Welcome to The University of Western Australia (UWA), where you’ll join our accomplished graduates in becoming global professionals who drive change to shape the future.

At UWA, we prepare our graduates to improve the lives of others. With the world – and the skills you need to succeed in it – changing all the time, our distinctive, experience-rich curriculum and outstanding learning experience will give you the knowledge and the adaptability to make a positive difference in society.

We look forward to you joining our community and supporting you in shaping your future career goals.

The University of Western Australia acknowledges that its campuses are situated on Noongar land and that Noongar people remain the spiritual and cultural custodians of their land and continue to practise their values, languages, beliefs and knowledge.

Why students love Perth

By choosing UWA, you’re not just choosing a world top 100 university and a globally recognised degree, you’re choosing to live in a city that’s the perfect base for study – and a launchpad for your career.

We’re affordable
Perth’s cost of living is the envy of Australia.

• One of Australia’s most affordable capital cities and more affordable than Melbourne, Sydney or Brisbane¹
• Lowest accommodation cost of any Australian capital city²

We’re diverse
No matter where you come from around the world, you’ll find a warm welcome in Perth.

• 2 million people in Perth³
• More than 200 nationalities live in our State, speaking 270 languages²
• 37 per cent of our State’s population was born overseas³

We’ve got a great lifestyle
A vibrant cultural scene, perfect climate and stunning natural attractions make Perth one of the best places in the world to live.

• Ranked 14th most liveable city in the world³
• More than eight hours of sunshine per day² with good to very good air quality year round⁴
• Perth city is less than 20 minutes from beaches and national parks³
• Hosts a diverse range of international festivals and events

We’re a hub of industry and innovation
With its thriving economy and easy access to the rest of the world, Perth is the city of opportunities.

• Corporate headquarters of more than 30 per cent of businesses on the Australian Stock Exchange and six of the world’s top 10 energy companies³
• Home to the largest medical treatment, research and education centre in the Southern Hemisphere, co-located next to the UWA Health Campus
• Headquarters for the national entity AROSE (Australian Remote Operations for Space and Earth)⁵

---

We’re accessible
Perth shares a time zone with 60 per cent of the world’s population*, meaning businesses, research projects and other enterprises based here have better access to huge global resources and markets. Plus, with 19 international airlines flying into the city and the only direct flight from Australia to Europe, it’s easy for many international students to stay in touch with home.

* +/- 2 hours
A unique campus

UWA’s main campus is located on the picturesque banks of the Swan River (Derbarl Yerrigan), just minutes from Perth’s CBD.

Featuring expansive green spaces, cafés and shops, as well as a multitude of modern teaching and research facilities, our campus provides you with a world-class learning environment.

See the campus for yourself through our online virtual tour: uwa.edu.au/360-campus-tour/

UWA Claremont

Just a few minutes from the UWA campus is the University’s historic Claremont campus, which is home to the UWA Centre for English Language Teaching (UWA CELT) and Taylors College, which provides foundation courses for international students.

UWA’s Albany Centre

Located five hours’ drive from Perth, the Albany Centre offers students a high-tech learning environment. Here you can experience all that regional Western Australia has to offer while studying at university.

Be part of something bigger with UWA

When you graduate from UWA, you automatically join our community of more than 130,000 graduates spanning every continent across the globe. That’s a powerful network.

No matter where you go, you’ll find yourself in the company of extraordinary people who will be your mentors, collaborators and friends.

Connect with and benefit from alumni who are global leaders in business, industry, government, education, research and culture.

alumni.uwa.edu.au

“The educational background at UWA has helped me establish my career, initially as a lawyer, but has also given me the confidence to diversify into the recruitment industry in London and now Hong Kong where I am currently a managing director of a market leading global recruitment firm. I have also kept in touch with my UWA alumni contacts internationally some of whom have become close friends as well as clients of mine.”

RICKY
MANAGING DIRECTOR
ROBERT WALTERS (HONG KONG)
Career and industry experience

As a UWA student you’ll get career advice and industry experience before you graduate. You’ll also have access to a wide range of resources and services, including—

- advice from our dedicated UWA Careers and Employability Centre
- one-to-one access with a qualified Career Development Consultant
- the UWA Careers and Employability Award Program
- the Career Mentor Link Program, matching you with professionals who will share their knowledge and career experience
- help with your résumé and preparing for job interviews
- access to potential employers at our Careers and Employability fairs, workshops and seminars
- free and unlimited access to LinkedIn Learning
- industry integrated learning – our talented academics are highly engaged with industry, and, as WA’s top university, we have extensive networks that will add to your learning experience
- Work Integrated Learning (WIL) activities, where you’ll gain workplace knowledge and skills, as well as lasting professional connections
- the McCusker Centre for Citizenship’s award-winning Internship Program with not-for-profit, community and government organisations
- the chance to get your own UniMentor – or become one
- access to volunteering opportunities through UWA Student Guild
- the opportunity to become a UWA Student Ambassador and gain a strong extracurricular activity for your résumé
- Bloom WA, a community of change-makers tackling global problems
- the IQ Academy program, where you’ll gain the skills, mindset and tools to become an entrepreneur
- access to My UniHub, your ‘one-stop-shop’ for career planning, opportunities, resources and more.

“As part of my studies, I’m currently interning with Awards WA. It’s a non-government organisation that encourages youth to participate and achieve more out of academic life. I’ve also been helping out with the Duke of Edinburgh Award program and I love it – it’s a really practical way to get a lot of experience in project management and communication work.”

MELISSA
MASTER OF STRATEGIC COMMUNICATION

UWA Careers and Employability Award Program
Get the practical work experience and knowledge you need to become career-ready, with hands-on learning that’s highly valued by employers.

careers.uwa.edu.au/award
At UWA, you’ll graduate with the experience, knowledge and ability you’ll need to achieve your goals. You’ll also widen your employment prospects by growing your level of expertise and making valuable connections with industry professionals.

A postgraduate degree is a great way to elevate the next stage of your career – whether you want to change direction completely, expand your skillset or already have a specialist subject in mind.

Seek industry insights
Our strong industry partnerships provide you with valuable exposure and contacts even before you graduate.

Seek passionate and engaged mentors
You’ll be taught by world-leading experts who want you to get involved in their research.

Seek hands-on, practical experience
You’ll get out of the classroom and into the field (sometimes it’s an actual field), gaining practical research experience.

Seek something more
You’ll graduate with a higher level of skills and knowledge, making you more attractive to employers.
Student life

UWA is more than a university – it’s your community. There are many great places to eat, drink and shop, get fit, discover incredible art, relax, study and more.

Accommodation
Living at UWA means you can easily walk to uni, cafés and shops, you’re also a short bus ride to the city and Perth’s best beaches.

Arts and culture
Our on-campus art gallery features rotating exhibitions. Explore museums and enjoy regular music concerts.

Events
Enjoy fun social events, opportunities for industry networking, workshops and more.

Extracurricular courses and programs
Through collaborations with industry partners, we offer a range of free leadership, entrepreneurial and other courses to expand your skillset and advance your career.

Food and drink
Enjoy a variety of cuisines (catering for all dietary requirements) from cafés and a range of food outlets on campus and in the neighbourhood.

Health promotion
Gain knowledge in various areas across community health and wellbeing to improve the lives of your peers.

Postgraduate Student Space
Enjoy dedicated postgraduate study spaces on campus.

Internships
Gain valuable experience for your future career.

Libraries
UWA has five libraries across campus with high-tech study facilities, resources and learning spaces.

Spirituality and faith
UWA is a multi-faith university that supports and welcomes students with diverse cultural and spiritual backgrounds.

Sport and fitness
Get active with our state-of-the-art gym, swimming pool, a wide range of recreational and fitness courses, social sports and more.

Student clubs and faculty societies
With more than 140 clubs and societies you’re sure to find a perfect fit.

UWA app
Find events on campus, connect with friends and discover all the tools to get ahead.

Volunteering
There are opportunities to get involved on or off campus to support a cause, organisation, charity or group.

uwa.edu.au/study/student-life
You'll have plenty of support and help when you get to UWA. Here are just a few of the services we offer.

Academic support
One-on-one support, study skills workshops (STUDYSmarter), extensive online resources and more.

Career support
Personalised career advice, industry mentoring, online resources, networking events, workshops and more.

Childcare services
Available for children aged six weeks to five years, plus after-school and vacation care for primary school-aged children.

Course advice
Advice on study plans, enrolment, scholarships, studying abroad, extracurricular activities and more.

Disability support
Perform at your academic best with support for any disability, whether a physical or mental health condition. UWA can help, no matter if your condition is ongoing, temporary or episodic.

Getting started
Take part in orientation activities, receive mentoring from an experienced student (UniMentor) and support from the UWA team to help you settle into uni life.

Health and wellbeing
Confidential medical, welfare and mental-health support with a variety of specialist services and a pharmacy on campus. If you’re looking for a doctor or GP, there’s a Medical Centre on campus, as well as counsellors, mental health nurses, psychologists, physiotherapists and more.

International student support
Our dedicated support services will help you settle into Australia and UWA life.

Safety
A security team is on campus 24/7 and is available to walk you to your car, bus stop or UWA accommodation after hours.

UWA Student Guild
Run by students, for students, to make sure you have the best university experience possible.

uwa.edu.au/students
“Words can’t explain how amazing exchange was. It was a once-in-a-lifetime opportunity and extremely rewarding to meet so many new people who will be friends for life.”

International Postgraduate Course Guide 2021 | uwa.edu.au/study
Accommodation at UWA

There are many options for good-quality accommodation close to the UWA campus. Guaranteed accommodation is offered to new full-time students. Conditions apply.

uwa.edu.au/guaranteed-accommodation

Living on campus

Make the most of your time at UWA and enjoy an amazing, fully inclusive lifestyle. Our five residential colleges are located directly opposite UWA, and offer a range of room types suitable for postgraduate students.

As well as your own secure, fully furnished room, you’ll get:
- some meals (depending on college/room type), cleaning, utilities, internet and more included in your fees
- an action-packed calendar of events, activities and programs
- plenty of spaces in which to study, relax or be active
- an extensive range of personal and career development opportunities
- 24/7 support, whether you need help with study or just someone to talk to
- lifelong friends from all over the world.

How to apply

1. Research the college websites to decide which suits you best.
2. Apply online at livingoncampus.uwa.edu.au (ranking the colleges in order of personal preference).
3. You’ll be contacted directly by your first-preference college within two weeks.

Applications open 12 months in advance. We recommend applying as early as possible – you don’t have to wait until you receive an offer from UWA.

Find out more: uwa.edu.au/colleges
Apply now: livingoncampus.uwa.edu.au
Contact us: residentialcolleges@uwa.edu.au
Fees: uwa.edu.au/study/live-on-campus/fees
Living off campus

UWA owns and manages a range of apartments, units and houses adjacent to campus that are perfect if you’re seeking a more independent lifestyle.

Ideal for postgraduate students and students with families you’ll live just a short walk away from campus, the Swan River and a variety of local shops and cafés. Properties are partially furnished and you’ll be supported by UWA’s property management team who understand the needs of our students. Most of your neighbours are uni students, too!

Whether you choose to rent a UWA-owned property or one that is privately or commercially listed, you’ll take full responsibility for the property and sign a rental contract for 6 or 12 months with the option to renew and stay longer.

As a guide, the average cost of renting or leasing an unfurnished one- or two-bedroom unit close to UWA is between AUD$265 and AUD$500 per week, but doesn’t include utility connection fees or ongoing costs such as electricity and/or gas, telephone and food.

[Link to UWA-owned properties]

[Link to privately or commercially listed properties]

Perth city student accommodation

Campus Perth and The Boulevard (by The Student Housing Company) are purpose-built student accommodation properties endorsed by UWA. They offer a wide range of private and shared room options with weekly rates starting from AUD$162 per week* and you’ll also have access to a variety of social spaces and onsite support. Both are located in Northbridge, Perth’s vibrant social and cultural precinct, and close to public transport for easy access to UWA.

[Link to Campus Perth]

[Link to The Boulevard]

*Based on 2020 rates, subject to room type and availability.
Choose your postgraduate degree

UWA offers a range of postgraduate degrees, and you can gain a qualification in as little as six months. Select the one below that best suits your needs.

- **YOU WANT TO EXPAND OR UPDATE YOUR INDUSTRY KNOWLEDGE**
  - Graduate Certificate
  - Graduate Diploma

- **YOU WANT TO FOCUS ON A SPECIALISED AREA OR CHANGE CAREERS**
  - Graduate Certificate
  - Graduate Diploma
  - Master’s

- **YOU WANT TO GAIN A PROFESSIONAL ACCREDITATION**
  - Graduate Diploma
  - Master’s
  - Doctorate

- **YOU WANT TO CONTRIBUTE TO SPECIALIST KNOWLEDGE**
  - Master’s by Research
  - Higher Degree by Research
  - Doctorate
GRADUATE CERTIFICATE (AQF level 8)
These short courses usually take six months to complete full time, or the equivalent in part-time study. They give you fundamental knowledge for a specific discipline, making them ideal for developing an existing skillset or getting started with an entirely new one. If you haven’t already completed a degree but have professional experience, a graduate certificate can be a great option, and you can use one as a standalone qualification or as a possible stepping stone to a graduate diploma and/or a master’s degree.

GRADUATE DIPLOMA (AQF level 8)
Usually taking a year full time (or part-time equivalent), these build on what you learn in a graduate certificate, with more in-depth knowledge. They are a good option if you’d like to return to study but don’t have the time required for a master’s degree. Your graduate diploma can be used as a qualification by itself, or can lead into a master’s at a later date.

MASTER’S (AQF level 9)
For advancing your career prospects and standing out in your chosen profession, a master’s degree is perfect. Normally running 1.5 to two years full time (or part-time equivalent), they are highly regarded by employers for the high level of specialised industry knowledge and skills they give you.
Depending on the course you choose, the course type may include one or more of the options below:
• Coursework: you’ll take units involving class attendance, readings, assignments and exams, similar to undergraduate studies but at an advanced level.
• Coursework and dissertation: your course will include both coursework and research (up to 66.6%) components.
• Thesis and coursework: your course will include both research (more than 66.6%, but less than 100%) and coursework components.
• Research: your course will include a supervised research component.

HIGHER DEGREE BY RESEARCH:
MASTER’S AND PHD (AQF level 9 or 10)
If you enjoy working independently and have a specific interest in a topic that you’d like to rigorously explore, embarking on a higher degree by research could be for you. You should be curious, driven and naturally drawn to a deep intellectual challenge. Your unique creativity and critical thinking will help you contribute original scholarship to a topic, and you’ll be closely mentored by a supervisor throughout your candidature.

DOCTORATE (AQF level 10)
A professional doctorate is ideal if you enjoy research and want to contribute to the knowledge base of your chosen profession. It’s a pinnacle of expertise – one of the highest qualifications you can achieve – and usually takes three to four years full time (or part-time equivalent).

RESEARCH VS COURSEWORK
Coursework degrees follow a set pattern of learning, making them perfect if you’re looking for a structured way to pick up the skills you’re looking for. But if you’re keen to follow a more independent path to knowledge, our higher degree by research (HDR) programs are for you. UWA is one of Australia’s top research-intensive universities, and our research degrees offer a unique opportunity to explore your passion or follow your interest, while learning alongside globally renowned experts.
Agricultural, Environmental and Biological Sciences

From studying microorganisms to optimising industrial farms and restoring damaged environments, these courses encompass diverse areas of science.

Advances in technology and science are transforming our world at an incredible pace. Join us and tackle issues from food security to restoring and maintaining balance in our natural environment.

We offer courses in Agricultural Science, Biological Science, Environmental Science, Geoscience, Hydrogeology, Ocean Leadership and more. These areas have seen and will continue to see strong job growth in the future.

Joboutlook.gov.au

Your research could include developing solutions for better management of our limited land and water resources, tackling the issues of greenhouse gas emissions and deforestation, or treating plant and animal diseases through medical science.

