International Study Abroad and Exchange

Study in the heart of Sydney

Photo: Destination NSW
Welcome

I’m pleased to introduce you to UTS’s Study Abroad and Exchange programs. Our programs offer you a unique opportunity to experience everything UTS has to offer in one or two teaching sessions.

UTS’s vision is to be a leading public university of technology recognised for our global impact. We’re pleased to see that the excellence we strive towards is recognised worldwide. We’re ranked first in Australia and eleventh globally in the world’s top 50 young universities (QS Top 50 Under 50 2020), and in the top 150 universities worldwide (QS World University Rankings 2020).

As a young university, we dare to think differently. We believe that you’ll need to be adaptive and open-minded to succeed in our rapidly changing world – and we’ll prepare you for that. Our dynamic campus of the future, with its tech-driven, collaborative spaces, will inspire you to learn, while our teaching style places you at the centre of learning.

Our location in the heart of Sydney is also why more than 1000 study abroad and exchange students come to study at UTS each year. And not just for the beaches and Opera House. UTS is at the centre of Sydney’s creative and digital precinct, so you’ll have every opportunity to develop your entrepreneurial mindset.

As you read through this guide, you’ll find numerous other reasons why you should choose our world-class education in the heart of one of the world’s great global cities.

I look forward to seeing you on campus.

Iain Watt
Deputy Vice-Chancellor and Vice-President (International)
Why UTS?

Imagine. One or two semesters of exceptional education in the heart of Sydney with great weather, beautiful beaches, and endless opportunities and adventure. Sounds good, right?

Welcome to UTS!

Each year we welcome more than 1000 study abroad and exchange students from around the world, just like you. With around 45,900 students from 120 different countries, UTS is an exciting place to be!

AUSTRALIA’S TOP YOUNG UNI
We’re young and think differently. We take a global approach to education that has innovation at its core. What’s more, we’re a university for the real world. All our courses are closely aligned with industry need, so what you learn will prepare you for your future career.

LEARNING WITH YOU AT THE CENTRE
Your learning experience at UTS may be different to that at your own institution. This is because we have flipped the way you learn on its head. No more one-directional lectures or teacher-knows-all, but an approach that puts you at the centre of your learning experience.

We do this through collaborative projects, real-life case studies, and the integration of technology into everyday teaching. UTS’s model of learning is award-winning. We hope that it will excite you and leave you equipped for a life full of ongoing learning and development.

AREAS OF STUDY
We offer study abroad and exchange subjects for undergraduate and postgraduate level students in the following faculties:

- Arts and Social Sciences (Communication; Education; International Studies)
- Business
- Design, Architecture and Building
- Engineering and Information Technology
- Health
- Law
- Science and Mathematics
- Transdisciplinary Innovation

Note: UTS cannot guarantee that all subjects and study areas will be available for study abroad and exchange students. To ensure your study area is available, check the UTS Study Abroad and Exchange Subject Guides for more information: uts.edu.au/study-abroad-subjects

Each year we welcome more than 1000 study abroad and exchange students from around the world, just like you. With around 45,900 students from 120 different countries, UTS is an exciting place to be!

Sydney enjoys a sunny climate with mild winters and warm summers. During summer (December – February) average temperatures range from 19 - 26°C (65 - 78°F). During winter (June – August) average temperatures drop to between 9-17°C (48 - 63°F). There’s an average of 243 sunny days recorded every year.

Your program options

We offer a variety of study abroad and exchange options ranging from full-time English language courses through to coursework programs of one or two teaching sessions and up to four teaching sessions for postgraduate research.

Whether you're interested in enrolling in standard classes, conducting research or improving your English, you'll find a program to suit your needs.

OPTION 1
STUDENT EXCHANGE
- open to eligible students who are enrolled at an official UTS exchange partner institution (see page 34–36 for a list of our exchange partners)
- enrol in full-time studies and gain credit at UTS for one or two teaching sessions with the approval of your home university
- you are not required to pay tuition fees to UTS, but may still have to pay regular fees at your home university
- discuss your study plan with your home university academic adviser and our team will be happy to assist you with the subject approval process
- once your home institution has approved your exchange, they will submit your details to UTS, and you will then be invited to apply online.

OPTION 2
STUDY ABROAD 24
- open to students from any recognised university, or high school (conditions apply)
- enrol in full-time studies and gain credit at UTS for one or two teaching sessions with the approval of your home university or study at UTS for your personal interest
- discuss your study plan with your home university academic adviser, if required, and our team will be happy to assist you with the subject approval process
- pay the UTS Study Abroad tuition fee
- apply to UTS directly or through one of our official student recruitment agents, partner universities or a UTS representative in your home country
- you may be eligible for a UTS scholarship, award or grant. Check the website for details: uts.edu.au/saex-entry-req-costs

OPTION 3
STUDY ABROAD 18
- Study Abroad 18 offers you the chance to study a reduced number of credit points (18 per teaching session rather than the usual 24) and pay a lower tuition fee. The application steps are the same as for Study Abroad 24 (Option 2)
- you may be eligible for a UTS scholarship, award or grant. Check the website for details: uts.edu.au/saex-entry-req-costs

