within your online research degree application.

**Available scholarships**

- The UNSW scholarships available to international students are:

  **Australian Government Research Training Program (RTP) International Scholarship**
  - Based on outstanding academic merit and research potential, these awards provide successful applicants undertaking a PhD or research masters with a tax-exempt living stipend in addition to covering tuition fees for 3.5 (for PhD) or 2 (for masters) years. The RTP also provides some additional allowances.

  **University International Postgraduate Award (UIPA)**
  - Based on outstanding academic merit and research potential, these awards provide successful applicants undertaking a PhD or research masters with a tax-exempt living stipend in addition to covering tuition fees for 3.5 (for PhD) or 2 (for masters) years. The UIPA also provides some additional allowances.

  **Scholarships**
  - Available scholarships
  - [Visit research.unsw.edu.au/unsw-home-country-joint-scholarships](https://www.research.unsw.edu.au/unsw-home-country-joint-scholarships) for more information.

**UNSW Scientia PhD Scholarship scheme**

These prestigious scholarships are based on research merit, research potential, global impact and social engagement, and potential for career development. These awards provide successful applicants undertaking a PhD with a tax-exempt living allowance and an annual development support package, in addition to covering tuition fees for 4 years.

**Tuition Fee Scholarship (TFS) plus a Research Stipend**

Based on outstanding academic merit and research potential, these awards provide successful applicants undertaking a PhD or research masters with a tax-exempt living stipend provided by the faculty, school or supervisor, in addition to covering tuition fees for 3.5 (for PhD) or 2 (for masters) years.

**UNSW and home country joint scholarships**

Available to students from China, Pakistan and Chile. Visit [research.unsw.edu.au/unsw-home-country-joint-scholarships](https://www.research.unsw.edu.au/unsw-home-country-joint-scholarships) for more information.

**UNSW Scientia PhD Scholarship scheme**

UNSW English Pathways

What is an English pathway?
UNSW Global’s English pathway courses are designed to help you improve your skills so you can meet the UNSW English language entry requirements. They also prepare you for success at university and in your global career.

If you want to study an academic pathway program, or an undergraduate or postgraduate degree, there’s an English pathway for you.

Why Study an English Pathway at UNSW Global?
• Study at Australia’s first university languages centre
• Learn from 50 years of experience in language teaching
• Join over 4,000 students who study the courses each year
• Access world-class university facilities and social surroundings and study at UNSW Sydney campuses

Depending on your current level of English, there are different English pathway courses available to you.

Why study the University English Entry Course (UEEC)?
• Improve your academic English language, literacy and digital skills, giving you a strong head start at UNSW.
• Get direct entry to UNSW – 90% of UEEC graduates progress to UNSW.
• Prepare for university with UEEC - gain a range of learning skills, research and writing processes, access academic information and UNSW’s learning resources.
• Explore a wide range of global topics and issues through lessons and tasks that are based on authentic university lectures and readings.
• Develop collaborative and independent learning skills through hands-on, supportive lessons.
• Receive individual feedback every week, so you know exactly what to practise and how to improve.
• Build your confidence and practise communication for real university situations while you get to know UNSW.

For more information, visit unswglobal.unsw.edu.au/ueec

Tertiary Orientation Program
If you have a full offer from UNSW and an IELTS 6.5 or equivalent, UNSW Global’s Tertiary Orientation Program (TOP) will help you prepare for Australian university culture, understand requirements and develop academic English skills to maximise your success. This 5-week course will develop your academic communication and literacy skills and improve your cultural awareness.

Why study the Tertiary Orientation Program?
• Develop and present strong academic arguments on issues in your field of study.
• Develop skills to manage university assignments, and learn to use academic search tools and UNSW learning resources.
• Prepare for university by developing your listening skills, and improving the fluency and speed of your reading.
• Become an independent learner and build your confidence through a range of communication activities.

For more information, visit unswglobal.unsw.edu.au/top

In addition to English language courses we provide English language testing, teacher training and courses in a variety of other languages.

For more information, visit unswglobal.unsw.edu.au/english-language-courses

* Indicative fee only.

Because each student’s study choices are different, it is impossible to provide a definitive cost of studying at UNSW. Here are a few things to consider when calculating your expected fees.

### Fees are course-based

Fees for international students are set according to the course (subject) and not the program. The fees reflect the relative cost of delivering the course and are calculated per unit of credit (UOC). For example, a science course is likely to cost more than an arts course. Therefore, your total tuition fees will vary depending on which courses you choose.

### Fees vary each year

Fees for programs change from year-to-year. The tuition fees above are for students in 2020. The fees for 2021 are indicative only; these fees may change during the program. Actual fees for 2021 will be released in late 2020. For more information, visit student.unsw.edu.au/fees.

### Fees are charged based on the year of commencement

For example, if you start in Term 3 (September) 2020, the fees for the first term will be calculated at 2020 rates. Your second term will be calculated at 2021 rates. If you are required to complete a course again, you will be charged at the rate applicable to the year you re-take the course.