Top five reasons to study Agriculture, Environmental and Biological Sciences at UWA

- 1st in Australia for Agricultural Sciences, and Environmental Science and Engineering (ARWU, 2020)
- Facilities that support hands-on learning and world-class teaching and research.
- Partnerships with industry and government agencies.
- Award-winning researchers and academics.
- Prestigious scholarships available.
Master of Agricultural Economics

CRICOS CODE: 089266E
UWA COURSE CODE: 73530
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Agricultural consultant, economist, policy analyst

The Master of Agricultural Economics is a globally relevant applied economics degree tailored to the field of agriculture. The core themes of the course are applied economic analysis, policy analysis, and agribusiness management and analysis. The academic staff have extensive real-world experience in the agribusiness and government sector which makes graduates well-suited to employment in both government and industry positions.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/agricultural-economics

Master of Agricultural Science

CRICOS CODE: 074945E
UWA COURSE CODE: 72510
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Agricultural consultant, academic, environmental manager

World populations and economies are increasing their demands for food and fibre. Agricultural systems are placed under pressure to meet environmental, social and economic goals. To maintain or increase production levels, an understanding of the complex factors that shape agricultural systems is required. Gain the knowledge and skills needed for a future in the rapidly evolving field of agricultural science.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a Bachelor of Science, Bachelor of Arts, or Bachelor of Fine Arts, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/agricultural-science

Master of Biological Science

CRICOS CODE: 074948B
UWA COURSE CODE: 72520
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Biologist, conservation biologist, wildlife officer

The Master of Biological Science teaches you techniques ranging from molecular and genetic analysis, to data collection from whole populations, communities and ecosystems, to big-data synthesis science. After graduating, you’ll understand how species and ecosystems can be managed, conserved and restored. You’ll also be able to provide clues to advance food production, the treatment of plant and animal diseases, and medical science.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a Bachelor of Science, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, and
(c) met the prerequisite for the chosen specialisation, as set out in (2) to (3).
(2) For the Conservation Biology specialisation, an applicant must have successfully completed prior studies at a tertiary level in either science, statistics, mathematics or economics, or in a related cognate discipline, as recognised by UWA.
(3) For the Marine Biology specialisations, an applicant must have successfully completed prior studies at a tertiary level in biology (excluding human biology), or in a related cognate discipline, as recognised by UWA.
(4) For the Zoology specialisation, an applicant must have successfully completed prior studies at a tertiary level in animal science, or in a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/biological-science

Master of Biological Arts

CRICOS CODE: 083865K
UWA COURSE CODE: 71530
COURSE TYPE: Coursework or Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Academic, artistic director, visual arts professional

This course is designed for experienced art practitioners, scientists or humanities scholars who wish to engage with creative bioscience. The course focuses on recent advances in life sciences, both in theory and practice. Emphasis is placed on critical thought, ethical and cultural issues and cross-disciplinary experimentation in art and science.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a Bachelor of Science, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/academic-arts
Master of Biotechnology

CRICOS CODE: 083859F
UWA COURSE CODE: 71580
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Biotechnologist, biomanufacturing specialist, business development manager

This is a signature program that sets us apart from other universities by offering a thorough grounding in state-of-the-art biotechnology and combining this with training in enterprise and commercialisation. This includes developing the theory of genetics and molecular biology in parallel with skills training in practical techniques such as genomics, proteomics, metabolomics, recombinant DNA methods, and basic and advanced bioinformatics.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a Bachelor of Science, or an equivalent, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, and
(c) met the prerequisite for the chosen specialisation.
(2) For the Biochemistry and Molecular Biology specialisation, an applicant must have–
(a) successfully completed intermediate units at a tertiary level in biochemistry, or equivalent, as recognised by UWA; and
(b) successfully completed intermediate units at a tertiary level in molecular biology, or equivalent, as recognised by UWA.
(3) For the Environmental and Agricultural Biotechnology specialisation, an applicant must have successfully completed Chemistry ATAR, or CHEM1003 Introductory Chemistry, or equivalent, as recognised by UWA.
(4) For the Genetics and Genomics specialisation, an applicant must have successfully completed intermediate units at a tertiary level in genetics, or equivalent, as recognised by UWA.
(5) For the AQUAtech specialisation, an applicant must have successfully completed Chemistry ATAR, or equivalent, as recognised by UWA.

Master of Environmental Science

CRICOS CODE: 074951G
UWA COURSE CODE: 72530
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$40,700 per year

CAREER OPPORTUNITIES
Environmental consultant, environmental manager, environmental scientist

This master’s degree will develop your practical experience in dealing with issues such as climate change, water resource management, sustainable natural resource use, and the rehabilitation of degraded or polluted environments. You’ll gain advanced skills and knowledge in the monitoring and assessment of environmental systems using field, laboratory, modelling and statistical methods and techniques.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor’s degree, or equivalent, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, and
(c) met the prerequisite for the chosen specialisation.
(2) For the Environmental Management or Environmental Economics specialisations, an applicant must have completed prior studies at a tertiary level in either science, engineering, economics, natural resource management, urban and regional planning, or policy studies, or a related cognate discipline, as recognised by UWA.
(3) For the Catchments and Water or Environmental Rehabilitation or Sensing and Data Science specialisations, an applicant must have completed prior studies at a tertiary level in either earth, environmental, engineering, biological or physical sciences, or a related cognate discipline, as recognised by UWA.
(4) For the Marine and Coastal specialisation, an applicant must have completed prior studies at a tertiary level in either marine, environmental, engineering, biological or physical sciences, or a related cognate discipline, as recognised by UWA.

Master of Geoscience

CRICOS CODE: 074954D
UWA COURSE CODE: 72550
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 2 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Geologist, hydrogeologist, geological surveyor

Knowledge of past and present earth processes is fundamental for predicting future changes in environments and climate as well as contributing to the management of vital resources. Gain high-level skills in interpretation and integration of geoscience data applied to understand the location, origin and evolution of important resources and other geoscience problems.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor’s degree or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, and
(c) successfully completed prior tertiary study in geology, or a related cognate discipline, as recognised by UWA.

Master of Hydrogeology

CRICOS CODE: 074963C
UWA COURSE CODE: 72540
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 2 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Hydrogeologist, environmental consultant, researcher

Hydrogeology deals with the distribution and flow of groundwater beneath Earth’s surface and the interaction of groundwater with the atmosphere, biosphere and Earth’s crust via chemical, physical and biological processes in groundwater systems. This course will develop your understanding of these complex and dynamic
processes and the impacts of human activity and environmental change on groundwater systems.

**REQUIREMENTS**
To be considered for admission to this course an applicant must have—

1. a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
2. the equivalent of a UWA Weighted Average Mark of at least 50 per cent, and
3. successfully completed prior tertiary study in geology, environmental engineering, environmental science (including units in hydrology or equivalent), or hydrogeology, or in a related cognate discipline, as recognised by UWA.

**CAREER OPPORTUNITIES**
Marine researcher, renewable energy developer, marine conservationist, renewable energy, government, offshore oil and gas, not-for-profit and aquaculture.

The Master of Ocean Leadership develops your ocean-related leadership skills and expertise across marine science, engineering, law, resource economics and environmental management. This will enable you to strategically manage human challenges in ocean systems and to implement solutions for the future of our coasts and seas.

**REQUIREMENTS**
To be considered for admission to this course an applicant must have—

1. a Bachelor of Geology or Geoscience, or an equivalent qualification, as recognised by UWA, and
2. the equivalent of a UWA Weighted Average Mark of at least 50 per cent, and
3. at least two years of professional experience in a relevant occupation, or
4. a Bachelor of Geology or Geoscience with Honours, or an equivalent qualification, as recognised by UWA, and
5. the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

**CAREER OPPORTUNITIES**
Geologist, mining consultant, researcher.

With world-class ore bodies becoming more difficult to find, there is an increasing recognition that geologists require new approaches and skills in order to discover significant deposits into the future. The Master of Ore Deposit Geology has been designed for practicing geoscientists who want to gain up-to-date knowledge and skills relevant to economic geology and mineral exploration.

**REQUIREMENTS**
To be considered for admission to this course an applicant must have—

1. a Bachelor of Geology, or an equivalent qualification, as recognised by UWA, and
2. the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

**CAREER OPPORTUNITIES**
Geologist, mining consultant, researcher.

This course enables you to develop skills in geological and geophysical data analysis and integration of datasets related to sedimentary basin analysis and petroleum geoscience. Emphasis is placed on the development of practical skills underpinned by conceptual knowledge, and the application of both to solving problems related to basin history and petroleum exploration through coursework and research project components of the course.

**REQUIREMENTS**
To be considered for admission to this course an applicant must have—

1. a Bachelor of Geology or Geoscience, or an equivalent qualification, as recognised by UWA, and
2. the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

**CAREER OPPORTUNITIES**
Academic, university lecturer, scientist.

The Master of Science is a research degree allowing you to gain advanced knowledge in your chosen area of study: Agriculture and Environment, Biological Sciences, Earth Sciences, Human Sciences, Molecular Sciences or Psychological Science. You'll gain advanced understanding and skills in your chosen area of study through undertaking a supervised research project and coursework units that include a literature review/proposal unit and an advanced coursework unit.

**REQUIREMENTS**
To be considered for admission to this course an applicant must have—

1. a Bachelor of Science with at least upper second class honours (2A), or an equivalent qualification, as recognised by UWA, and
2. a written agreement by a suitable research supervisor.
Master of Science Communication

CRICOS CODE: 06184J
UWA COURSE CODE: 51580
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$39,500 per year

CAREER OPPORTUNITIES
Communications officer, health promotion officer, marketing officer

Science communicators use their knowledge of science to help raise the level of understanding about important issues in science, bridging the gap between the scientific community and the public. This course is aimed at students who already have a background in science or communication and wish to learn the principles and practical skills of effective science communication.

REQUIREMENTS
To be considered for admission to this course an applicant must have –
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent

uwa.edu.au/study/m/science-communication

Professor Richard J Hobbs FAA is a UWA professor, IAS Distinguished Fellow and an internationally renowned ecologist. The Australian Academy of Science Fellow also heads up the Ecosystem Restoration and Intervention Ecology Research Group (ERIE) and was awarded an ARC Australian Laureate Fellowship for his research into ‘Intervention ecology: managing ecosystems in the 21st century’.

Professor Hobbs is a highly cited author who has written extensively on:

• vegetation dynamics and management
• ecosystem fragmentation
• ecosystem rehabilitation and restoration
• landscape ecology
• conservation biology.

Currently, his research focuses on managing and restoring ecosystems in a rapidly changing world – and there’s no place more ideal to do that than Western Australia.

Over his career, he has worked with the CSIRO Division of Wildlife and Ecology in Western Australia and worked on the dynamics of fragmented ecosystems in the Wheatbelt, becoming the Officer in Charge of the Western Australian laboratory in 1997. In 2000 Professor Hobbs took up a Chair in Environmental Science at Murdoch University and was awarded an ARC Australian Professorial Fellowship in 2006.
“Western Australia, and the South West in particular, is one of five of the most diverse parts of the planet, so as an ecologist it’s a fascinating place to be. We’re still learning so much about the plants and animals here, still discovering new ones, so it’s a biological frontier.”

PROFESSOR RICHARD HOBBS
INTERNATIONALLY RECOGNISED ECOLOGIST
Creative and strategic thinkers come together to push the boundaries of knowledge, culture, habitats and landscapes. At UWA, you’ll be part of a community that aims to understand the architecture, landscape and art of Australian cities and housing, creating an impact on Australia and the world.

Our courses prepare you for a wide range of careers in areas such as architecture, building information modelling, landscape architecture, urban design, urban and regional planning and more.

Our research focuses on Western Australian and Australian cities and housing, contemporary landscape theory, urban ecology and biophilic design, visual and building cultures, contemporary Australian art theory and practice, Indigenous art, and Byzantine architecture.

Top five reasons to study Architecture, Design and Planning at UWA

- Learn from award-winning, internationally recognised teachers and practitioners.
- All courses have strong practical and creative components.
- Impressive industry and community engagement allows you to work on real-world projects, ranging from housing to museums to space stations.
- Make use of equipment and state-of-the-art facilities such as plastic-extrusion 3D printers, laser cutters, printmaking studios and 24/7 computer labs.
- Our students have won national and international student competitions.

Study Architecture, Design and Planning to create cities, cultures and communities for a sustainable future.
Master of Architecture

CRICOS CODE: 08473CG
UWA COURSE CODE: 25520
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 2–3.5* years full time
2021 TUITION FEE: AUD$37,400 per year

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 60 per cent.

SPECIALISATIONS
Building Information Modelling, Landscape Design, Social Impact Design, Urban Design

PROFESSIONAL ACCREDITATION
The Master of Architecture is professionally accredited and meets the requirements of the Architects Board of Western Australia and the Australian Institute of Architects. Following the completion of the course, you must undertake a minimum of two years’ professional work experience under the direction of a registered architect, and then pass the Architectural Practice Examination (APE) before being eligible to register as an architect in Australia.

CAREER OPPORTUNITIES
Architect, urban designer, project manager

The Master of Architecture course provides an education in the conceptualisation, design and construction of buildings and other structures across a range of types and scales. You’ll develop an ability to integrate information drawn from a range of subject areas, and acquire advanced knowledge and skills that prepare you for successful careers in the creative and diverse world of architectural practice.

Building Information Modelling

CAREER OPPORTUNITIES
Architect*, digital engineer*, project manager

Building Information Modelling (BIM) is a new paradigm in construction. The industry uses 3D models as the basis of a building inception, design, construction management and facilities management. Mastery of BIM puts you at the forefront of the construction industry, allowing you to have a direct impact on the quality of our built environment and to become a decision-maker rather than simply a team member.

Master of Landscape Architecture

CRICOS CODE: 084739F
UWA COURSE CODE: 25550
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 2*–3 years full time
2021 TUITION FEE: AUD$36,800 per year

CAREER OPPORTUNITIES
Landscape architect, landscape architectural draftsperson, environmental manager

The Master of Landscape Architecture provides an education in the design, management and resilience of natural and built landscapes for the benefit of our communities and to improve the quality of the environment. Students gain the knowledge and skills to respond to complex issues such as climate change and biodiversity loss by applying systems thinking and creative practice to develop long-term, multi-scale solutions.

uwa.edu.au/study/m/architecture
SPECIALISATIONS
Environmental Planning; Research; Urban Design

PROFESSIONAL ACCREDITATION
The Master of Landscape Architecture is accredited by the Australian Institute of Landscape Architects. After finishing the Master of Landscape Architecture, graduates must complete at least two years of professional practice before being eligible to become a registered landscape architect.

REQUIREMENTS
To be considered for admission to this course an applicant must have:
1. (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 60 per cent.

* Two years for students with an undergraduate major in Landscape Architecture or three years full time for students without previous studies in Landscape Architecture.

uwa.edu.au/study/m/landscape-architecture

Urban Design

CAREER OPPORTUNITIES
Urban designer, architect*, city/town planner

Explore the urban jungle, studying at the Australian Urban Design Research Centre, and develop techniques of sustainable urban design suited to this urban century. Develop an in-depth understanding of urban design theories and issues, techniques of urban analysis and skills for the design and development of sustainable neighbourhoods and cities. You can take the Graduate Certificate in Urban Design on its own or continue to the Graduate Diploma in Urban Design or Master of Urban Design.

Master of Urban and Regional Planning

CRICOS CODE: 074960F
UWA COURSE CODE: 72560
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5–2 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Urban and town planner, principal planner, urban growth coordinator

Urban and regional planners ensure that cities, towns and regions have vibrant economies and communities, provide for a high quality of life, and are environmentally sustainable. To achieve this, planners need a good understanding of the way in which societies, economies and environments operate and interact. This master’s and its entry qualification provide knowledge of concepts and methods in urban and regional planning and is ideal if you’d like to upskill, change or start a career in planning.