OPTION 4
AUSTRALIAN LANGUAGE AND CULTURE STUDIES
- open to students who do not meet the required English language level to enrol in other UTS study abroad and exchange programs*
- allows you to complete full-time studies to develop your English language skills through the study of Australian language, society and culture
- enrol in full-time studies at UTS for one or two teaching sessions with the approval of your home institution
- taught on campus by UTS faculty staff
- students who enrol in this program for two teaching sessions may choose to take an ELTS test at the end of their first session to see if they are eligible to transfer into a different study abroad or exchange option for their second session

OPTION 5
VISITING RESEARCH STUDENTS PROGRAM
- open to all graduate level research students enrolled in a master’s by research degree or PhD at any recognised university or college
- you can apply to undertake supervised research at UTS for one to four teaching sessions, with the approval of your home institution
- you are required to pay a flat fee to UTS to cover the cost of supervision and tuition
- discuss your research plans with your home university supervisor
- you should then make contact with an appropriate supervisor at UTS

* The minimum English proficiency requirement for the Australian Language and Culture Program is ELTS 5.0 (all bands) or IELTS Internet Based Test 35 and above with a writing score of at least 17.

For information on fees, entry requirements and how to apply, see pages 32–33.
**Arts and Social Sciences**

We have achieved so much. Self-learning robots, the 24-hour economy, the Internet of Things. But what about our human skills at the basic level? There’s still much room for improvement. Educators, communicators, and inter-cultural interpreters are needed more than ever.

Our School of Communication and School of International Studies and Education offer a diverse range of subjects. Besides the subjects that you would expect in these study areas, we also offer Social and Political Sciences, Music and Sound Design, Cultural and Global Studies, History, and Sociology.

Whatever your passion may be, UTS will help you develop critical thinking and practical skills with an international perspective. So you’ll learn what is needed to impact our collective future.

Our vision of communication is also highly regarded in international rankings. UTS is ranked in the top 100 for ‘Communication’ in the QS World University Rankings by Subject 2019.

**STUDY AREAS**
- Aboriginal Studies
- Advertising
- Applied Linguistics
- Contemporary studies of Canada (Quebec), China, France, Germany, Italy, Japan, Latin(A) Americas, Spain and Switzerland
- Creative Writing
- Digital and Social Media
- Gender Studies
- Globalisation
- Information Design
- International Studies
- Journalism
- Language and Culture - Chinese, French, German, Italian, Japanese and Spanish
- Learning and Leadership
- Media Studies
- Music and Sound Design
- Primary Education
- Public Relations
- Screen Studies
- Secondary Education
- Social and Political Sciences
- Teaching English as a Second Language (TESOL)
- Video Production

---

**UTS Business School**

At UTS we like to get down to business. This not only means offering you a world-class business education that is recognised globally. It also means you will learn in award-winning facilities in the heart of Australia’s most prominent business, technology and creative precinct.

That’s how we do business at UTS! The UTS Business School is one of a select number of business schools worldwide accredited by the Association to Advance Collegiate Schools of Business (AACSB). It is also ranked in the top 100 in the world for ‘Accounting & Finance’, and in the top 150 for ‘Business’ and ‘Economics’ in the QS World University Rankings by Subject 2019.

We are ready for the future of thinking in the business world. Are you?

**STUDY AREAS**
- Accounting
- Economics
- Events Management
- Finance
- Financial Services
- Human Resource Management
- International Business
- Management
- Marketing
- Marketing Communications
- Sport Business
- Tourism Management

Design, Architecture and Building

Life is all about perspective. And so is our Faculty of Design, Architecture and Building. Whether you like to create, animate, build or photograph, our academics will provide you with an international perspective and share what they’ve experienced at organisations like Google and Westfield.

Unleash your creativity. Our state-of-the-art facilities and collaborative approach will help you to get the best out of you.

With the right design and architecture, we’ve built a globally recognised school that ranks 23rd in the world for ‘Art and Design’ in the QS World University Rankings by Subject 2019.

STUDY AREAS
- Animation*
- Architecture
- Construction Project Management
- Fashion and Textile Design
- Integrated Product Design
- Interior and Spatial Design
- Landscape Architecture
- Photography and Situated Media
- Property Economics
- Visual Communications (Graphic Design)

MASTER’S LEVEL COURSES
- Architecture
- Design
- Planning
- Project Management**
- Property Development
- Real Estate Investment
* Restrictions may apply
** Work experience requirements apply

“Out our tutors and lecturers have a lot of industry experience because they’re in the field, working. We can get a lot of up-to-date knowledge about how the industry works. It’s not just theoretical for them.”

HERLIN
Home Country: Indonesia
Studied: Architecture

Engineering

Part of the Faculty of Engineering and Information Technology

Look around you. Almost everywhere you look, you see objects that have been engineered. From the historic to the hi-tech, engineers have defined our world today and they will unquestionably impact our future.

Study Engineering at UTS and become someone who can influence the world around us. Whether biomedical, environmental or mechanical engineering is your field, our state-of-the-art labs, studios and 3D data arena are designed to help you develop your future self.

Our practical approach to engineering is also highly regarded in international rankings. We rank in the top 100 for ‘Civil Engineering’ and ‘Electrical Engineering’ in the QS World University Rankings by Subject 2019.