### Estimating your tuition fees

Estimates for each program are outlined in the faculties and postgraduate programs section, starting from page 40. You can also calculate your own expected fees by referring to the table above.

*Indicative fee only.

Coursework program fees
A coursework masters program will require 48 units of credit (UOC) per year, a graduate diploma will require 36 or 48 UOC per year, while a graduate certificate requires 24 UOC. Most courses (subjects) are 6 UOC.

A typical postgraduate program will include courses from within the faculty offering the degree. However, if you do choose courses from outside your faculty, they will be charged at the rate set by that faculty. As an example, the course Environmental Impact Assessment will be calculated using the Faculty of Science rate, which is A$930 per UOC in 2020.

Research program fees
The tuition fees listed for research programs are for a standard full-time year of study, which is 48 UOC per year.

Some research degrees combine coursework with research. In this case, your research tuition fee covers the cost of these courses and you are not required to pay an additional fee.

Graduate diplomas by research are not classified as research degrees and fees are calculated using the value of individual courses undertaken.

Other study-related costs
Some programs and courses have costs which are additional to the tuition fees, such as costs relating to laboratory kits, equipment, and field trips. Textbooks are not considered compulsory, but we recommend budgeting around A$1,000 per year for books.

An estimate of your total costs (tuition and other study-related costs) will be shown on your Confirmation of Enrolment Form (CoE) that will be issued on acceptance of an offer of admission to UNSW.

Living costs
Living costs vary depending on each student’s requirements. We estimate a single international student will need a minimum A$22,000 per year to cover general living expenses. This does not include the costs of large non-essential items like electrical equipment or a car. In addition, you will need at least A$2,000 when you arrive in Sydney to cover initial expenses such as a rental bond payment (security deposit), electricity, gas, and telephone connection fees, and basic furniture and household items.

For more information, visit study.unsw.edu.au/global/live-in-australia/living-costs

Overseas student health cover
If you are in Australia on a student visa you will need to pay for health insurance through the Overseas Student Health Cover (OSHC) scheme and maintain insurance for the duration of your visa.

All international students must be covered by health insurance from the date they arrive in Australia until the date they depart, regardless of when they start or complete their program. It is your responsibility to ensure your health insurance policy matches your arrival and departure dates.

The only exception is for students from Belgium, Norway, and Sweden who are covered by CSN or Kammarkollegiet. These students will need to provide proof of official health insurance cover from their home government provider.

There are five registered providers of OSHC
The five registered providers are Medibank Private (UNSW’s preferred overseas student health cover provider), Allianz Global Assistance, BUPA Australia, NIB Health Funds Ltd and Australian Health Management.

Medibank OSHC will pay benefits towards your medical and hospital treatment, medically necessary ambulance transport, and most prescription medicines. Be aware that there may be some exclusions for pre-existing conditions, and you may have to serve a waiting period to receive some services.

Some services are not covered by Medibank’s policies. These include optical, physiotherapy, dental, and some pharmaceuticals. If you want to be covered for these expenses, you will need to take out additional insurance.

US financial aid
We are authorised by the US Department of Education to administer Federal Direct Loans for eligible US students studying at UNSW. If you are eligible for this support, the UNSW Financial Aid Office will be able to help you with your application.

For more information, visit international.unsw.edu.au/for-us-students

International student loans
If you are from Canada, Sweden, Norway, Denmark, or the UK and have applied for a student loan or a grant from your home country, we can help you certify your enrolment at UNSW.

Please send the Certification Form to financialaid@unsw.edu.au

For more information, visit international.unsw.edu.au/financial-aid

---

**Important information about Online/Distance Learning for Student Visa Holders & US Federal Direct Loan recipients:**

UNSW prides itself on being able to offer you flexible study options when you plan your course enrolment. Your student visa, however, places certain limitations on the total number of Units of Credit (UOC) you can undertake online or by distance during your program and during each compulsory study period:

- ≤67% or more of your total program must be completed in a face-to-face setting
- You must enrol in at least one face-to-face course in each compulsory study period

If you are a US citizen or eligible permanent resident and are planning on using US Federal Direct Loans, you cannot undertake any online or distance courses to remain eligible for federal student aid.

---

**CRICOS Provider Code: 00098G  |  ABN: 57 195 873 179  |  UNSW Sydney March 2020**
We look forward to welcoming you.

Held just before the start of term, Orientation Week (or O-week as it is often known) is a great time to learn more about life on campus and make new friends. It’s jam-packed with activities and workshops to get you ready for life at UNSW.

You can take a tour of the campus, get involved in clubs, register for social sport and find out all about the opportunities available to you as a UNSW student.

So make sure you get along to O-Week to get yourself set up and ready to go on the first day of term.

Find out what it’s all about at arc.unsw.edu.au/o-week

Campus tours

Run all year round, our campus tours are guided by experienced Student Ambassadors who will give you a first-hand insight into the student experience at UNSW. To view our upcoming tour dates and register your attendance, visit unsw.to/campus-tours