PROFESSIONAL ACCREDITATION
The Master of Urban and Regional Planning is accredited by the Planning Institute of Australia (PIA) and graduates are eligible to apply for membership in the Urban and Regional Planning chapter.

REQUIREMENTS
To be considered for admission to this course an applicant must have:
1. (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, and
(c) successfully completed prior study in a field relevant to urban planning;

or
2. significant work experience including at least five years with a material level of responsibility.

uwa.edu.au/study/m/urban-and-regional-planning
“During my time at UWA I enjoyed meeting new people and being involved in group projects. This will prepare me for the future work industry where I will be required to work with different people with a range of skills. In addition, the lecturers are always ready to assist and provide positive feedback. It is also great to learn how to correctly undertake the design process – a critical part of being a successful designer is first establishing a sound design foundation and then building on this with a rigorous and structured approach.”

FILIPPO
MASTER OF LANDSCAPE ARCHITECTURE
Business and Commerce

Studying Business and Commerce at UWA will develop your analytical, communication and problem-solving skills, and provide the knowledge and real-world experiences to prepare you for a career in corporate, government or not-for-profit sectors.

UWA is home to the only Business School in WA, and one of only eight institutions in Australia, to be accredited by both the European Quality Improvement System (EQUIS) and the Association to Advance Collegiate Schools of Business (AACSB). These are leading business school accreditations in Europe and North America, meaning employers around the world recognise the quality of a UWA degree in business.

The UWA Business School is one of the premier business schools in the Asia-Pacific region, and we have connections with 30+ corporate supporters, including ATCO, BHP, Wesfarmers Limited, Perth Energy, Woodside, Bankwest, KPMG, Chevron and more.

We’re committed to a research culture that focuses on international excellence, supporting research centres and entities such as the Cooperative Enterprise Research Unit, Centre for Business Data Analytics, and Centre for Social Impact.

Top five reasons to study Business and Commerce at UWA

• Leading academics who are conducting research, working in their field or consulting with industry.
• High-level industry networks through events and programs.
• Globally recognised accreditations.
• Learn skills for real-world situations and gain insight into industry practice.
• Graduates include company directors, business leaders and an entrepreneur who designed the billion-dollar app Canva.
Master of Applied Finance

CRICOS CODE: 08270B
UWA COURSE CODE: 42560
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
DURATION: 1.5 years full time
2021 TUITION FEE: AUD$42,300 per year

CAREER OPPORTUNITIES
Consultant, insurance broker, superannuation fund manager

Covering a wide range of applied finance topics, this specialised master’s course leads to careers in corporate banking and finance, stock-market trading, insurance, investment management and other areas of applied finance. This is a practical course designed for graduates already working in the finance sector, as well as those with a non-finance background who wish to move into the finance area.

PROFESSIONAL ACCREDITATION
Recognised by the Chartered Financial Analyst (CFA) Institute as part of the CFA Institute University Affiliation Program. This indicates our graduates are well-prepared to undertake the CFA Program exams.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) a bachelor’s degree, or an equivalent qualification, including an Introductory Financial Accounting unit or equivalent, as recognised by UWA; and either:
(a) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, or
(b) at least two years’ professional experience in a relevant occupation;
(2) significant work experience, including at least five years with a material level of responsibility.

uwa.edu.au/study/m/applied-finance

Graduate Certificate in Finance

CRICOS CODE: 097870G
UWA COURSE CODE: 41250
INTAKE: Semester 1, Semester 2
COURSE DURATION: 0.5 years full time
2021 TUITION FEE: AUD$21,100 full course

CAREER OPPORTUNITIES
Consultant, financial risk-management adviser, investment banker

Are you looking for a career in corporate banking and finance, stock-market trading, insurance, investment management and other areas of applied finance? The Graduate Certificate in Finance is designed to provide you with a practical grounding in financial affairs.

ADMISSION REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) a bachelor’s degree, or an equivalent qualification, including an Introductory Financial Accounting unit or equivalent, as recognised by UWA; and either:
(a) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, or
(b) at least two years’ professional experience in a relevant occupation; or
(2) significant work experience, including at least five years with a material level of responsibility.

Graduate Certificate in Business

CRICOS CODE: 089264G
UWA COURSE CODE: 41210
INTAKE: Trimester 1, Trimester 2, Trimester 3
DURATION: 0.5 years full time
2021 TUITION FEE: AUD$25,000 full course

CAREER OPPORTUNITIES
Account manager, finance manager, general manager

This course will equip you with knowledge in the principal areas of business. The full-time, part-time or online course consists of four units, covering topics in accounting, economic management, marketing and organisational behaviour. It can also serve as an entry pathway to the Master of Business Administration (MBA) Flexible.

ADMISSION REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and at least three years of relevant documented professional experience, and
(i) the equivalent of a UWA Weighted Average Mark of at least 60 per cent, or
(ii) a valid Graduate Management Admission Test (GMAT) score of at least 550*, or
(iii) at least two additional years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course; and
(b) (i) a UWA graduate certificate which articulates with this course; and
(ii) the equivalent of a UWA Weighted Average Mark of at least 70 per cent.

uwa.edu.au/study/gc/business

Master of Business Administration (Flexible)

CRICOS CODE: 046894K
UWA COURSE CODE: 42520
COURSE TYPE: Coursework
INTAKE: Trimester 1, Trimester 2, Trimester 3
COURSE DURATION: 16 months full time

CAREER OPPORTUNITIES
CEO, managing director, regional manager

Learn how to lead in any situation, whether it be building a commercial enterprise or not-for-profit organisation from the ground up, or running a large, multinational company. The Master of Business Administration (MBA) Flexible has a strong focus on current business trends and is highly desirable for professionals looking to move into higher levels of management.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(i) the equivalent of a UWA Weighted Average Mark of at least 60 per cent, or
(ii) a valid Graduate Management Admission Test (GMAT) score of at least 550*, or
(iii) at least two additional years of relevant documented professional experience considered by UWA to be sufficient to permit satisfactory completion of the course; and
(b) (i) a UWA graduate certificate which articulates with this course; and
(ii) the equivalent of a UWA Weighted Average Mark of at least 70 per cent.

uwa.edu.au/study/mba-flexible

* GMAT scores are valid for five years.
Master of Business Administration (Intensive)

CRICOS CODE: 081415F
UWA COURSE CODE: 43520
COURSE TYPE: Coursework and Dissertation
INTAKE: Trimester 1
COURSE DURATION: 1-1.5 years full time
2021 TUITION FEE: AUD$41,400 per year

CAREER OPPORTUNITIES
Business development manager, consultant, strategist

Our MBA Intensive gives you outstanding preparation for getting the job you want. The course includes a personalised Authentic Leadership Program developed for you by a world-class leadership faculty, one-on-one mentoring from a senior industry figure, careers coaching and workshops, and a strategic analysis and consulting project.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, and
(c) at least two years' professional experience in a relevant occupation, and
(2) (a) a valid Graduate Management Admission Test (GMAT)* score, and at least three years of relevant, documented professional experience, or
(b) a valid GMAT* score of at least 650, and at least two years of relevant, documented professional experience.

* GMAT scores are valid for five years

uwa.edu.au/study/m/business-analytics

Master of Business Information and Logistics Management

CRICOS CODE: 088240A
UWA COURSE CODE: 41670
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
DURATION: 1.5 years full time
2021 TUITION FEE: AUD$40,700 per year

CAREER OPPORTUNITIES
Business or data analyst, online marketing specialist, IT support or information manager

Build your skills in project management, and focus on improving quality, workflow management, processes and systems. Business Information and Logistics Management blends studies in information systems, management science and decision-support systems, enabling you to examine a variety of critical issues in business.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) a bachelor's degree, or an equivalent qualification, as recognised by UWA, and either
(a) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, or
(b) at least two years' professional experience in a relevant occupation; or
(2) completed a Graduate Certificate in Business Information and Logistics Management or a Graduate Certificate in Commerce at UWA.

uwa.edu.au/study/m/business-information-logistics-management

Master of Business Psychology

CRICOS CODE: 093572E
UWA COURSE CODE: 73550
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
DURATION: 2 years full time
2021 TUITION FEE: AUD$39,500 per year

CAREER OPPORTUNITIES
Organisational development manager, human resources manager, change leader

For many of us, our work is where we spend most of the day. Improving people’s psychological health at work not only reduces stress, absenteeism and conflict but also improves overall productivity. You’ll learn how to translate insights from applied psychological science into everyday practice to create better workplaces. You’ll be taught by a team of experts in various aspects of workplace psychology, who have many years of experience in industry and research, and a passion for sharing their knowledge.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) the equivalent of a three-year bachelor's degree in Psychology, with the equivalent of a UWA Weighted Average Mark of at least 60 per cent, or
(b) the equivalent of any three-year bachelor's degree other than Psychology, with the equivalent of a UWA Weighted Average Mark of at least 60 per cent, and
(c) successful completion of the Graduate Certificate in Business Psychology with a Weighted Average Mark of at least 60 per cent (students will gain advanced standing for the units completed in the Graduate Certificate in Business Psychology).
To be considered for admission to this course an applicant must have–

(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and  
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, or  
(c) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 1 units of a relevant major; and  
(d) (i) demonstrated native or near-native proficiency in the chosen language specialisation, or  
(ii) for French, Italian, German, and Spanish, B2/C1 levels of the Common European Framework of Reference for Languages, for Chinese, HSK 4 to 5, for Japanese, Level N2/ N3 at the JLPT (Japanese Language Proficiency Test), for Indonesian, Level 3 at the UKBIL (Ujian Kemahiran Bahasa Indonesia) or Level 4 at the ISLPR (International Second Language Proficiency Ratings), and for Korean, Level 4 at the TOPIK (Test of Proficiency in Korean).

To be considered for admission to this course an applicant must have–

(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and  
(b) at least two years' professional experience in a relevant occupation; or  
(c) significant work experience, including at least five years with a material level of responsibility.

To be considered for admission to this course an applicant must have–

(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and  
(b) at least two years' professional experience in a relevant occupation; or  
(c) significant work experience, including at least five years with a material level of responsibility.

This double master’s degree is the only one of its kind in Australia, and teaches complementary skills in business and translation studies. You’ll complete translation training between English and one of eight Asian and European languages, alongside a commerce specialisation, the skills you develop making you a bilingual professional employable in a broad range of national and international settings.

You will be eligible to sit the National Accreditation Authority of Translators and Interpreters (NAATI) test for Certified Translator or Advanced Professional Translator.

To be considered for admission to this course an applicant must have–

(a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; and  
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, or  
(c) the equivalent of a UWA weighted average mark of at least 65 per cent in the Level 1 units of a relevant major; and  
(d) (i) demonstrated native or near-native proficiency in the chosen language specialisation, or  
(ii) for French, Italian, German, and Spanish, B2/C1 levels of the Common European Framework of Reference for Languages, for Chinese, HSK 4 to 5, for Japanese, Level N2/ N3 at the JLPT (Japanese Language Proficiency Test), for Indonesian, Level 3 at the UKBIL (Ujian Kemahiran Bahasa Indonesia) or Level 4 at the ISLPR (International Second Language Proficiency Ratings), and for Korean, Level 4 at the TOPIK (Test of Proficiency in Korean).

To be considered for admission to this course an applicant must have–

(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and  
(b) at least two years' professional experience in a relevant occupation; or  
(c) significant work experience, including at least five years with a material level of responsibility.

To be considered for admission to this course an applicant must have–

(a) a relevant bachelor's degree, or an equivalent qualification, as recognised by UWA; and  
(b) at least two years' professional experience in a relevant occupation; or  
(c) significant work experience, including at least five years with a material level of responsibility.
Master of Human Resources and Employment Relations

CRICOS CODE: 083269F
UWA COURSE CODE: 41660
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
COURSE DURATION: 1.5 years full time
2021 TUITION FEE: AUD$40,100 per year

CAREER OPPORTUNITIES
HR consultant, HR director, recruitment manager, HR officer, employment relations manager

The master’s course gives you a thorough theoretical and practical grounding in the management of people and employment in Australia and overseas, focusing on refining critical problem-solving tools to develop innovative and realistic solutions.

PROFESSIONAL ACCREDITATION
The Master of Human Resources and Employment Relations is accredited by the Australian Human Resources Institute.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA, and either:
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, or
(c) at least two years' professional experience in a relevant occupation, or
(2) completed a Graduate Certificate in Human Resources and Employment Relations or Graduate Certificate in Commerce at UWA.

Master of Industrial and Organisational Psychology

CRICOS CODE: 077549D
UWA COURSE CODE: 53580
COURSE TYPE: Coursework and Dissertation
INTAKE: Semester 1
COURSE DURATION: 2 years full time
2021 TUITION FEE: AUD$39,500 per year

CAREER OPPORTUNITIES
Workplace relations adviser, performance manager, human resources manager

Industrial and Organisational Psychology is a specialist area that applies psychological knowledge and skills to workplaces in order to monitor and improve organisational effectiveness and employee wellbeing and satisfaction. The specialty focuses on deriving principles of individual, group and organisational behaviour and applying this knowledge to the workplace.

ACCREDITATION
The Master of Industrial and Organisational Psychology has been awarded accreditation by the Australian Psychology Accreditation Council (APAC). Graduates are eligible to register with the Psychology Board of Australia and practise as a psychologist with an area of practice endorsement in Industrial and Organisational Psychology.

REQUIREMENTS
To be considered for admission to this course an applicant must—
(1) have an accredited bachelor's honours degree in Psychology with at least an upper second class honours (2A), or an equivalent qualification as recognised by UWA,
(2) be eligible for provisional registration as a psychologist with the Psychology Board of Australia, which includes meeting the Board’s English language registration standard.

Where relevant, admission will be awarded to the highest ranked applicants or applicants selected based on— a satisfactory personal statement, as recognised by UWA, and two satisfactory referees, as recognised by UWA, and a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA, and an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology, and the intake quota for that year.

Doctor of Philosophy and Master of Industrial and Organisational Psychology

CRICOS CODE: 077709D
UWA COURSE CODE: 01880/54580
COURSE TYPE: Thesis and Coursework
INTAKE: Semester 1
DURATION: 4 years full time
2021 TUITION FEE: AUD$47,300 per year

CAREER OPPORTUNITIES
Organisational psychologist, analyst, workplace relations adviser

Industrial and Organisational Psychology is a specialist area that applies psychological knowledge and skills to workplaces with the aim of improving organisational effectiveness and the quality of work life. The combined Doctor of Philosophy and Master of Industrial and Organisational Psychology is a four-year course that combines doctoral research with the coursework component of the Master of Industrial and Organisational Psychology.

ACCREDITATION
The Doctor of Philosophy and Master of Industrial and Organisational Psychology is accredited by the Australian Psychology Accreditation Council (APAC). Graduates are eligible to pursue endorsement in the specialised area of Organisational Psychology through the Psychology Board of Australia's Registrar Program.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) an accredited bachelor’s honours degree in Psychology with at least an upper second class honours (2A), or an equivalent qualification, as recognised by UWA, and
(b) eligibility for provisional registration as a psychologist with the Psychology Board of Australia, and
(c) secured a PhD supervisor from the School of Psychological Science at the time of submitting their application.
Master of Professional Accounting

CRICOS CODE: 083274J
UWA COURSE CODE: 40610
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
COURSE DURATION: 1.5 years full time
2021 TUITION FEE: AUD$44,100 per year

CAREER OPPORTUNITIES
Sales account manager, product developer, public relations officer

The Master of Professional Accounting provides training in the technical aspects of the preparation of accounting data, develops your skills in the application of accounting information to solve problems and make decisions, and develops important professional skills such as communication and critical thinking. You’ll be able to complete the professional study requirements of the Chartered Accountants Australia and New Zealand (CA ANZ) qualification as part of this degree.