STUDY AREAS
- Biomedical
- Civil
- Civil and Environmental
- Computer Systems
- Construction
- Cyber Security
- Data
- Electrical
- Environmental
- Mechanical
- Mechatronics
- Software
- Structural
- Telecommunications

“I got to program and interact with robots; that was amazing and a lot of fun. I’ve never been exposed to any high level technologies like that before. I felt happy that I got the opportunity to do so here at UTS.”

VILIMIR YORDANOV
Home Country: Bulgaria
Studied: Mechanical Engineering

Health

Good health is no longer just a matter of strong genes or fortune. Health is a science and our knowledge of the human body continues to grow.

As a Health student at UTS you’ll be part of this development. Our globally relevant education is an excellent mix of practice and theory, and will prepare you for the health care systems of today and tomorrow. So you can contribute to a healthier world.

Our excellent reputation is also reflected worldwide. We’re proud to say that we are ranked 10th in the world and 1st in Australia for ‘Nursing’ and 24th in the world for ‘Sports-related Subjects’ in the QS World University Rankings by Subject 2019.

“UTS has opened a door to supplement my knowledge as a professional in engineering. I have developed a deep set of skills in different IT management fields while improving my ability to communicate with and relate to others.”

DIANA MARCELA ARIZA ORDUZ
Home Country: Colombia
Studied: Information Technology

Google, Facebook, Amazon, Alibaba... Name a world-renowned company that has been founded in the last two decades and you can be sure that IT professionals made this possible.

Although IT has already made its mark in the world, IT professionals always want to be ahead of their game. And so does UTS. Our ambition has made us a leader in robotics and Artificial Intelligence education. We’ve also built state-of-the-art facilities, including a 3D data visualisation arena and Software Development Studio, which will give you the drive you need to stay ahead.

Our mark is also reflected in the QS World University Rankings 2019, as we are ranked in the top 100 for ‘Computer Science’.

Our world is growing in complexity each day. Borders are fading; the internet violates intellectual property, and bank transactions use puzzling mechanisms. Knowledge of our laws is needed more than ever. At UTS you’ll learn about the law from those in the know. Our internationally recognised academics will teach you the reality of legal practice, while our mentoring programs, designed to support the needs of international law students, will help you connect to your peers and improve your study skills. We know that reputation is very important in law, so we’re proud to be ranked top 100 in the world in the QS World University Rankings by Subject 2019.

“Imagine working in a Super Lab. You’re surrounded by more than 200 students who are running all kinds of different experiments at the same time. It’s every scientist’s dream, right?”

At UTS our science facilities aren’t limited to having a Super Lab — the first of its kind in Australia. Forensic science students can study in a unique Crime Scene Simulation Lab, while our researchers use the world’s first super microscope to study the cell biology of living microorganisms at super-resolution. But state-of-the-art facilities are just the beginning. Our internationally recognised academics will help you make the most of these.

“In tutorials we are led through working groups that teach you collaborative skills. It’s essential to have those skills before getting into practice, because you’re never going to be working on your own. The Law Building is also a particularly good facility for late night studies, because you have access to those rooms at any time you wish; it’s open 24/7.”

“UTS’s School of Life Sciences also offers pre and post-session study abroad options, including extensive field trip opportunities across Australia’s diverse ecology and landscapes. For more information, visit studyabroad-exchange.uts.edu.au”

Transdisciplinary Innovation

Futurists predict that 50 per cent of the jobs in 2030 don’t exist yet. Don’t be alarmed! Our new Faculty of Transdisciplinary Innovation (FTDI) offers you degrees at the intersection of technology, creativity and innovation. Just like industry demands.

Designed for radical and curious thinkers, our courses will push the boundaries of your creative transdisciplinary thinking. You will advance learning beyond the traditions of the disciplines and explore how you can work to create new solutions for a future world.

FTDI courses at UTS will help you become a lifelong innovator, entrepreneur, creative practitioner, technology thinker and change-maker. Prepare yourself and start thinking differently today.

STUDY AREAS
– Creative Intelligence and Innovation
– Technology and Innovation

Designed for radical and curious thinkers, our courses will push the boundaries of your creative transdisciplinary thinking. You will advance learning beyond the traditions of the disciplines and explore how you can work to create new solutions for a future world.

FTDI courses at UTS will help you become a lifelong innovator, entrepreneur, creative practitioner, technology thinker and change-maker. Prepare yourself and start thinking differently today.”

Australian Language and Culture Studies

The world is becoming increasingly connected. Argentinian YouTube movies are liked in Russia, people in Thailand know Ariana Grande’s songs by heart, while here in Australia, we watch Britain’s Got Talent!

As world citizens, a good understanding of the English language is vital. At UTS we offer you the opportunity to develop your English language skills and learn about our beautiful country at the same time.

The Australian Language and Culture Studies (ALACS) program at UTS is the ideal program to master your English and enhance your knowledge of Australia. The program consists of 3 subjects per teaching session.

Even better, once you’ve improved your language skills in class, you can take an IELTS test (English language test) at UTS. If your test results meet the UTS English Proficiency Requirements, you can transfer into other study abroad or exchange programs the following session.