PROFESSIONAL ACCREDITATION
This course satisfies the accreditation requirements of the following professional accounting associations: CPA Australia, Chartered Accountants Australia and New Zealand (CAANZ) and the Institute of Public Accountants (IPA). Graduates are eligible to enter the membership programs of these organisations.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and either:
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, or
(c) at least two years’ professional experience in a relevant occupation; or
(2) completed a Graduate Certificate in Commerce at UWA.

* Applicants who have a bachelor’s degree with a major in Accounting, or an equivalent qualification, are not eligible for admission.

uwa.edu.au/study/m/professional-accounting

Master of Marketing

CRICOS CODE: 083273K
UWA COURSE CODE: 41690
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
COURSE DURATION: 1.5 years full time
2021 TUITION FEE: AUD$40,100 per year

CAREER OPPORTUNITIES
Public relations officer, advertising manager, product developer

Marketing focuses on making and keeping customers by finding, communicating and sustaining the competitive advantage that makes a company truly successful. Topics covered in Marketing include advertising, market analysis, competitive strategy and consumer value creation.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and either:
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, or
(c) at least two years’ professional experience in a relevant occupation; or
(2) completed a Graduate Certificate in Commerce at UWA.

* Applicants who have a bachelor’s degree with a major in Accounting, or an equivalent qualification, are not eligible for admission.

Master of Public Policy

CRICOS CODE: 093562G
UWA COURSE CODE: 42580
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 2
COURSE DURATION: 1.5 years full time
2021 TUITION FEE: AUD$38,600 per year

CAREER OPPORTUNITIES
Policy analyst, policy manager, governance manager

Are you interested in how governments can work to create a better future? A successful government must design and implement policies that will further the economic, social and legal interests of its citizens. You will be equipped with a multidisciplinary understanding of the role of government in economic activity, public administration and governance, and legal decision-making.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; or
(c) at least two years’ professional experience in a relevant occupation; or
(2) completed a Graduate Certificate in Public Policy at UWA.

uwa.edu.au/study/m/public-policy

Strategic Communication

CAREER OPPORTUNITIES
Communications specialist, media consultant, media adviser

Develop expertise and gain highly sought-after skills in designing and managing communication strategies, projects and campaigns across a range of media platforms and professional contexts. This course advances your capacity to succeed in a range of media and communication roles and provide effective strategy and leadership for industry, government and community.

“I feel the Master of Business Information and Logistics Management is a unique course. It’s proportionately blended to make engineers understand things with business acumen. In addition to UWA’s eminent professors and their quality of lecturers, we have the opportunity to meet them in person to get personal guidance.”

LAKSHMI,
MASTERS OF BUILDING INFORMATION AND LOGISTICS MANAGEMENT
INTERNATIONAL STUDENT, 2018
With more than 90 years of excellence in legal education, research and service, our Law School will provide you with the knowledge, expertise and skills needed for an array of careers within or outside the legal sector, both nationally and internationally.

The UWA Law School comprises more than 50 scholars and practitioners who share their professional insights with you in the classroom through real case studies and current, relevant advice. Our world-class researchers inspire ethical and innovative approaches to global challenges of the 21st century, with our research rated above world standard (ERA 2018).

You’ll be supported by a close-knit community and dedicated student club where you can participate in moots, attend clerkship presentations and more. You could also undertake a three-week program overseas, spend a whole semester on exchange or gain an additional degree from an international university.

Top five reasons to study Law at UWA

- The UWA Juris Doctor is WA’s only postgraduate qualifying law degree.
- Our award-winning educators are also legal practitioners in Perth’s top-tier law firms.
- You’ll benefit from a number of international partnerships that give you the chance to study overseas at host institutions.
- Join the Blackstone Society, a student representative body founded in 1928.
- Graduates include High Court judges, Queen’s Counsel and Senior Counsel barristers, solicitors, academic lawyers, Rhodes and Fulbright Scholars, and a former prime minister.
Master of Business Administration and Master of Laws

CRICOS CODE: 088010D
UWA COURSE CODE: 43530
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
DURATION: 2 years full time
2021 TUITION FEE: AUD$52,000 per year

CAREER OPPORTUNITIES
Legal consultant, private law firm director, lawyer

This course combines two master’s degrees in business and law to give legal professionals executive business skills. By completing the Master of Business Administration in the first year and the Master of Laws in the second, you’ll further your professional knowledge in law while gaining leadership and management skills to meet the challenges of a dynamic workplace.

REQUIREMENTS
To be considered for admission to this course an applicant must have—

(1) (a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;
(b) at least three years of relevant documented professional experience; and
(i) the equivalent of a UWA Weighted Average Mark of at least 60 per cent;
or
(ii) a valid Graduate Management Admission Test (GMAT) score of at least 550*;
or
(iii) at least two additional years of relevant documented professional experience;
or
(c) a UWA graduate certificate which articulates into the Master of Business Administration, and the equivalent of a UWA Weighted Average Mark of at least 65 per cent;
or
(d) a Graduate Certificate in Business, or an equivalent qualification from a post-experience and accredited course, as recognised by UWA, and the equivalent of a UWA Weighted Average Mark of at least 70 per cent.

* GMAT scores are valid for five years

Master of Commercial and Resources Law

Laws/Law

CAREER OPPORTUNITIES
Lawyer, policy analyst, government officer

This course is designed to equip practicing lawyers and law graduates with an advanced understanding of the law to meet the challenges of the dynamic workplace. You’ll learn from world-class teaching staff and study with the next generation of leaders in legal practice, government, business and the not-for-profit sector.

Master of Legal Practice

By studying a Master of Legal Practice, you’ll be eligible to practice law in WA. You’ll learn from world-class professors and study with the next generation of leaders in legal practice, government, business and the not-for-profit sector. Graduates of this program can apply for admission to legal practice in Western Australia. Requirements for study may be set by the Legal Practice Board.

Juris Doctor

CAREER OPPORTUNITIES
Lawyer, diplomat, policy adviser
A successful career in a demanding profession requires comprehensive training. The Juris Doctor gives you the knowledge and skills necessary to become the lawyer you want to be and a lawyer the world needs. You'll enter the competitive graduate market with an edge, with a prestigious qualification offered by institutions such as Harvard, Yale and Columbia universities.

PROFESSIONAL ACCREDITATION
The Juris Doctor is accredited by the Legal Practice Board of Western Australia.

REQUIREMENTS
To be considered for admission to this course an applicant must have—

(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, or
(b) the equivalent of a UWA grade point average (GPA) of at least 5.5.*

(2) To be considered for admission to this course an Indigenous applicant must have—

(a) (i) held a protection, refugee or humanitarian visa within seven years prior to applying for admission to this course, and
(ii) experienced significant personal, medical, social, educational, cultural or financial disadvantage or hardship, including any disadvantage or hardship resulting from an applicant’s sexual orientation or gender identity that has had an effect on their prior academic studies; or
(b) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(c) (i) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(ii) a School of Indigenous Studies’ Law Admission Test and interview.

(3) To be considered for admission to this course via the Equity and Diversity Pathway an applicant must have—

(a) (i) completed the equivalent of a full semester of the UWA Juris Doctor course at an Australian university; and
(ii) achieved the equivalent of a UWA Weighted Average Mark of at least 60 per cent in that Juris Doctor course.

* All completed tertiary studies will be used when calculating the GPA. The GPA may be calculated by disregarding the lowest four results in the applicant’s undergraduate studies, provided that the final calculation is based on a minimum of 16 units.

To be considered for admission to this course an applicant must have—

(5) (a) at a minimum, completed the equivalent of a full semester of the UWA Juris Doctor course at an Australian university; and
(b) achieved the equivalent of a UWA Weighted Average Mark of at least 60 per cent in that Juris Doctor course.

Early childhood teacher, primary school teacher

This course will qualify you as a primary school teacher with a comprehensive understanding of childhood development and learning. You’ll be introduced to the breadth of learning required of children including science, humanities and social sciences, arts, health and physical education, and will have opportunities to practise your teaching skills in authentic settings throughout the course.

PROFESSIONAL ACCREDITATION
The Master of Teaching is accredited by the Australian Children’s Education and Care Quality Authority (ACECQA) and Teacher Registration Board of Western Australia (TRBWA). Graduates are eligible to register with TRBWA and this entitles them to be legally employed as a teacher in a Western Australian school. Teachers who are registered with the TRBWA can apply for registration in other Australian states.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 60 per cent, and
(c) at least one year of the bachelor’s degree relevant to one or more learning areas in the Early Childhood or Primary school curriculum major, with at least two of those units studied at second-year university level and two at third-year university level; and
(2) Before admission, international students must obtain a criminal record check from their country of origin or recent residence.
(3) Applicants presenting with the IELTS Academic, to satisfy the English Language Competency requirement, must have an overall score of at least 7.5, a minimum score of 7.0 in the Reading and Writing bands, and a minimum score of 8.0 in the Listening and Speaking bands.

* Subject to meeting TRBWA requirements

uwa.edu.au/study/m/teaching

Master of Teaching – Secondary

CRICOS CODE: 095238C
UWA COURSE CODE: 32550
COURSE TYPE: Coursework
INTAKE: Non-standard (pre-Semester 1)
DURATION: 15-2 years full time
2021 TUITION FEE: AUD$32,200 per year

CAREER OPPORTUNITIES
Secondary school teacher

A teacher preparation program for university graduates who seek to begin a rewarding career in education. This course ensures you have an in-depth knowledge of the theory and the practical skills required for secondary teaching. Your subject area expertise, coupled with this sought-after teaching qualification, will see you thrive in the global knowledge society.

PROFESSIONAL ACCREDITATION
The Master of Teaching is accredited by the Teacher Registration Board of Western Australia (TRBWA). Graduates are eligible to register with TRBWA and this entitles them to be legally employed as a teacher in a Western Australian school.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) a degree with six units in a discipline that is relevant for the school curriculum major, with at least two of those units studied at second-year university level and two at third-year university level; and
(c) the equivalent of a UWA Weighted Average Mark of at least 60 per cent.
(2) Before admission, international students must obtain a criminal record check from their country of origin or recent residence.
(3) Applicants presenting with the IELTS Academic, to satisfy the English Language Competency requirement, must have an overall score of at least 7.5, a minimum score of 7.0 in the Reading and Writing bands, and a minimum score of 8.0 in the Listening and Speaking bands.

* Subject to meeting TRBWA requirements

Education

CAREER OPPORTUNITIES
School principal, director of curriculum, education advisor, teacher*, school leader*

The Doctor of Education is designed for research-oriented individuals working in educational roles who wish to contribute to policy and practice in the professional context. You’ll develop substantial content knowledge in cognate areas related to the kinds of career positions and pathways you might wish to pursue, along with substantial knowledge of research principles and methods.

The Master of Education (by Coursework and Dissertation) is designed for professionals in education who wish to expand their expertise and career possibilities. It will introduce you to theory as well as national and international educational practices. You’ll have the opportunity to connect these considerations with your own experiences.

The Master of Education (by Thesis and Coursework) is suited to leaders and professionals in education, health, justice, government administration and management who want to undertake postgraduate study. You’ll be introduced to theory as well as national and international educational practices, and get comprehensive preparation in conceptualising, conducting and reporting research in education.

DOCTOR

CRICOS CODE: 015857E
UWA COURSE CODE: 30810
COURSE TYPE: Thesis and Coursework
INTAKE: Semester 1
DURATION: 3 years full time
2021 TUITION FEE: AUD$34,900 per year

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(1) (a) (i) a bachelor’s degree of this University in a relevant field with first or upper second class honours, or equivalent as recognised by the Faculty; or
(ii) a master’s degree of this University in a relevant field with an average of at least 70 per cent, and adequate research preparation as prescribed in University Policy, or equivalent as recognised by the Faculty;

* Subject to meeting TRBWA requirements

uwa.edu.au/study/m/teaching
and
(b) the equivalent of at least two years’
full-time professional educational
experience.

MASTER'S BY THESIS AND
COURSEWORK

CRICOS CODE: 003029G
UWA COURSE CODE: 31700
COURSE TYPE: Thesis and Coursework
INTAKE: Semester 1, Semester 2
DURATION: 1.5 years full time
2021 TUITION FEE: AUD$32,200 per year

REQUIREMENTS
To be considered for admission to this course
an applicant must have–
(1)  the requirements set out in (a), (b)
or (c) which follow or the equivalent
as recognised by the Faculty, or the
requirements set out in (d) or (e):
(a) (i) a bachelor’s degree of this
University; and
(ii) completed a postgraduate
course in education requiring at
least one year of full-time study;
and
(iii) either two years’ full-time
relevant professional experience
or adequate research preparation
demonstrated to the satisfaction
of the Faculty;
or
(b) (i) the Bachelor of Education of this
University; and
(ii) either two years’ full-time
relevant professional experience
that articulates with the Master of
Education with an average of at least
65 per cent in three coursework units
including a mark of at least 65 per
cent in EDUC5631 Approaches to
Research,
or
(e) (i) completed at least three units
towards a graduate diploma that
articulates with the Master of
Education, and
(ii) completed units relevant to the
requirements of the master’s
course; and
(iii) achieved an average mark of
at least 65 per cent in three
coursework diploma units
including a mark of at least 65 per
cent in EDUC5631 Approaches to
Research.

* With relevant prior qualifications
"I chose to study at UWA because the Graduate School of Education is highly renowned, both nationally and internationally, as an excellent source of evidence-based initial teacher education. Furthermore, the academics are highly experienced educators who have practical experience in school contexts and a strong understanding of education research. Therefore, as a UWA graduate, I am equipped with the practical and theoretical knowledge required to be of immediate benefit to secondary students."

JULIAN,
MASTER OF TEACHING (SECONDARY)
Embarking on an engineering pathway at UWA allows you to develop logical thinking and crucial analytical skills, preparing you for a career in a number of highly paid fields. To ensure you’re ready for a rapidly changing workforce, our School of Engineering has developed leading courses in close consultation with industry.

You’ll gain an in-depth understanding of the social needs that drive innovation, and prepare to meet upcoming global needs, from creating some of the world’s biggest buildings to designing minuscule electronic devices that make a large impact.

If you choose the Master of Professional Engineering you can choose from these specialisations:

- Biomedical Engineering
- Chemical Engineering
- Civil Engineering
- Electrical and Electronic Engineering
- Environmental Engineering
- Mechanical Engineering
- Mining Engineering
- Software Engineering

Our other engineering courses prepare you for a wide range of careers in professional engineering, renewable and future energy, ocean leadership, biotechnology and more.

Top five reasons to study Engineering at UWA

- Collaborate with industry leaders to develop practical, hands-on skills.
- Graduate with a higher-level qualification and wider international recognition with a master’s degree.
- Gain a strong technical foundation to deliver major projects.
- Industry and graduate links provide valuable connections.
- Dedicated, engaged lecturers with professional experience and knowledge.

Engineering is a force to create profound change and improvement in society. At UWA, our goal is to produce independent graduate engineers who are empowered to change the world and seek solutions to humanity’s greatest challenges.
Master of Ocean Leadership

CRICOS CODE: 096270F
UWA COURSE CODE: 62540
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
DURATION: 2 years full time
2021 TUITION FEE: AUD$42,200 per year

CAREER OPPORTUNITIES
Marine researcher, renewable energy developer, marine conservationist, government officer, professional in offshore oil and gas, not-for-profit and aquaculture industries

The Master of Ocean Leadership develops your ocean-related leadership skills and expertise across marine science, engineering, law, resource economics and environmental management. This will enable you to strategically manage human challenges in ocean systems and to implement solutions for the future of our coasts and seas.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(a)  a bachelor’s degree, or an equivalent qualification, as recognised by UWA;
(b)  the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/ocean-leadership

Master of Renewable and Future Energy

CRICOS CODE: 0100266
UWA COURSE CODE: 62560
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
DURATION: 1.5 years full time
2021 TUITION FEE: AUD$41,400 per year

CAREER OPPORTUNITIES
Renewable energy engineer, power systems engineer, renewable resource analyst

As new technologies for the energy sector develop, UWA’s Master of Renewable and Future Energy will prepare you to lead industry changes and ensure more environmentally sustainable energy into the future. Interdisciplinary collaborations throughout your studies will give in-depth technical knowledge and skills to tackle the current challenges and opportunities that come with the uptake of renewable energy and distributed renewable energy in micro-grids.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(a)  a UWA Master of Professional Engineering or a Bachelor of Engineering, or an equivalent qualification, as recognised by UWA;
(b)  the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c)  successfully completed prior tertiary study in electrical and electronic engineering, chemical engineering, or mechanical engineering, or in a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/renewable-future-energy

Master of Professional Engineering

CRICOS CODE: 081025J
UWA COURSE CODE: 62550
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
DURATION: 2-3 years full time
2021 TUITION FEE: AUD$42,200 per year

CAREER OPPORTUNITIES
Engineer, chemical engineer, civil engineer, electrical engineer, electronics engineer, environmental engineer, geotechnical engineer, mechanical engineer, mining engineer, software engineer

The Engineering pathway at UWA is designed to produce versatile graduates qualified to meet industry demand at an advanced level. We aim to push the limits of engineering research and learning, and our research directly informs strategy, policy, training and operations in the real world. You’ll benefit from close interaction with our researchers and from their industry links as you study.

PROFESSIONAL ACCREDITATION
The Master of Professional Engineering has been assessed by Engineers Australia, the national accrediting body, with the Electronic and Electrical, Environmental, Chemical, Civil, Mechanical and Mining Engineering specialisations fully accredited. Additionally, the MPE Chemical Engineering specialisation is accredited by the Institute of Chemical Engineers (IChemE) and the Software Specialisation has been provisionally accredited by the Australian Computer Society (ACS). Our graduates are recognised internationally through the Washington Accord of the International Engineering Alliance.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(a)  a UWA bachelor’s degree with a major in Engineering Science;
(b)  a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(i)  the equivalent of a UWA Weighted Average Mark of at least 65 per cent; and
(ii)  prior studies in engineering, physics or mathematics
or
(ii)  completed units in the Master of Professional Engineering Preliminary course at UWA, as prescribed by the Faculty;
or
(iii)  completed a UWA Diploma in Science with a major in Engineering Science.

1 Students are required to achieve a course Weighted Average Mark of at least 50 per cent in their bachelor’s degree, or a Weighted Average Mark of at least 50 per cent in the Level 3 units of the Engineering Science major.

uwa.edu.au/study/m/professional-engineering

Master of Professional Engineering Preliminary

CRICOS CODE: 074100F
UWA COURSE CODE: 60450
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
DURATION: 0.5-1.5 years full time
2021 TUITION FEE: AUD$42,200 per year

CAREER OPPORTUNITIES
Engineer, chemical engineer, civil engineer, electrical engineer, electronics engineer, environmental engineer, geotechnical engineer, mechanical engineer, mining engineer, software engineer

For students with a bachelor’s degree in a non-engineering area of study, this course enables you to move into the Master of Professional Engineering on completion. If you have completed studies in engineering, mathematics or physics to an appropriate level within your undergraduate degree, you may be eligible to have these studies recognised, reducing the length of your course.

REQUIREMENTS
To be considered for admission to this course an applicant must have–
(i)  a bachelor’s degree, or an equivalent qualification, as recognised by UWA;
and
(ii)  the equivalent of a UWA Weighted Average Mark of at least 65 per cent; and
and
(iii)  completed Mathematics Methods ATAR, or equivalent, as recognised by UWA.

uwa.edu.au/study/m/professional-engineering-preliminary
Health and Biomedical Sciences

Are you passionate about advancing the health and wellbeing of communities? Studying Health and Biomedical Sciences at UWA will develop your analytical, technical and problem-solving skills, and provide you with the knowledge and practical experience for careers as diverse as clinical practice, medical research or public health.

The global demand for graduates with health and medical expertise is growing. You may choose to become a health practitioner, working directly with patients in hospital or community-based settings, but studies in this area also provide excellent preparation for careers in research, training, policy, planning and management.

We have WA’s most comprehensive range of accredited pathways to a professional career in health, including medicine, dentistry, optometry, pharmacy, podiatric medicine, psychology, social work and clinical pathology.

You can also join the in-demand health industry through a postgraduate qualification in public health, infectious diseases, nutrition, exercise and health, clinical exercise physiology or sport science.

We are tightly integrated with the Western Australian health system, public and private health providers, consumer advocacy groups and community health organisations. This close interaction ensures you will be equipped with the skills and knowledge to become a health leader of the future.

Our pioneering research continues to have an impact on the health of people worldwide, be it in preventing preterm birth, discovering the genetic basis of inherited and acquired disorders, or regenerative medicine.

Our researchers all share the desire to make a difference by translating their discoveries into clinical practice. Interdisciplinary collaboration is at the heart of our research success.

Top five reasons to study Health and Biomedical Sciences at UWA

- Real-world experience with lab-based learning, industry placements and research projects.
- Classes at UWA Health Campus on the Queen Elizabeth II Medical Centre site, the largest medical centre in the Southern Hemisphere.
- Be taught by leading experts in their field, who have won national teaching awards.
- Gain skills to meet global demand for graduates with health expertise.
- We are ranked 29th in the world for Clinical Medicine and 33rd for Human Biological Sciences (ARWU 2020).

Our Health and Biomedical Sciences courses are ranked 23rd in the world for Anatomy and Physiology (QS WUR by Subject 2020).
Master of Clinical Audiology

**CRICOS CODE:** 033772E
**UWA COURSE CODE:** 90540
**COURSE TYPE:** Coursework
**INTAKE:** Semester 1
**DURATION:** 2 years full time
**2021 TUITION FEE:** AUD$44,900 per year

**CAREER OPPORTUNITIES**
Audiologist, researcher, health promotion officer

Audiology is the clinical science involving the prevention, assessment and rehabilitation of hearing loss and associated communication disorders. UWA’s Master of Clinical Audiology is one of only five university audiology programs offered in Australia. You’ll develop an understanding of the professional practice in clinical audiology and also benefit from extensive supervised clinical placements.

**PROFESSIONAL ACCREDITATION**
The Master of Clinical Audiology is accredited by Audiology Australia, and graduates are eligible for full membership after completion of an Audiology Australia internship program.

**REQUIREMENTS**
To be considered for admission to this course an applicant must have—
1. (a) a bachelor’s degree, or equivalent qualification, as recognised by UWA; and
   (b) demonstrated adequate knowledge of at least one year of relevant professional experience.
2. Students must obtain a current National Police Certificate or a National Criminal History Check or equivalent certification from country of residence, indicating no criminal conviction. The currency of a National Police Certificate or a National Criminal History Check is 12 months.

Doctor of Philosophy and Master of Clinical Audiology

**CRICOS CODE:** 033773E
**UWA COURSE CODE:** 00840
**COURSE TYPE:** Coursework and Thesis
**INTAKE:** Semester 1
**DURATION:** 4 years full time
**2021 TUITION FEE:** AUD$42,200 per year

**CAREER OPPORTUNITIES**
Audiologist, academic, researcher

The Doctor of Philosophy and Master of Clinical Audiology is the only Australian university course allowing you to develop your knowledge of clinical audiology with structured coursework units while pursuing new research with guidance from an expert supervisor.

**PROFESSIONAL ACCREDITATION**
The Doctor of Philosophy and Master of Clinical Audiology is accredited by Audiology Australia, and graduates are eligible for full membership after completion of an Audiology Australia internship program.

**REQUIREMENTS**
To be considered for admission to this course an applicant must have—
1. (a) an honours degree of at least 2A level, or a qualification recognised as equivalent by the Board of the Graduate Research School (the Board) and the Faculty; and
   (b) satisfied the requirements of Doctor of Philosophy Rule 2, and
2. a current National Police Certificate, National Criminal History Check or equivalent certification from country of residence, indicating no criminal conviction. The currency of a National Police Certificate or a National Criminal History Check is 12 months.

Master of Clinical Audiology

**CRICOS CODE:** 051502J
**UWA COURSE CODE:** 51500
**COURSE TYPE:** Coursework
**INTAKE:** Semester 1
**DURATION:** 2 years full time
**2021 TUITION FEE:** AUD$40,400 per year

**CAREER OPPORTUNITIES**
Community or hospital-based pharmacist

This course provides advanced study in the areas of pharmacy practice, clinical pharmacy, pharmaceutics, medicinal chemistry, pharmacotherapy and health systems, and includes practical training in community and hospital pharmacy.

**PROFESSIONAL ACCREDITATION**
This course is fully accredited by the Australian Pharmacy Council. Graduates are eligible to register to practise as a pharmacist in Australia and New Zealand after completion of an internship in a community or hospital pharmacy.

**REQUIREMENTS**
To be considered for admission to this course an applicant must have—
1. (a) a bachelor’s degree or an equivalent qualification, as recognised by UWA; and
   (b) the equivalent of a UWA Grade Point Average (GPA) of at least 5.0; and
   (c) demonstrated adequate knowledge of each of the following: chemistry (at Year 12 or tertiary level), mathematics (Year 12 or tertiary level mathematics or statistics), microbiology (at tertiary level) and pharmacology (at tertiary level), and
   (d) a current Australian National Police Certificate, or equivalent certification, indicating no criminal convictions. The currency of a National Police Certificate is 12 months.

Doctor of Podiatry

**CRICOS CODE:** 064876G
**UWA COURSE CODE:** 90820
**COURSE TYPE:** Thesis and Coursework
**INTAKE:** Semester 1
**DURATION:** 3 years full time
**2021 TUITION FEE:** AUD$55,800 per year

**CAREER OPPORTUNITIES**
Public health policy adviser, researcher

This course provides additional theoretical and clinical knowledge in podiatric medicine and surgery beyond the Bachelor of Podiatric Medicine or Doctor of Podiatric Medicine. Topics include biostatistics and research methodology, practical aspects of extended patient care, and patient-oriented research, including the ethics and communication of research, resulting in publication of an original thesis.

**REQUIREMENTS**
To be considered for admission to this course an applicant must have—
1. (a) the Bachelor of Podiatric Medicine from this University, or equivalent, as recognised by the Faculty; and
   (b) at least one year of relevant professional experience.
Doctor of Podiatric Medicine

CRICOS CODE: 076343A  
UWA COURSE CODE: 90870  
INTAKE: Semester 1  
DURATION: 3 years full time  
2021 TUITION FEE: AUD$57,700 per year

COURSE TYPE: Coursework and Dissertation

UWA COURSE CODE: 90830

Doctor of Podiatric Medicine

This course provides theoretical and clinical knowledge in podiatric surgery beyond the Bachelor of Podiatric Medicine or Doctor of Podiatric Medicine. Topics include biostatistics, research methodology, advanced podiatric medicine, theoretical and practical aspects of elective foot surgery and/or management of the high-risk foot, and patient-oriented research, including ethics and communication of research, resulting in a dissertation.

PROFESSIONAL ACCREDITATION

Graduates are eligible for registration with the Podiatry Board of Australia as a podiatric surgeon.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

(a) a Bachelor of Podiatric Medicine, or an equivalent qualification, as recognised by UWA, and
(b) minimum GPA of 5.0 or equivalent; and
(c) at least two years of relevant professional experience.

uwa.edu.au/study/d/podiatric-medicine

Doctor of Optometry

CRICOS CODE: 0101919  
UWA COURSE CODE: 71520  
INTAKE: Semester 1, Semester 2  
DURATION: 1.5-2 years full time  
2021 TUITION FEE: AUD$40,700 per year

COURSE TYPE: Coursework or Dissertation

Doctor of Optometry

This course encompasses a range of biomedical science, addressing global biomedical challenges such as obesity, cancer, neurological diseases and cardiovascular disease. It draws on the disciplines of anatomy, physiology, biochemistry and neuroscience, and the paraclinical disciplines of microbiology, pathology and pharmacology to understand and treat human disease.

REQUIREMENTS

To be considered for admission to this course an applicant must have—

(a) a Bachelor of Science, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c) successfully completed prior tertiary study in
(i) biology, biomedical science, health science, or medicine for the Neuroscience specialisation; or
(ii) biology, biochemistry, chemical biology or molecular biology for the Biochemistry and Molecular Biology specialisation; or
(iii) biochemistry and molecular biology for the Biochemistry and Molecular Biology specialisation; or
(d) completed a human biology, animal biology, physiology, pharmacology, genetics or microbiology unit at a tertiary level; and completed a chemistry or biological chemistry unit at a tertiary level.

uwa.edu.au/study/d/optometry

BIOMEDICAL SCIENCES

Master of Biomedical Science

CRICOS CODE: 083856J  
UWA COURSE CODE: 71520  
INTAKE: Coursework or coursework and dissertation  
DURATION: 1.5-2 years full time  
2021 TUITION FEE: AUD$40,700 per year

CAREER OPPORTUNITIES

Biochemist, epidemiologist, health diagnostic and promotion professional

uwa.edu.au/study/d/podiatric-surgery

CAREER OPPORTUNITIES

Community or hospital-based optometrist, public health policy adviser, researcher
(i)  biochemistry and molecular biology and/or physiology for the Food Biochemistry specialisation.

uwa.edu.au/study/m/biomedical-science

Master of Biotechnology

CRICOS CODE: 083859F
UWA COURSE CODE: 71580
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Biotechnologist, biomanufacturing specialist, business development manager

This is a signature program that sets UWA apart from other universities by offering a thorough grounding in state-of-the-art biotechnology and combining this with training in enterprise and commercialisation. This includes developing the theory of genetics and molecular biology in parallel with skills training in practical techniques such as genomics, proteomics, metabolomics, recombinant DNA methods, and basic and advanced bioinformatics.

REQUIREMENTS
To be considered for admission to this course an applicant must have—

(1)  a Bachelor of Science, or an equivalent qualification, as recognised by UWA; and

(2)  For the Biochemistry and Molecular Biology specialisation, an applicant must have—

(a)  successfully completed intermediate units at a tertiary level in biochemistry, or equivalent, as recognised by UWA; and

(b)  successfully completed intermediate units at a tertiary level in molecular biology, or equivalent, as recognised by UWA.

(3)  For the Environmental and Agricultural Biotechnology specialisation, an applicant must have successfully completed Chemistry ATAR, or CHEM1003 Introductory Chemistry, or equivalent, as recognised by UWA.

(4)  For the Genetics and Genomics specialisation, an applicant must have successfully completed intermediate units at a tertiary level in genetics, or equivalent, as recognised by UWA.

(5)  For the AQUAtech specialisation, an applicant must have successfully completed Chemistry ATAR, or equivalent, as recognised by UWA.

uwa.edu.au/study/m/biotechnology

Infectious Diseases

CAREER OPPORTUNITIES
Infectious diseases specialist, biosecurity specialist, medical scientist, molecular biologist

These courses have been developed in response to the international need for advanced training and research in infectious diseases, to better prepare medical scientists, medical professionals, the public sector and other groups. Topics covered include Medical Microbiology, Tropical Infectious Diseases, and Public and Environmental Health Microbiology, with an emphasis on practical laboratory classes and a research project.

DOCTOR OF PHILOSOPHY AND MASTER’S

CRICOS CODE: 081839C
UWA COURSE CODE: 001810/52520
COURSE TYPE: Thesis and coursework
INTAKE: Semester 1
DURATION: 4 years full time
2021 TUITION FEE: AUD$46.500 per year

REQUIREMENTS
To be considered for admission to this course an applicant must have—

(1)  a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(2)  the equivalent of a UWA Weighted Average Mark of at least 60 per cent in the Level 3 units;

(3)  at least three years of relevant full-time professional experience; or

(4)  evidence of adequate research outputs, as recognised by UWA.