“Futurists predict that 50 per cent of the jobs in 2030 don’t exist yet. Don’t be alarmed! Our new Faculty of Transdisciplinary Innovation (FTDI) offers you degrees at the intersection of technology, creativity and innovation. Just like industry demands. Designed for radical and curious thinkers, our courses will push the boundaries of your creative transdisciplinary thinking. You will advance learning beyond the traditions of the disciplines and explore how you can work to create new solutions for a future world.

FTDI courses at UTS will help you become a lifelong innovator, entrepreneur, creative practitioner, technology thinker and change-maker. Prepare yourself and start thinking differently today.”

Visiting research students program

uts.edu.au/research

At UTS, our research answers the big questions. Our growing reputation for future-focused research in emerging disciplines is focused on five theme areas:

- health
- data science
- sustainability
- future work and industry
- social futures

From questions of technological disruption to the future of health care, big data and new ways of working, we’re delivering real solutions to the challenges of today – and tomorrow. We’re collaborative too – we work closely with industry and academic partners across the globe to drive meaningful change in the world around us.

Our visiting research students program facilitates the sharing of knowledge. This would normally be for one teaching session, but you can come for up to four sessions (two years). Make sure you get approval from your home institution – where you are enrolled in your PhD or Masters by Research degree – so the sessions completed at UTS will contribute to your home degree.

Please contact the UTS Graduate Research School for assistance and further details.

uts.edu.au/contact-grs

“Doing research at UTS is a great opportunity to join a big and growing research community with access to a lot of resources. UTS has very modern facilities and can rely on an excellent contact network.”

#1 in Australia for research with scientific impact 2019 CWTS LEIDEN RANKING

Find out which courses you can take: uts.edu.au/study-abroad-subjects

Photo: Kwa Nguyen
Choosing your subjects

As a study abroad or exchange student, you can choose from hundreds of subjects across a range of study areas. These three steps will help you select your subjects before you apply to UTS.

STEP 1. DOWNLOAD STUDY ABROAD AND EXCHANGE SUBJECT GUIDES
Download our Study Abroad and Exchange Subject Guides from our website. The guides highlight popular and recommended subjects we offer in:
- Arts & Social Sciences
- Business
- Design, Architecture & Building
- Engineering & Information Technology
- Health
- Law
- Science and Mathematics
You can download the Subject Guide for your study area here: uts.edu.au/study-abroad-subjects

For further subject information across all study areas at UTS, visit the UTS Handbook: handbook.uts.edu.au

STEP 2. CHOOSE SUBJECTS USING OUR SUBJECT CHECKLIST BEFORE APPLYING TO UTS
A full-time load for one teaching session is between 18 and 24 credit points (usually 3 or 4 subjects). When choosing your subjects, check:
- the credit point value for each subject
- whether the subject is available in the applicable calendar and teaching session: Autumn (March start) and/or Spring (July start).
Our handy Online Timetable Planner can help you with this: uts.edu.au/uts-timetable-planner
- whether there are pre-requisites or assumed knowledge. In some cases, if you have taken an equivalent subject in the past, you can apply for an exemption.

Not sure which subjects to choose?
Download the Electives Subject Guide which lists subjects that are open to students from all disciplines and do not have prerequisites: uts.edu.au/study-abroad-subjects

STEP 3. SEEK APPROVAL FROM YOUR HOME UNIVERSITY BEFORE APPLYING TO UTS
Once you have selected your preferred UTS subjects, give your home university the subject outlines from the UTS Handbook. Once your home university’s academic adviser has approved your study plan, you can apply to UTS.

Note: Subjects with a practical component (such as in nursing and teacher education) are restricted. Applicant eligibility to enrol in these subjects will be assessed on an individual basis.

Note: Some environmental studies subjects include field trips, which may be offered outside the normal teaching periods and incur extra costs.

Credit, classes and assessment

Learn more about classes, assessment and gaining academic recognition for your study at UTS.

CREDIT TRANSFER
Study abroad and exchange students must enrol in a full-time load at UTS. The full-time study load is 18-24 credit points per teaching session. Credit points apply to all subjects (except higher degree research programs) and represent a measure of the student’s workload by subject. Most subjects at UTS are 6 credit points each, except for those offered by the Faculty of Arts and Social Sciences, which are 8 credit points.

CREDIT POINTS
The information below is a guide to the equivalent credit points from your home country to UTS credit points.

NORTH AMERICA
- 6 UTS credit points approx. 4 US credit hours
- 8 UTS credit points approx. 5 US credit hours
- 24 UTS credit points (full time load) approx. 15 or 16 US credit hours

EURASIA
- 4 ECTS credits
- 6 ECTS credits
- 10 ECTS credits
- 30 ECTS credits

EUROPE
- 1 UTS credit point 1.25 ECTS credits
- 2 UTS credit points 2.5 ECTS credits
- 3 UTS credit points 4 ECTS credits
- 6 UTS credit points 7.5 ECTS credits
- 8 UTS credit points 10 ECTS credits
- 24 UTS credit points (full time load) 30 ECTS credits

CONTINUOUS ASSESSMENT – STUDY EXPECTATIONS
Assessment requirements may include major written assignments, active tutorial participation, practical work, projects, short tests, group work and group assignments, seminar presentations and a mid-session or final exam. In some subjects, the final exam may be worth 20 to 60 per cent of the final subject grade. Some subjects have no final exams.

Learn more about coursework assessment and gaining academic recognition for your study at UTS.

STUDENTS ARE AWARDED ONE OF THE FOLLOWING GRADES AFTER COMPLETING A SUBJECT AT UTS

CHINA
If you are a student coming from China, you will find that 24 UTS credit points are approximately equivalent to 7-9 subjects at most Chinese universities.

Note: Some courses award only a Pass or Fail grade. Autumn session results are released in mid-July, and Spring session results at the end of November or mid-December depending on your academic calendar.

CLASS SIZES
Class sizes vary depending on the popularity of a subject and the nature of teaching. Normally, subjects involving tutorial classes have 20 to 30 students in a classroom.

ACADEMIC YEAR
The academic year at UTS is divided into three teaching sessions:
- Autumn session (March to June)
- Spring session (July to November)
- Summer session (November to February – No application for Study Abroad and Exchange students)

Each session has 15-16 compulsory teaching and learning weeks.

ACADEMIC TRANSCRIPTS
The academic transcript is a record of subjects studied, final grades and marks awarded. UTS issues transcripts at the end of each teaching session once the exam results have been finalised.

As an exchange student, you will receive your academic transcripts from UTS through your home institution. At the end of each teaching session, the exchange officer will send two academic transcripts to the international office at your home university.

As a study abroad student, one original transcript is sent to your home address or your authorised representative. Upon request, an official copy of the transcript can be sent to your home institution for credit transfer processing. Your home institution will determine how credit will be transferred.

You can also request an academic record by completing the Online Statement of Academic Record application on My Student Admin (online). UTS will then prepare and mail your transcript for a fee.

STUDY ABROAD CERTIFICATES
Students who successfully complete the UTS Study Abroad program are issued a Certificate of Completion. This certificate is issued with your academic transcript from UTS.

Pre-enrol before you arrive
Subjects approved by UTS are added to your session’s study plan. Once they have been added, you can enrol yourself in 18 to 24 credit points before you leave home.

Services and support

Studying overseas is a rewarding opportunity to broaden your experience and outlook, but it can also be challenging. UTS provides the support you need to develop academic and professional skills, feel confident in your study and maintain your wellbeing.

ORIENTATION
orientation.uts.edu.au
To help you get to know the university campus and services, UTS runs a compulsory Orientation program in the week(s) before formal teaching begins. During Orientation, new students can familiarise themselves with the university’s services and facilities, start on their learning journey, attend Faculty welcomes, and get to know the UTS learning style and technologies. You will actually commence your studies in this week(s), so when classes start you are already prepared. It’s also an excellent way to meet staff and students from Australia and overseas.

Note: Orientation is a compulsory week(s) at the start of each teaching session. In Autumn session, for students following the main UTS calendar, Orientation runs for three weeks. In Spring session, Orientation runs for one week for all students.

ACADEMIC AND LANGUAGE SUPPORT
uts.edu.au/current-students/support
UTS offers English language and academic literacy support through the following programs:

- Conversations@UTS
  utsadvising.uts.edu.au/conversations
  Conversations@UTS is designed to assist students who are subjecting subjects that are perceived as difficult or that historically have a high failure rate. These small group sessions are run by UTS students who have already successfully completed the subject, and are informal, flexible and responsive to students’ abilities and needs.

- HELPS
  help.uts.edu.au
  HELPS (Higher Education Language and Presentation Support) provides non-credited English language and academic literacy support to students, including assignment writing assistance, daily workshops, writing support sessions and English speaking practice. HELPS also run a number of programs to assist international students with their English language skills.

- U-PASS
  u-pass.uts.edu
  U-PASS is designed to assist students who are struggling subjects that are perceived as difficult or that historically have a high failure rate. These small group sessions are run by UTS students who have already successfully completed the subject, and are informal, flexible and responsive to students’ abilities and needs.

- HELPSTalkFest
  help.uts.edu.au/talkfest
  HELPSTalkFest is an afternoon of games, speed-friending and pizza! Run every Friday (during session) from 2.30 - 4.00pm at HELPSTalkFest Volunteer Lounge, both international and local students are invited to attend. Expand your social and professional networks by meeting people from a range of faculties, cultural backgrounds and study levels.

UTS INTERNATIONAL
international.uts.edu.au
The UTS International team offers you advice and support during the application process and throughout your studies at UTS. Our student advisers can assist with general enquiries, and will keep you up-to-date with important news and events around UTS via emails and social media.

SAFETY AND SECURITY
UTS fosters a safe and secure environment for students, staff and visitors. UTS has a comprehensive security program to ensure the safety and security of students, staff and visitors on campus. The program includes security officers, regular patrols, an emergency telephone network and closed-circuit television cameras.

Arrival tips
Aim to arrive in Sydney at least two weeks before formal classes start in order to participate in Orientation and to find suitable accommodation.

UTS International offers a complimentary airport shuttle service from Sydney International Airport to either UTS or a convenient CBD location to new international and study abroad and exchange students who arrive in the two weeks before orientation begins.