1 A relevant bachelor’s degree includes a Bachelor of Science in a biomedical or biological discipline, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Dental Science, and a bachelor’s degree in applied biomedical science or public health (medical technology, nursing, pharmacy, public health, and veterinary science).

uwa.edu.au/study/m/infectious-diseases

GRADUATE DIPLOMA

CRICOS CODE: 058926G
UWA COURSE CODE: 51330
INTAKE: Semester 1
DURATION: 1 year full time
2021 TUITION FEE: AUD$42,800 per year

REQUIREMENTS
To be considered for admission to this course an applicant must have—

(1)  the equivalent of a UWA Weighted Average Mark of at least 60 per cent in the Level 3 units;

(2)  at least three years of relevant full-time professional experience; or

(3)  evidence of adequate research outputs, as recognised by UWA.

1 A relevant bachelor’s degree includes a Bachelor of Science in a biomedical or biological discipline, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Dental Science, and a bachelor’s degree in applied biomedical science or public health (medical technology, nursing, pharmacy, public health, and veterinary science).

uwa.edu.au/study/gd/infectious-diseases

Master of Pathology

CRICOS CODE: 094603J
UWA COURSE CODE: 92610
COURSE TYPE: Thesis and Coursework
INTAKE: Semester 1
DURATION: 1 year full time
2021 TUITION FEE: AUD$41,200 per year

REQUIREMENTS
To be considered for admission to this course an applicant must have—

(1)  a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA; and

(2)  the equivalent of a UWA Weighted Average Mark of at least 60 per cent in the Level 3 units;

(3)  at least three years of relevant full-time professional experience; or

(4)  evidence of adequate research outputs, as recognised by UWA.

1 A relevant bachelor’s degree includes a Bachelor of Science in a biomedical or biological discipline, Bachelor of Medicine and Bachelor of Surgery, Bachelor of Dental Science, and a bachelor’s degree in applied biomedical science or public health (medical technology, nursing, pharmacy, public health, and veterinary science).
DENTAL

Doctor of Dental Medicine

CRICOS CODE: 08978B
UWA COURSE CODE: 90860
COURSE TYPE: Coursework
INTAKE: Semester 1
DURATION: 4 years full-time
2021 TUITION FEE: AUD$8,900 per year

CAREER OPPORTUNITIES

Dentist

This degree provides you with the knowledge and skills to enter the dentistry profession. Studies cover fundamental dental and medical sciences, clinical practice modules including patient care, preventative and conservative dentistry, restorative dentistry, and child and adolescent dental health. There is early clinical contact from first year. You actively engage in a research project in the third year. Final year involves independent but supervised practice at The Oral Health Centre of Western Australia, with additional rural and metropolitan clinical placements.

ACCREDITATION

The Doctor of Dental Medicine is accredited by the Australian Dental Council, allowing graduates to practise in the profession at once.

REQUIREMENTS

To be considered for admission to this course an applicant must have—
(1) a Graduate Diploma in a cognate field, or equivalent, as recognised by UWA; and
(2) a UWA Weighted Average Mark of at least 65 per cent.

uwa.edu.au/study/d/dental-medicine

Doctor of Clinical Dentistry

CRICOS CODE: 068911K
UWA COURSE CODE: 90840
COURSE TYPE: Coursework and Dissertation
INTAKE: Non-standard
DURATION: 3 years full-time
2021 TUITION FEE: AUD$69,000 per year

CAREER OPPORTUNITIES

Specialist dentist in one of: endodontics, oral medicine, orthodontics, paediatrics, periodontics, prosthodontics, dento-maxillofacial radiology

The Doctor of Clinical Dentistry (DClinDent) is a three-year, full-time specialist training program for qualified dentists. Coursework covers topics in biostatistics, research methodology, oral and maxillofacial radiography and radiology and practical aspects of specialist dentistry. The program also involves a supervised research project presented as a formal research report/dissertation, and in some cases submitted to suitable professional journals for consideration for publication.

ACCREDITATION

The Doctor of Clinical Dentistry is accredited by the Australian Dental Council (ADC). Graduates are eligible for registration to practise as a specialist dentist in their chosen specialty in Australia and New Zealand.

REQUIREMENTS

To be considered for admission to this course an applicant must have—
(1) a Bachelor of Dental Science, or an equivalent qualification, as recognised by UWA; and
(2) at least two years of full-time professional experience or equivalent in the practice of general dentistry; and
(3) the equivalent of a UWA Weighted Average Mark of at least 55 per cent; and
(4) an equivalent qualification that allows dentistry practice, as recognised by UWA; and
(5) current registration as a dentist in Australia.

Health Professions

Education

CAREER OPPORTUNITIES

Health professions educator, education

researcher, staff development educator,

medical educator, clinical educator

A health professions education

qualification equips graduates with

the knowledge and skills to tailor their

teaching to different levels of learners,

from novice to more senior clinicians.

To work successfully in the field of

healthcare education, it is essential to

have formal training in education to

complement your clinical background.

The Master of Health Professions

Education fosters interdisciplinary
discussion and collaboration, and

is designed to suit a range of health

professionals who seek to develop

their knowledge and skills in health

professional education.

The Graduate Diploma in Health

Professions Education will develop

your knowledge beyond the foundation

knowledge acquired in principles of

teaching and learning, assessment,

evaluation and research methods. You

may study full time or part time through

a combination of face-to-face teaching

and online, with some units available as

intensive short courses.

The Graduate Certificate in Health

Professions Education provides

important foundation knowledge in the

principles of teaching and learning,

assessment, evaluation and research

methods in health professions education.
The Doctor of Medicine aims to produce graduates committed to the wellbeing of the patient, community and society, as responsible, accountable, scholarly, capable and caring doctors. You’ll undertake core medical rotations in the medical specialties. A highlight of the course is scholarly activity, in which you choose research, coursework and/or service learning.

ACCREDITATION

The course is accredited by the Australian Medical Council, and graduates are able to be registered for professional practice as a doctor.

REQUIREMENTS

To be considered for admission to this course an applicant must have:

1. (a) a relevant bachelor’s degree, or an equivalent qualification, as recognised by UWA;
   or
2. (i) a level and duration of health-related education and professional experience considered by UWA to be sufficient to permit satisfactory completion of the course;
   or
3. completed the Graduate Certificate in Health Professions Education at UWA.

A relevant bachelor’s degree includes a Bachelor of Medicine and Bachelor of Surgery, and a bachelor’s degree in a health, biomedical or biological sciences-related discipline.

uwa.edu.au/study/d/medicine

Rural and Remote Medicine

CAREER OPPORTUNITIES

Doctor (based rurally), research and development manager

Aimed at medical graduates interested in rural and remote medicine, and who wish to pursue a career in research or
teaching, the range of research topics in this area is expansive, from large-scale epidemiological studies to educational, qualitative or clinical studies. The graduate certificate comprises four units relating to rural teaching, research and philosophy.

**PUBLIC HEALTH**

**Public Health**

**CAREER OPPORTUNITIES**

Research officer, health project/program manager, policy analyst

There are two course options to complete your Master of Public Health at UWA: the 1.5-year course can be completed with a dissertation or practicum, or entirely with coursework units; and the two-year course allows you to develop expertise in a particular area. These areas are: Public Health Foundations (coursework only), Applied Public Health (coursework and practicum) or Public Health Methodology (coursework and dissertation).

**MASTER'S**

**CRICOS CODE:** 00302A

**UWA COURSE CODE:** 9150

**COURSE TYPE:** Coursework or Coursework and Dissertation

**INTAKE:** Semester 1, Semester 2

**DURATION:** 1.5 years full time

**2021 TUITION FEE:** AUD$39,100 per year

**REQUIREMENTS**

To be considered for admission to this course an applicant must have—

1. (a) (i) a bachelor's degree, or an equivalent qualification, as recognised by UWA; or

(ii) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA; and

(b) the equivalent of a UWA Weighted Average Mark of at least 60 per cent.

(2) Applicants who have or have had a progress status of Suspended or Excluded against courses 92550 or 92560 are not eligible for admission.

uwa.edu.au/study/m/public-health

**GRADUATE CERTIFICATE**

**PUBLIC HEALTH**

**Graduate Certificate in Population Health Studies**

**CAREER OPPORTUNITIES**

Research officer, health project/program manager, policy analyst

This course provides students with an introduction to the fundamental concepts of public health and how public health works to create healthier populations. Students will learn fundamental concepts in a range of public health areas such as epidemiology, biostatistics, qualitative research methods, health economics and health promotion, plus the biological, environmental, economic and social determinants of health.

**REQUIREMENTS**

To be considered for admission to this course an applicant must have—

1. (a) a bachelor's degree, or an equivalent qualification, as recognised by UWA; or

(b) a level of professional rural experience which, in the opinion of the Faculty, would enable the applicant to complete the course;

or

2. (i) a Bachelor of Medicine and Bachelor of Surgery from this University, or equivalent as recognised by the Faculty; and

(ii) a level of prior professional rural experience which, in the opinion of the Faculty, would enable the applicant to complete the course;

or

3. (a) (i) a Graduate Certificate in Population Health Studies, or an equivalent qualification, as recognised by UWA; and

(ii) a level of professional rural experience considered by UWA to be sufficient to permit satisfactory completion of the course.

PSYCHOLOGY

Master of Business Psychology

CRICOS CODE: 093572E
UWA COURSE CODE: 73550
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
DURATION: 2 years full time
2021 TUITION FEE: AUD$39,500 per year

CAREER OPPORTUNITIES
Organisational development manager, human resources manager, change leader

For many of us, our work is where we spend most of the day. Improving people’s psychological health at work not only reduces stress, absenteeism and conflict but also improves overall productivity. You’ll learn how to translate insights from applied psychological science into everyday practice to create better workplaces. You’ll be taught by a team of experts in various aspects of workplace psychology, who have many years of experience in industry and research, and a passion for sharing their knowledge.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) the equivalent of a three-year bachelor’s degree in psychology, with the equivalent of a UWA Weighted Average Mark of at least 60 per cent, or
(b) (i) the equivalent of any three-year bachelor’s degree other than psychology, with the equivalent of a UWA Weighted Average Mark of at least 60 per cent, and
(ii) successful completion of the Graduate Certificate in Business Psychology with a Weighted Average Mark of at least 60 per cent (students will gain advanced standing for the units completed in the Graduate Certificate in Business Psychology).

Doctor of Philosophy and Master of Clinical Neuropsychology

CRICOS CODE: 077708E
UWA COURSE CODE: 01890/54590
COURSE TYPE: Thesis and Coursework
INTAKE: Semester 1
DURATION: 4 years full time
2021 TUITION FEE: AUD$47,300 per year

CAREER OPPORTUNITIES
Neuropsychologist, psychologist, academic

Do you want to become a future leader in the field of clinical neuropsychology? This course aims to produce psychologists who have the necessary academic and practical foundations, skills and experience to become competent clinicians grounded in the scientist-practitioner tradition. This is achieved through the provision of specialist training in clinical neuropsychological assessment, research and intervention skills.

ACCREDITATION
The Doctor of Philosophy and Master of Clinical Neuropsychology is accredited by the Australian Psychology Accreditation Council (APAC). Graduates are eligible to pursue endorsement in the specialised area of clinical neuropsychology through the Psychology Board of Australia’s Registrar Program.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) an accredited bachelor’s honours degree in psychology, with at least an upper second class honours (2A), or an equivalent qualification, as recognised by UWA; and
(b) eligibility for provisional registration as a psychologist with the Psychology Board of Australia, and
(2) secured PhD supervision, with at least one supervisor from the School of Psychological Science at the time of submitting their application.

Graduate Diploma in Clinical Neuropsychology

CRICOS CODE: 083846M
UWA COURSE CODE: 53390
INTAKE: Semester 1
DURATION: 2 years part-time
2021 TUITION FEE: AUD$39,500 per year

CAREER OPPORTUNITIES
Neuropsychologist, research officer, health diagnostic and promotion professional

The Graduate Diploma in Clinical Neuropsychology serves as a bridging degree to allow individuals who are qualified as clinical psychologists with the Psychology Board of Australia, and have completed at least a master’s degree or equivalent in clinical psychology, to upskill in clinical neuropsychology, allowing them eligibility for endorsement as a clinical neuropsychologist with AHPRA.

ACCREDITATION
The Graduate Diploma in Clinical Neuropsychology is accredited by the Australian Psychological Accreditation Council (APAC) to provide an additional area of practice endorsement in clinical neuropsychology for registered psychologists.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) an accredited Master of Clinical Psychology, or an accredited Doctor of Psychology (Clinical Psychology), or an equivalent qualification, as recognised by UWA; and
(b) eligibility for provisional registration as a psychologist with the Psychology Board of Australia, which includes meeting the Board’s English language registration standard.

Graduate Diploma in Clinical Psychology

CRICOS CODE: 083847K
UWA COURSE CODE: 53370
INTAKE: Semester 1
DURATION: 1 year full time
2021 TUITION FEE: AUD$39,500 full course

CAREER OPPORTUNITIES
Clinical psychologist, academic, health diagnostic and promotion professional

The Graduate Diploma in Clinical Psychology is aimed at people who have already completed a master’s degree or equivalent in clinical neuropsychology and are qualified with the Psychology Board of Australia (PsyBA) and who are looking to upskill in clinical psychology. It will provide you with advanced and broader knowledge in the area of clinical psychology assessment and intervention.

ACCREDITATION
The Graduate Diploma in Clinical Psychology is accredited by the Australian Psychology Accreditation Council (APAC) to provide an additional area of practice endorsement in clinical psychology for registered psychologists.

REQUIREMENTS
To be considered for admission to this course an applicant must have—

(1) (a) an accredited Master of Clinical Neuropsychology, or an accredited Doctor of Psychology (Clinical Neuropsychology), or an equivalent qualification, as recognised by UWA, and
(b) a satisfactory personal statement, as recognised by UWA, and
(c) two satisfactory referees, as recognised by UWA, and
(d) a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA.

(2) Applicants must be eligible for provisional registration as a psychologist with the Psychology Board of Australia, which includes meeting the Board’s English language registration standard.
(3) Invitation to attend an interview will be based on assessment of (1) (a), (b), (c), and (d), in alignment with the interview quota for the year.
(4) Eligible applicants who are interviewed will be assessed based on the personal qualities considered desirable in psychology practitioners.
(5) Admission will be awarded to the highest-ranked applicants under (1) and (4) who fall within the intake quota for that year.

Master of Industrial and Organisational Psychology

CRICOS CODE: 077549D
UWA COURSE CODE: 53580
COURSE TYPE: Coursework and Dissertation
INTAKE: Semester 1
DURATION: 2 years full time
2021 TUITION FEE: AUD$39,500 per year

CAREER OPPORTUNITIES
Workplace relations adviser, performance manager, human resources manager

Industrial and Organisational Psychology is a specialist area that applies psychological knowledge and skills to workplaces in order to monitor, assess and improve organisational effectiveness and employee’s wellbeing and satisfaction. The specialty focuses on deriving principles of individual, group and organisational behaviour and applying this knowledge to the workplace.

ACCREDITATION
The Master of Industrial and Organisational Psychology has been awarded Accreditation by the Australian Psychology Accreditation Council (APAC), and graduates are eligible to register with the Psychology Board of Australia and practise as a psychologist with an area of practice endorsement in Industrial and Organisational Psychology.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) have an accredited bachelor’s honours degree in psychology with at least an upper second class honours (2A), or an equivalent qualification as recognised by UWA; and
(b) be eligible for provisional registration as a psychologist with the Psychology Board of Australia, which includes meeting the Board’s English language registration standard.