GENERAL SUPPORT SERVICES
uts.edu.au/current-students/support
UTS provides a wide range of on-campus services for students, including:

- medical services
- counselling services
- accessibility services for students with a disability or ongoing medical condition
- financial assistance and advice
- multi-faith chaplaincy and prayer rooms
- support services for LGBTQI+ students

CAREERS SERVICE
careers.uts.edu.au
The UTS Careers Service offers:

- help with resumes, applications and interviews
- job-search strategies and events
- assistance finding work opportunities
- work-ready programs
- career consulting

UTS MASTERCLASS
uts.edu.au/masterclass
UTS runs a series of Masterclasses every Thursday lunchtime. A Masterclass is where you can find out from UTS teachers about their subject area.

HELPS
helps.uts.edu.au
UTS offers English language and academic literacy support through the following programs:

- Conversations@UTS
  utsadvising.uts.edu.au/conversations
  Conversations@UTS is designed to assist students who are subjecting subjects that are perceived as difficult or that historically have a high failure rate. - HELPSTalkFest
  help.uts.edu.au/talkfest
  HELPSTalkFest is an afternoon of games, speed-friending and pizza! Run every Friday (during session) from 2.30 - 4.00pm at HELPSTalkFest Volunteer Lounge, both international and local students are invited to attend. Expand your social and professional networks by meeting people from a range of faculties, cultural backgrounds and study levels.

UTS LIBRARY
lib.uts.edu.au
The UTS Library’s services and resources include:

- an Overseas Student Officer representing and supporting international students
- the Bluebird Brekkie Bar, a free, sustainable pop-up breakfast café open every Tuesday and Wednesday morning during teaching periods
- the Night Owl Night Bar, a free, sustainable pop-up noodle bar where you can get free noodle soup every Thursday late afternoon/evening during teaching periods
- a food co-op where you can purchase fresh, organic fruit and vegetables.

VITALY KUZENKOV
Home country: Russia
Program: Information Technology

“One UTS support service that has really helped me was UTS HELPS. When I started at UTS, I wasn’t confident with my English and I was unsure how to write assignments. But HELPS really assisted me with this, I went there and they helped me to write formally. I took my assignments to them and they went through it with me, helping me to improve it. It was extremely helpful.”
Beyond the classroom

UTS has an active campus culture providing opportunities for you to enhance your study abroad experience beyond the classroom and to immerse yourself fully into the UTS and Sydney lifestyle.

UTS STARTUPS
startups.uts.edu.au

Designed to inspire and connect student-led startups across UTS, UTS Startups is a group of young entrepreneurs who have big ideas they’re making a reality. A founder-focused community, they support students who have a compelling idea that uses technology to address a large market and create meaningful impact.

Whether you’ll enter the UTS Startups program with your own startup, or as part of an existing UTS startup, you can access free mentorship, community-building activities, funding opportunities, and industry resources, so you can develop your new venture.

ACTIVATEUTS – UTS STUDENT CLUBS AND SOCIAL HUB
activateuts.com.au

ActivateUTS is home to an array of campus facilities including awesome bars, cafes, retail outlets, and a fitness centre, providing an amazing social and cultural outlet and the chance to engage and immerse in UTS campus life. Join a social, cultural or sporting club. Create a club! Become the President! Or just be an active member, having fun, making friends, networking and contributing to your campus community through clubs such as:

- ESAC – Exchange and Study Abroad Club
- AIESEC UTS
- ACES (Entrepreneurial Society)
- Athletics
- BusinessOne Consulting UTS
- Net Impact UTS
- The Big Lift
- UTS BUILD Student Society (BSS)
- UTS Rotaract (Rotary Club Partner)
- UTS Women In Business

UTS BUILD – GLOBAL LEADERSHIP PROGRAM
build.uts.edu.au

BUILD Global Leadership Program is an exciting and dynamic leadership program, which is free to join and open to all UTS students. BUILD provides opportunities for students to gain leadership skills, expand their network and explore issues of global citizenship, social enterprise, sustainability and social justice, engaging with a community of peers across cultures and academic disciplines.

BUILD also offers community engagement and immersion into Australian culture and society through BUILD Community Connections. Through participation and engagement in BUILD’s workshops and seminars, community activities and international study opportunities, BUILD aims to equip you to create a better world.

UTS SOUL AWARD – SOCIAL LEADERSHIP PROGRAM
soul.uts.edu.au

UTS SOUL Award is a social leadership and volunteer program for students. The award gives students the support to venture beyond their degree and into the community, applying the skills and knowledge learnt at UTS to the real world all while developing leadership skills and building networks.

Social leadership encourages people to engage in their local communities and to become socially responsible, working in the field with community groups and not-for-profit organisations to create meaningful social outcomes.

Through SOUL, students will build peer networks, learn new skills, and earn reward and recognition from UTS for their work.

NETWORK & RESEARCHERS’ CAFÉ
uts.edu.au/network-café

Network Café is a free program that brings new students from overseas together with experienced UTS students (Peer Networkers) to help them settle into Sydney and the UTS community. Network Café is open every Tuesday afternoon (during teaching sessions). Drop by for a free coffee and a chat.

UTS Researchers’ Café is a monthly social event for all currently enrolled Higher Degree Research students. On the first Wednesday of each month, research students get together for a free coffee and a chat.

“UTS Startups is really an open workspace. There’s no cookie-cutter approach, and the biggest benefit we get is from interacting with one another. Everyone has a different background. When you’re working in that space and you’re stuck on something, say marketing, the fact you can walk over to someone who has a company in that industry is amazing.”