Where relevant, admission will be awarded to the highest-ranked applicants or applicants selected based on: a satisfactory personal statement, as recognised by UWA, and two satisfactory referees, as recognised by UWA; and a curriculum vitae summarising relevant occupational and practical experience, as recognised by UWA; and an interview in which eligible applicants will be assessed based on the personal qualities considered desirable in psychology; and the intake quota for that year.

uwa.edu.au/study/m/industrial-and-organisational-psychology

Master of Clinical Research

CRICOS CODE: 056098M
UWA COURSE CODE: 90620
COURSE TYPE: Thesis and Coursework
INTAKE: Semester 1, Semester 2
DURATION: 2 years full time
2021 TUITION FEE: AUD$55,400 per year

CAREER OPPORTUNITIES
Clinical researcher

Medicine and dentistry graduates interested in pursuing research may benefit from this course. It provides training in the practical aspects of patient-oriented research, including the ethics of clinical research and effective communication of clinical research results through the core disciplines of clinical investigation, epidemiology and biostatistics.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a Bachelor of Medicine and Bachelor of Surgery or Doctor of Medicine, or an equivalent qualification, as recognised by UWA; or
(b) a Bachelor of Dental Science or Doctor of Dental Medicine, or an equivalent qualification, as recognised by UWA; or
(c) (i) a Bachelor of Biomedical Science, Bachelor of Science, or an equivalent qualification, as recognised by UWA; and
(ii) a Bachelor of Science with a major in psychology, or an equivalent qualification, as recognised by UWA; and
(d) written agreement by a suitable academic on the UWA Register of Supervisors as Coordinating Supervisor to supervise the project; and written approval from their Head of School, Head of Division; and
(e) written agreement by a suitable academic on the UWA Register of Supervisors as Coordinating Supervisor to supervise the project; and written approval from their Head of School, Head of Division; and
(f) if (d) and (e) are the same person, written agreement by a suitable academic on the UWA Register of Supervisors to co-supervise the project, and written agreement by their Head of School, Head of Division.

---

**Graduate Diploma in Advanced Social Work**

**CRICOS CODE: 024808F**

**UWA COURSE CODE: 10370**

**INTAKE:** Semester 1, Semester 2

**DURATION:** 1 year full time

**2021 TUITION FEE:** AUD$35,200 per year

**CAREER OPPORTUNITIES**

Social worker, social policy adviser, community services officer

This course is open to social work graduates with a minimum of two years’ experience as a professional social worker. It involves two compulsory units and a choice from a range of other advanced social work units, depending on availability. The course enables practising social workers to build on their knowledge of advanced social work theory and practice, and research methods.

**REQUIREMENTS**

To be considered for admission to this course an applicant must have—

1. (a) a relevant bachelor’s degree or graduate certificate, or an equivalent qualification, as recognised by UWA, and
2. at least two years of experience as a professionally qualified social worker.

1 Relevant graduate certificate includes a Graduate Certificate in Social Policy Practice, Graduate Certificate in Child Protection Practice, and Graduate Certificate in Mental Health Practice.

uwa.edu.au/study/gd/advanced-social-work
Upskill with our world-class Humanities and Social Sciences programs, designed to build knowledge that is valued in professional practice, and create leaders with a competitive edge in an increasingly digital and global job market.

A qualification in Humanities and Social Sciences can open up a wide range of career options, with our internationally recognised degrees enabling graduates to find employment in exciting careers around the world.

Our courses prepare our graduates for rewarding careers in city planning, foreign affairs and diplomacy, communications, translation, government and non-governmental organisations, business or education.

Pursue study in areas such as translation studies, international relations and development, strategic communication, forensic anthropology, urban and regional planning and public policy. We also offer joint master’s degrees such as the Master of International Law and Master of International Relations, and the Master of Commerce and Master of Translation Studies.

Top five reasons to study Humanities and Social Sciences at UWA

- Internationally renowned and award-winning research leaders and practitioners.
- High-level practical training.
- Opportunities to build your professional network.
- Collaborate with dedicated research centres.
- World-class facilities. Mutsumi no ma, New Fortune Theatre, Archaeology lab.
Master of Urban and Regional Planning

CRICOS CODE: 074960F
UWA COURSE CODE: 72560
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$41,700 per year

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent, or
(2) completed a Graduate Certificate in Urban and Regional Planning; or
(3) significant work experience including at least five years with a material level of responsibility.

CAREER OPPORTUNITIES
Urban and town planner, principal planner, urban growth coordinator

Urban and regional planners ensure cities, towns and regions have vibrant economies and communities, provide for a high quality of life, and are environmentally sustainable. To achieve this, planners need a good understanding of the way in which societies, economies and environments operate and interact. This master’s and its entry qualification provide knowledge of concepts and methods in urban and regional planning and is ideal if you’d like to upskill, change or start a career in planning.

PROFESSIONAL ACCREDITATION
The Master of Urban and Regional Planning is accredited by the Planning Institute of Australia (PIA) and graduates are eligible to apply for membership in the Urban and Regional Planning chapter.

Forensic Anthropology

CAREER OPPORTUNITIES
Crime scene or forensic investigator, consultant osteologist, domestic or federal police officer

Forensic anthropology has practical applications in forensic investigations, as well as humanitarian efforts for the investigation of both living and deceased individuals. The master’s enables you to undertake advanced studies in forensic anthropology, while developing an in-depth knowledge of the human skeleton. You’ll gain a practical understanding of the scientist’s role within the Australian legal system, and have the opportunity to explore various physical anthropological techniques using traditional and digital modalities like morphometrics and computer-graphic facial reconstruction. The graduate diploma and graduate certificate will acquaint you with current developments in forensic sciences of direct relevance to the application to forensic anthropology. These courses can also serve as an entry point into the master’s.

To be considered for admission to this course an applicant must have—

(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c) successfully completed prior study in a field relevant to International Relations;
or
(2) completed a Graduate Certificate in International Relations at UWA.

uwa.edu.au/study/gd/international-relations

Graduate Certificate in International Relations

GRADUATE CERTIFICATE

CRICOS CODE: 069309J
UWA COURSE CODE: 12280
INTAKE: Semester 1, Semester 2
DURATION: 0.5 years full time
2021 TUITION FEE: AUD$16,900 full course

REQUIREMENTS
To be considered for admission to this course an applicant must have—

(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/gc/international-relations

Master of International Relations

Master of International Relations

CRICOS CODE: 086296A
UWA COURSE CODE: 21540
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 2-2.5 years full time
2021 TUITION FEE: AUD$37,300 per year

CAREER OPPORTUNITIES
Intelligence analyst, journalist, parliamentarian

Give your international career a boost by completing two master's degrees—one in international law and another in international relations. Topics include political economy, security and conflict, as well as international criminal and human rights law. Elective units include studies in environmental, oil and gas and World Trade Organization law, as well as in religion, NGOs, Africa, China and US foreign policy.

MASTER OF INTERNATIONAL LAW REQUIREMENTS
To be considered for admission to this course an applicant must have—

(1) (a) a Juris Doctor or Bachelor of Laws, or an equivalent qualification, as recognised by UWA;
or
(2) (a) a bachelor’s degree in a cognate area, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent;
or
(3) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c) at least two years of relevant professional experience.

Strategic Communication

CAREER OPPORTUNITIES
Media strategist, public and corporate communication specialist, strategic communication executive

Develop expertise and gain highly sought-after skills in designing and managing communication strategies, projects and campaigns across a range of media platforms and professional contexts. This course advances your capacity to succeed in a range of media and communication roles and provide effective strategy and leadership for industry, government and community.
Translation Studies

CAREER OPPORTUNITIES
Professional translator, intercultural consultant, language services manager, foreign-language copywriter

Gain world-class specialised translation training at the largest language hub in Western Australia. With the master’s, you’ll complete professionally endorsed (NAATI) translation training between English and one of eight Asian and European languages. Designed for graduates pursuing bilingual and multilingual careers, this course is taught by practitioners and translation researchers to help you develop a competitive edge in an increasingly globalised job market. The graduate certificate will provide you with foundational knowledge about translation theory and practice, and will develop your skills in translating.

MASTER’S
CRICOS CODE: 083878C
UWA COURSE CODE: 12540
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$35,200 per year

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and the equivalent of a UWA Weighted Average Mark of at least 50 per cent;

or
(2) completed a Graduate Certificate or Graduate Diploma in Strategic Communication at UWA.

DURATION: 1 year full time
2021 TUITION FEE: AUD$35,200 per year

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and the equivalent of a UWA Weighted Average Mark of at least 50 per cent;

or
(2) completed a Graduate Certificate in Strategic Communication at UWA.

uwa.edu.au/study/gd/strategic-communication

GRADUATE CERTIFICATE
CRICOS CODE: 083874G
UWA COURSE CODE: 12240
INTAKE: Semester 1, Semester 2
DURATION: 0.5 years full time
2021 TUITION FEE: AUD$17,600 full course

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and the equivalent of a UWA Weighted Average Mark of at least 50 per cent.
Master of Commerce and Master of Translation Studies

CRICOS CODE: 100157
UWA COURSE CODE: 12590
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 2.5-3 years full time
2021 TUITION FEE: AUD$37,900 per year

CAREER OPPORTUNITIES
Language services manager, intercultural business consultant, business translator

This double master’s degree is the only one of its kind in Australia, and teaches complementary skills in business and translation studies. You’ll complete translation training between English and one of eight Asian and European languages, alongside a commerce specialisation. The skills you develop will make you a bilingual professional employable in a broad range of national and international settings.

PROFESSIONAL ACCREDITATION
You will be eligible to sit the National Accreditation Authority of Translators and Interpreters (NAATI) test for Certified Translator or Advanced Professional Translator.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(a) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(b) at least two years’ professional experience in a relevant major; or
(ii) demonstrated native or near-native proficiency in the chosen language specialisation; or
(b) significant work experience, including at least five years with a material level of responsibility.

Public Policy

CAREER OPPORTUNITIES
Policy analyst, policy manager, governance manager

Are you interested in how governments can work to create a better future? A successful government must design and implement policies that will further the economic, social and legal interests of its citizens. You will be equipped with a multidisciplinary understanding of the role of government in economic activity, public administration and governance, and legal decision-making.

MASTER’S
CRICOS CODE: 093562G
UWA COURSE CODE: 42580
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
COURSE DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$38,600 per year

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and either:
(a) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; or
(b) at least two years’ professional experience in a relevant occupation; or
(2) significant work experience, including at least five years with a material level of responsibility.

Graduate Diploma in Advanced Social Work

CRICOS CODE: 095760G
UWA COURSE CODE: 42280
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
COURSE DURATION: 0.5 years full time
2021 TUITION FEE: AUD$19,300 per course

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) a bachelor’s degree, or an equivalent qualification, as recognised by UWA, and
(b) the equivalent of a UWA grade point average of at least 5.0.

* The dissertation stream will not be available for students commencing in 2020.

CAREER OPPORTUNITIES
Social worker, social policy adviser, community services officer

The Master of Social Work prepares beginning social-work practitioners for employment in local, state and international human services agencies. The Doctor of Social Work is a research-based and research-driven advanced course for qualified social workers committed to their continuing professional education.

The Doctor of Social Work is a research-based and research-driven advanced course for qualified social workers committed to their continuing professional education.

CAREER OPPORTUNITIES
Social worker, social policy adviser, community services officer

This course is open to social-work graduates with a minimum of two years’ experience as a professional social worker. It involves two compulsory units and a choice from a range of other advanced social-work units, depending on availability. The course enables practising social workers to build on their knowledge of advanced social-work theory and practice, and research methods.

CRICOS CODE: 024808F
UWA COURSE CODE: 10370
INTAKE: Semester 1, Semester 2
DURATION: 1 year full time
2021 TUITION FEE: AUD$35,200 per year

Master of Arts (Creative Writing)

CRICOS CODE: 024827C
UWA COURSE CODE: 10710
COURSE TYPE: Thesis including Exegesis and Creative Work
INTAKE: Available throughout the year
DURATION: 2 years full time
2021 TUITION FEE: AUD$33,800 per year

CAREER OPPORTUNITIES
Professional writer, editor, publisher

This research degree is designed for creative writers in any genre who wish to advance their academic and creative skills. It involves the development of a long-form creative project, with the support of a supervisor. Combining creative and exegetical research, this degree encourages the production of both creative practice and literary theory.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a bachelor’s degree with first class or upper second class honours in creative writing.

or

(b) submit and have approved by the Head of the School of Social Sciences and the Board of the Graduate Research School a folio of creative writing, at least one third of which has been published by recognised publishers, amounting to between 4,000 and 5,000 words of prose or the equivalent of poetry or drama as determined by the Head of School; and

(2) submit and have approved by the Head of the School of Social Sciences and the Board of the Graduate Research School a 2000–3000-word critical essay on an aspect of the writer’s craft.

uwa.edu.au/study/m/arts
Realise your full creative potential with studies in Music and Fine Arts.

Graduates of the UWA Conservatorium of Music perform in every major orchestra in Australia, and as chamber musicians and soloists around the world. They are award-winning composers, creators, artists, producers and sound designers, influencing the landscape of music in Australia and globally.

At the UWA School of Design, you can work alongside award-winning practising artists to gain an advanced qualification in fine arts or curatorial studies, setting yourself up for success in the art industry.

UWA’s global research collaborations and strong connections with industry leaders will provide you with a critical edge. Our established network of connections spans the creative sectors, including Perth Festival, Perth Institute of Contemporary Art, the West Australian Symphony Orchestra, WA Opera and many more. Our corporate supporters influence our courses and teaching practices to stay at the forefront of industry trends and developments. They also provide guest lectures, case studies, mentoring and placement opportunities to support you as you achieve at the highest level.

Top five reasons to study Music and Fine Arts at UWA
• Strong practical and creative course components.
• Renowned artists and musicians with extensive industry experience.
• Exhibit at the Cullity Gallery or perform on stage.
• Undertake an immersive international experience.
• Outstanding facilities: Callaway Auditorium and Eileen Joyce Studio.

“UWA truly has a great team of contemporary artists, writers and historians who are passionate and driven to tirelessly support and mentor the next generation of artists. They are always eager to pass on their knowledge and experience within the arts industry, and often go above and beyond for their students’ projects.”

SAMUEL
MASTER OF FINE ARTS
Master of Biological Arts

CRICOS CODE: 083855K
UWA COURSE CODE: 71530
COURSE TYPE: Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Academic, artistic director, visual arts professional

This course is designed for experienced art practitioners, scientists or humanities scholars who wish to engage with creative bioresearch. The course focuses on recent advances in life sciences, both in theory and practice. Emphasis is placed on critical thought, ethical and cultural issues and cross-disciplinary experimentation in art and science.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a Bachelor of Science, Bachelor of Arts, or Bachelor of Fine Arts, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/biological-arts

Master of Fine Arts

CRICOS CODE: 013801D
UWA COURSE CODE: 25740
COURSE TYPE: Research (thesis and creative)
INTAKE: Throughout the year1
DURATION: 2 years full time
2021 TUITION FEE: AUD$33,800 per year

CAREER OPPORTUNITIES
Arts professional, visual arts professional, arts administrator or manager

Pursue your passion with a supervised research and arts-practice experience. This specialist degree provides a high-quality academic qualification in the theory and practice of the fine arts, carries credibility both nationally and internationally, and empowers artists in their pursuit of national and international recognition. This course assumes a high level of both theoretical and practical expertise in fine arts.

REQUIREMENTS
To be considered for admission to this course an applicant must—
(1) (a) have completed the requirements for the degree of bachelor in an appropriate subject area from this University, or equivalent as recognised by the Board; and
(b) be able to satisfy the Board that they have the general ability to complete the course and the special ability to prepare and present a thesis.

uwa.edu.au/study/m/fine-arts

Master of Curatorial Studies in Fine Arts

CRICOS CODE: 077500K
UWA COURSE CODE: 25770
COURSE TYPE: Research (thesis)
INTAKE: Throughout the year1
DURATION: 2 years full time
2021 TUITION FEE: AUD$35,400 per year

CAREER OPPORTUNITIES
Curator – gallery or museum, arts administrator or manager, arts professional, visual arts professional

Develop your professional skills in curatorial studies. This specialist degree provides a high status and professional qualification suitable for graduates wishing to enter the museum profession in Australia or overseas as curators, exhibition organisers or researchers.