Feel at home

Secure a room at one of UTS Housing’s student residences or get information and assistance on a range of private accommodation options.

UTS-OWNED ACCOMMODATION
UTS students can choose from four residences, all of which are close to campus. Check them out on housing.uts.edu.au

All UTS residences have spacious communal and barbecue areas, study rooms, games and computer rooms. Yura Mudang also has a music room and Gumal Ngaru has a garden rooftop.

All UTS residences are self-catered, secure and competitively priced. Most bedrooms are for one person (except twin shares), with shared kitchens, bathrooms and living areas. Apartments are fully furnished and rent includes gas, electricity, water, cabled internet in bedrooms and limited wireless internet access in communal areas.

You will need to provide your own bed linen and cooking equipment.

Due to the high volume of accommodation requests, UTS Housing has also sourced reserved beds for students with off-campus providers (Urbanest, Unilodge and Iglu).

Accommodation requests are for students with off-campus providers (Urbanest, Unilodge and Iglu). UTS Housing has also sourced reserved beds for students with off-campus providers (Urbanest, Unilodge and Iglu). For more information about UTS-owned and Iglu.

Due to the high volume of accommodation requests, UTS Housing has also sourced reserved beds for students with off-campus providers (Urbanest, Unilodge and Iglu). For more information about UTS-owned and Iglu.

You must apply by 31 October for Autumn session and by 1 June for Spring session. UTS Housing will place you before applications open for other students. Apply early to increase your chances of securing a room. Preferences will be considered, but we may not be able to offer you a particular style or price of room. More information can be found at: housing.uts.edu.au

RENTING PRIVATE ACCOMMODATION
If you are organising private accommodation, we recommend you arrange short-term accommodation in Sydney so you can view properties on your arrival and choose something that really suits your needs for the long term. Visit UTS Housing’s off-campus accommodation website, to find shared rooms in private houses and apartments around UTS utstudytrips.com.au

Renting private accommodation means you usually have your own room and share a kitchen, living area and bathroom with other students or people who work. Alternatively, you may choose a studio or one-bedroom apartment to live in on your own, but this is more expensive. All accommodation rentals should come with a residential or tenancy agreement. If you need any help or advice, please contact the UTS Housing Office, Campus Officer at housing.welfare@uts.edu.au or the UTS Student Legal Service studentlegalservice@uts.edu.au who are here to help you.

“I lived in Student Housing – Yura. Living here has been really helpful to get to know people. Student Housing put a lot of emphasis on meeting new people; this was helpful because it would have been a lot harder for me to meet people, especially in the weeks before class started.”

ANDREW TARWATER
Home country: United States of America
Studied: Finance and Marketing

LIVING COSTS
The table below details approximate establishment and ongoing costs you may incur while studying at UTS and living in Sydney. This table should be used only as a guide, as individual spending may vary. It is a requirement of the Australian government that prospective international students demonstrate that they have access to at least A$20,290 a year to fund their living costs in Australia, and additional funds if bringing partners or family.

<table>
<thead>
<tr>

</tbody>
</table>

This table details approximate costs that you may incur while studying at UTS and living in Sydney. It should be used as a guide only. It is a requirement of the Australian Government that prospective international students demonstrate they have access to at least A$20,290 a year to fund their living costs and additional funds if bringing partners or family. Note: Prices vary depending on the condition of the property, the number of people you share with and the proximity of the accommodation to your place of study.

- Any amount below this will likely be twin share.
- Costs may vary depending on how close you live to campus.
- Transport costs will vary depending on how close you live to campus.

SYDNEY LIVING COSTS – APPROXIMATE GUIDE ONLY

Establishment costs
You should expect to pay approximately A$4200 start-up or establishment costs for independent accommodation. Allow an additional A$1000 to $1500 for a computer and printer, if required. These costs include items such as a rental accommodation bond (four weeks’ rent), rent in advance, linen, furniture, telephone and internet connection, kitchenware, personal items and electricity connection, and must be budgeted for. With regards to UTS Housing, you will need to budget for the registration admin fee (approx. A$40), the acceptance fee (approx. A$120), the bond fee (equivalent of 4 weeks’ rent), two weeks rent in advance and any personal items you wish to purchase.

This table is for guide purposes only and is not a complete list of all establishment costs.

UTS priority housing placement
As a UTS study abroad or exchange student, UTS offers you first priority to live in UTS Housing. You must apply by 31 October for Autumn session and by 1 June for Spring session. UTS Housing will place you before applications open for other students. Apply as early as possible to increase your chances of securing a room. Preferences will be considered, but we may not be able to offer you a particular style or price of room. More information can be found at: housing.uts.edu.au

Accommodation Tips
- Don’t pay any money before viewing and being satisfied with a non-UTS property. Until you arrive and get a feel for the area you want to live in, you won’t know whether it is right for you.
- During Orientation, UTS Housing hosts specific accommodation sessions and has an accommodation information stand where staff can guide and support you with your accommodation search.
- Consider the UTS Housing Priority Placement for Study Abroad and Exchange students.
**Before you apply**

**Entry requirements**

**ACADEMIC REQUIREMENTS - CURRENT UNIVERSITY STUDENTS**

You must have completed one full year or more of study at a recognised institution with the following or equivalent grades:

- a ‘credit’ or ‘good’ average, or
- a cumulative GPA of 2.5 on a 4.0 point scale, or
- an average grade of ‘C’ or better on the European ECTS grading scale.

**ACADEMIC REQUIREMENTS - HIGH SCHOOL GRADUATES**

Students who have not completed one year of full-time study at a recognised institution may apply for admission as a study abroad student if they meet university matriculation requirements. Conditions may apply regarding subject access.

**VISITING RESEARCH STUDENTS**

If you are applying as a visiting research student, you must check if UTS has a supervisor in your field of study and consult with your home university to understand the application and credit requirements of studying abroad.

**Scholarships**

For more information about fees and scholarships, visit: uts.edu.au/saex-entry-req-costs

**Financial Aid and Loans**

For an explanation of UTS credit points, see page 25

**Refund of Fees**

For the UTS Statement of protocol on fees, see page 25

**Scholarships**

UTS offers Study Abroad Excellence Awards valued at up to A$2,000 for commencing Study Abroad students. Selection is based on academic excellence in the most recently completed tertiary qualification recognised by UTS for entry in the Study Abroad program. We also offer mobility grants to eligible students from UTS Study Abroad partner institutions. For more information about fees and scholarships, visit: uts.edu.au/saex-entry-req-costs

**Before you apply**

**Application deadlines**

**Program applications are due:**

- 30 November for Autumn session (March start)
- 30 April for Spring session (July start)

Extensions for late study abroad applications may be granted in special cases.

**FOR UTS HOUSING PRIORITY APPLICATIONS ARE DUE:**

- 31 October for Autumn session
- 1 June for Spring session

Note: Whilst your accommodation preference will be considered, UTS cannot guarantee an offer in a particular style or price of room. Apply at: uts.edu.au/apply-uts-housing

**ALTERNATIVE ENGLISH LANGUAGE TEST**

Students from Austria, Denmark, Finland, France, Germany, the Netherlands, Norway, Sweden and Switzerland can apply to UTS with an alternative means of language assessment.

To download the UTS English Language Proficiency Assessment application form, visit uts.edu.au/saex-entry-req-costs

**OVERSEAS STUDENT HEALTH COVER (OSHC)**

You must have OSHC* for the full duration of your proposed Australian student visa. For current OSHC costs and payment options, visit the fees section of the UTS Study Abroad and Exchange website.

*Belgian, Norwegian and some Swedish students who have health cover in their home country may be exempt from OSHC.

For further information about your visa requirements, please visit the Department of Home Affairs’ website: immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#Eligibility

**Test**

- IELTS (Academic Strand)
  - 6.5 overall with a writing score of 6.0
- TOEFL (Internet-based)
  - 79 - 93 overall with a writing score of 21
- PTE (Academic)
  - 58 - 64
- CAE
  - 170 - 184

**Australian Language and Culture Studies**

- 5.0 and above
- 36 and above

**Note:** For details of language entry requirements, please visit: uts.edu.au/saex-entry-req-costs

**How to apply**

1. **Choose your program**

Are you applying as an exchange, study abroad 24, study abroad 18, or visiting research student?

2. **Check your eligibility**

Check that you meet the entry requirements for your program.

3. **Discuss your study options with your home university**

Consult with your home university to understand the application and credit requirements of studying abroad. If you are from a UTS exchange partner university, you’ll also need home university approval to participate in the exchange.

4. **Choose your subjects - 18 or 24 credit points**

Review the information in this guide and on the UTS website to select the appropriate study plan for your program in Australia - uts.edu.au/study-abroad-subjects

5. **Apply to UTS**

- Complete the online application form uts.edu.au/au-app-form
- Submit a scanned copy of your application with certified and translated supporting documents to saex.applications@uts.edu.au

6. **Apply for UTS housing**

- You will receive an acknowledgement of your application with your UTS student number. Using this student number, you are able to apply for UTS Housing even before receiving an offer. To secure a priority place in a UTS residence, apply by 31 October or 1 June.

7. **Letter of offer and study plan**

UTS will assess your application. If you are successful, UTS will issue an electronic Letter of Offer and start to prepare your study plan. The average timeframe to process applications is two to three weeks.

8. **Acceptance and confirmation of enrolment**

You must formally accept your offer and, if applicable, pay your tuition fees to UTS. Once UTS receives your acceptance, evidence of OSHC and tuition fees, you will be issued a Confirmation of Enrolment (CoE). The CoE is official documentation provided by UTS and is required to obtain an Australian student visa. At this stage, UTS will also pre-enrol you in your preferred, approved subjects.

9. **Apply for a student visa**

Apply for a student visa online. Once your student visa has been approved, you should finalise your travel arrangements. You must obtain an Australian student visa before you can commence study in Australia. immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500

10. **Pre-arrival**

UTS will send you pre-arrival information regarding accommodation, airport reception and orientation activities.

11. **Arrival and orientation**

Arrive in Australia and attend UTS Orientation, which is compulsory for all new students. Our comprehensive Orientation programs include information sessions and social activities, to help you get to know UTS and meet other new and experienced students. You will also be able to finalise your enrolment and receive your student ID card.
Study abroad and exchange partners

UTS has agreements with institutions across the globe. If your home university is a UTS partner institution, you may be eligible to come to UTS as an exchange student.