REQUIREMENTS
To be considered for admission to this course an applicant must—
(1) (a) have completed the requirements of a bachelor’s degree of this University requiring at least four years of full-time study, or the part-time equivalent, in a subject area considered by the Dean/Head of School of Design to be relevant to curatorial studies, or the equivalent of this qualification as recognised by the Board; and
(b) be able to satisfy the Board that they have the general ability to complete the course and the special ability to prepare and present a thesis.

1 By agreement with supervisor, you can commence at any time throughout the year, except in December.

uwa.edu.au/study/m/curatorial-studies-in-fine-arts
Master of Music

CRICOS CODE: 083361K
UWA COURSE CODE: 10720
COURSE TYPE: Research
(thesis and creative work)
INTAKE: Throughout the year
DURATION: 1 year full time
2021 TUITION FEE: AUD$33,800 per year

CAREER OPPORTUNITIES
Musician, composer, academic

This specialist degree extends existing skills and experience in musical performance, composition or musicology, both as a professional-level degree and as a platform for doctoral-level study. All candidates produce independent research with the guidance of a supervisor.

SPECIALISATIONS
Orchestral Performance
You’ll be required to present for examination recordings of your performance projects, a report of your performance program by your WASO Orchestral Mentor, and a thesis on a topic related to one or more aspects of your performance program.

Composition
You’ll be required to present for examination a portfolio consisting of a composition or group of compositions that show(s) advanced technical accomplishment and imaginative resource, and a thesis on a topic related to one or more aspects of the portfolio.

Musicology
You’ll be required to present for examination a thesis or a transcription and edition of a substantial body of music, to be accompanied by a critical commentary.

Performance
You’ll be required to present for examination a recital program that demonstrates advanced artistic integrity and technical accomplishment, and a thesis on a topic related to one or more aspects of the recital.

REQUIREMENTS
To be considered for admission to this course—
(1) (a) have a Bachelor of Music with honours or Bachelor of Arts with honours of this University, or equivalent as recognised by the Board, and
(b) pass a portfolio review and interview, including the nature, duration and timing, are determined by the Head of the Conservatorium of Music.
(2) By agreement with supervisor, you can commence at any time throughout the year, except in December.

Doctor of Musical Arts

CRICOS CODE: 059611G
UWA COURSE CODE: 10940
COURSE TYPE: Research
INTAKE: Throughout the year
DURATION: 3 years full time
2021 TUITION FEE: AUD$33,800 per year

CAREER OPPORTUNITIES
Musician, composer, academic

This course can be taken in either composition or performance, and consists of a combination of thesis and creative work. Work with world-class supervisors to prepare and present for examination either a portfolio of original compositions in a variety of genres, or two recitals showing professional skill and interpretative ability.

REQUIREMENTS
To be considered for admission to this course—
(1) (a) in Composition, an applicant must submit a folio of original compositions, the arrangements for which are determined by the Head of the Conservatorium of Music.
(b) in Performance, an applicant must pass an audition, the arrangements for which, including the nature, duration and timing, are determined by the Head of the Conservatorium of Music.
(2) All applicants must undergo an interview with the Head of the Conservatorium of Music or nominee.
(3) By agreement with supervisor, you can commence at any time throughout the year, except in December.

uwa.edu.au/study/m/music
uwa.edu.au/study/d/musical-arts
“My study at UWA gave me the knowledge in music theory to develop my skills in composition and become the music producer I am today. I feel that my degree also prepared me for the professional music industry by giving me many rehearsals, practice and study commitments to juggle, which I have found realistic of a full-time job in music.”

ELISE
UWA GRADUATE, MULTI-INSTRUMENTALIST, COMPOSER AND MUSIC PRODUCER. KNOWN AS ELECTRONIC ARTIST ‘FEELS’
If you’re a natural problem-solver, develop your skills in this field to tackle the fast-paced challenges in today’s world.

Working alongside passionate lecturers and researchers, industry partners and like-minded peers, you’ll focus on the practical applications of physics, mathematics and statistics in a range of industries, including mining, engineering, quantum technology, astronomy, biotechnology, science communication, medical physics, IT and tech. You’ll gain practical and theoretical expertise to develop effective and efficient analysis, visualisation, interpretation and technological skills that are increasingly in demand in many varied and rewarding career paths. Our graduates are working for leading organisations around the world, including Google, NASA, IBM and Microsoft.

Get hands-on experience with high-precision instrumentation and control, data analysis, forecasting, decision-making and detailed problem-solving, and be closely involved in developing, creating and improving our everyday lives by interpreting and applying your skills and knowledge to leading technological advances.

**Physical Sciences and Mathematics**

Studies in Physical Sciences aim to uncover the underlying laws of nature – often written in the language of mathematics. They encompass chemistry, physics, statistics and more.

**Top five reasons to study Physical Sciences and Mathematics at UWA**

- Passionate, engaged academics, including world-renowned experts.
- Mathematics is essential in growth industries such as science, technology, engineering and finance.
- Gain skills in data analysis, forecasting, decision making and detailed problem solving.
- Benefit from our Department of Physics’ century-long history and excellence in research.
- Form connections with local industry, schools, hospitals, research organisations and more.
Master of Geoscience

CRICOS CODE: 074954D
UWA COURSE CODE: 72550
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 2 years
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Geologist, hydrogeologist, geological surveyor

Knowledge of past and present earth processes is fundamental for predicting future changes in environments and climate, as well as contributing to the management of vital resources. Gain high-level skills in interpretation and integration of geoscience data, applied to understand the location, origin and evolution of important resources and other geoscience problems.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a bachelor’s degree or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c) successfully completed prior tertiary study in geology or in a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/geoscience

Master of Ore Deposit Geology

CRICOS CODE: 015855G
UWA COURSE CODE: 70590
COURSE TYPE: Coursework
INTAKE: Semester 1, Semester 2
DURATION: 1 year part time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Geologist, mining consultant, researcher

With world-class ore bodies becoming more difficult to find, there is an increasing recognition that geologists require new approaches and skills in order to discover significant deposits into the future. The Master of Ore Deposit Geology has been designed for practising geoscientists who want to gain up-to-date knowledge and skills relevant to economic geology and mineral exploration.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a Bachelor of Geology or Geoscience, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c) at least two years of professional experience in a relevant occupation;
or
(2) (a) a Bachelor of Geology or Geoscience with Honours, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/ore-deposit-geology

Master of Petroleum Geoscience

CRICOS CODE: 093309J
UWA COURSE CODE: 73540
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1 and Semester 2
DURATION: 2 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Geoscientist, mining consultant, geophysicist

This course will enable you to develop skills in geological and geophysical data analysis and integration of datasets related to sedimentary basin analysis and petroleum geoscience. Emphasis is placed on the development of practical skills underpinned by conceptual knowledge, and the application of both to solving problems related to basin history and petroleum exploration through coursework and research project components of the course.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a Bachelor of Geology, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/petroleum-geoscience
Master of Hydrogeology

CRICOS CODE: 074963C
UWA COURSE CODE: 72540
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1 and Semester 2
DURATION: 1.5–2 years
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Hydrogeologist, environmental consultant, researcher

Hydrogeology deals with the distribution and flow of groundwater beneath Earth’s surface and the interaction of groundwater with the atmosphere, biosphere and Earth’s crust via chemical, physical and biological processes in groundwater systems. This course will develop your understanding of these complex and dynamic processes, and the impacts of human activity and environmental change on groundwater systems.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
1. (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
   (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent;
   (c) successfully completed prior tertiary study in geology, environmental engineering, environmental science (including units in hydrology or equivalent), or hydrogeology or in a related cognate discipline, as recognised by UWA.

uwa.edu.au/study/m/hydrogeology

Master of Physics

CRICOS CODE: 077499J
UWA COURSE CODE: 53560
COURSE TYPE: Coursework and Dissertation
INTAKE: Semester 1 and Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$41,700 per year

CAREER OPPORTUNITIES
Medical physicist, research scientist, educator

The Master of Physics is about understanding the world around us at its most fundamental level. The knowledge generated through the study of physics is also the driving force behind most new technologies, from radars to lasers, from transistors to quantum computers, and from electron microscopes to advanced medical imaging scanners.

PROFESSIONAL ACCREDITATION
The Master of Physics (Medical Physics) is accredited by The Australasian College of Physical Scientists & Engineers in Medicine (ACPSEM).

REQUIREMENTS
To be considered for admission to this course an applicant must have—
1. (a) (i) a bachelor’s degree in physics, or an equivalent qualification, as recognised by UWA; and
   (ii) the equivalent of a UWA Weighted Average Mark of at least 65 per cent;
   (b) an honours degree in physics, or an equivalent qualification, as recognised by UWA.

uwa.edu.au/study/m/physics

Master of Ocean Leadership

CRICOS CODE: 096270F
UWA COURSE CODE: 62540
COURSE TYPE: Coursework
INTAKE: Semester 1 and Semester 2
DURATION: 1.5-2 years full time
2021 TUITION FEE: AUD$42,200 per year

CAREER OPPORTUNITIES
Marine researcher, renewable energy developer, marine conservationist, government officer, professional in offshore oil and gas, not-for-profit and aquaculture industries

The Master of Ocean Leadership develops your ocean-related leadership skills and expertise across marine science, engineering, law, resource economics and environmental management. This will enable you to strategically manage human challenges in ocean systems and to implement solutions for the future of our coasts and seas.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
1. (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
   (b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent.

uwa.edu.au/study/m/ocean-leadership
Master of Science Communication

CRICOS CODE: 06184J
UWA COURSE CODE: 51580
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1 and Semester 2
DURATION: 1.5–2 years full time
2021 TUITION FEE: AUD$39,500 per year

CAREER OPPORTUNITIES
Communications officer, health promotion officer, marketing officer

Science communicators use their knowledge of science to help raise the level of understanding about important issues in science, bridging the gap between the scientific community and the public. This course is aimed at students who already have a background in science or communication and who wish to learn the principles and practical skills of effective science communication.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 50 per cent; and
(c) successfully completed prior tertiary study in science communication or in a related cognate discipline as recognised by UWA.

uwa.edu.au/study/m/science-communication

Master of Science

CRICOS CODE: 058945E
UWA COURSE CODE: 70630
COURSE TYPE: Thesis and Coursework
INTAKE: Semester 1, Semester 2
DURATION: 1 year full time
2021 TUITION FEE: AUD$40,100 per year

CAREER OPPORTUNITIES
Academic, university lecturer, scientist

The Master of Science is a research degree allowing you to gain advanced knowledge in your chosen area of study: Agriculture and Environment; Biological Sciences; Earth Sciences; Human Sciences; Molecular Sciences; or Psychological Science. You’ll gain advanced understanding and skills in your chosen area of study through undertaking a supervised research project and coursework units that include a literature review/proposal unit and an advanced coursework unit.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a Bachelor of Science with at least upper second class honours (2A), or an equivalent qualification, as recognised by UWA; and
(b) a written agreement by a suitable research supervisor.

uwa.edu.au/study/m/science

Master of Data Science

CRICOS CODE: 093310E
UWA COURSE CODE: 62530
COURSE TYPE: Coursework or Coursework and Dissertation
INTAKE: Semester 1, Semester 2
DURATION: 1.5–2 years full time
2021 TUITION FEE: AUD$40,700 per year

CAREER OPPORTUNITIES
Intelligence analyst, statistician, management consultant, market research analyst

In this course you’ll gain the in-demand knowledge and practical skills to understand and apply appropriate analytical methodologies to transform the way an organisation achieves its goals and objectives, to deal effectively with large data management tasks, to master the statistical and machine learning foundations on which data analytics is built, and to evaluate and communicate the effectiveness of new technologies.

REQUIREMENTS
To be considered for admission to this course an applicant must have—
(1) (a) a bachelor’s degree, or an equivalent qualification, as recognised by UWA; and
(b) the equivalent of a UWA Weighted Average Mark of at least 65 per cent; and
(c) completed Mathematics Applications ATAR, or equivalent, as recognised by UWA.

uwa.edu.au/study/m/data-science
Research at UWA

Studying research at UWA is an exciting journey of discovery, where you’ll work at the ever-shifting boundary between the known and the unknown. Students with a research qualification from UWA have demonstrated they are world-class researchers, and our graduates become leaders in a wide range of industries throughout the world.

At UWA, our emphasis on academic curiosity sets us apart from other universities. Located in the time zone with the largest proportion of the world’s population, UWA has built strong collaborative links with other universities, research institutes, businesses and governments all over the world.

UWA is home to two Nobel Prize for Medicine Laureates - Professors Barry Marshall and Robin Warren. Fields Medalist, Professor Akshay Venkatesh, is also an alumnus of UWA. The University also hosts seven of the world’s Highly Cited Researchers and more than 60 academics across all of Australia’s learned academies. Our Humanities, Economics, Law and Social Sciences programs have fostered a Prime Minister and state premiers, as well as many other leaders in wide range of contexts in Australia and many other countries.

- We run more than 75 research and training centres across the country
- UWA commands 80 per cent of university research funding in WA
- Our graduates are estimated to have contributed $60 billion to WA’s economy by 2050

“\[I chose UWA because of the potential to work with industry partners and build those connections. Working with industry means I can see my research be put into action to solve real-world problems.\]

GRACE
PHD CANDIDATE (ENVIRONMENTAL SCIENCE)
Research degrees

A postgraduate research degree provides you with a unique opportunity to follow your interest in an area of research. Through the research process you’ll extend your understanding of a subject area and develop advanced analytical and project management skills as well as the ability to work independently.

Doctor of Philosophy (PhD)

UWA COURSE CODE: 00810
INTAKE: Throughout the year
DURATION: 4 years full time

The PhD is a program of independent, supervised research that is assessed solely on the basis of a thesis, sometimes including a creative work component that is examined externally. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject of interest as well as an advance in that field of knowledge.

Master of Philosophy (MPhil)

UWA COURSE CODE: 00710
INTAKE: Throughout the year
DURATION: 2 years full time

The MPhil is a program of independent, supervised research that can be taken in any discipline for which appropriate supervision and resourcing are available and is assessed solely on the basis of a thesis. It mirrors the structure and breadth of the Doctor of Philosophy.

PhD/MPhil Admission Requirements

Approval for admission to a PhD/MPhil requires an applicant to demonstrate that they have sufficient background and experience in independent supervised research to successfully complete the course, and for the University to ensure that appropriate supervision and resourcing are available. Applicants are required to demonstrate that they have met the requirements of the University Policy on Adequate Research Preparation and any other requirements for admission of the University, and

(a) have a bachelor’s degree of this University or equivalent qualification;

or

(b) (i) have previously undertaken work, of a sufficiently high standard, towards a higher degree by research in this or another approved institution but not have submitted it for any degree; and

(ii) have completed an appropriate PhD/MPhil research proposal. A student who wishes to undertake a PhD/MPhil in the field of creative writing must, in addition, submit a substantial folio of published creative work, normally in the form of one or more books. Prior to enrolment, all applicants are required to demonstrate that they have met the University’s English language requirements.

Master of Research (MRes)

UWA COURSE CODE: 00720
INTAKE: January
DURATION: 2 years full time

The MRes is designed to broaden options for honours students who wish to expand their research output, but have been unsure about transitioning straight from honours to PhD. The first year of the course comprises the honours year, and students who are admitted to the MRes proceed directly from the honours year into the second year of the MRes.

Admission Requirements

By completing the requirements of an end-on honours degree at UWA or another recognised Australian tertiary institution, with a weighted average mark of at least 70 per cent, but not had the degree conferred.

1 One year if honours is completed

| TOEFL | Internet-based TOEFL (iBT): an overall score of 82 or above with a minimum score of 22 in writing, 18 in reading, 20 in speaking and 20 in listening |

For a full list of the University’s English language requirements, refer to study.uwa.edu.au/elc. Results are valid for two years only. A higher level of English is required for some courses.
Help with English language skills

UWA Centre for English Language Teaching (UWA CELT)

UWA CELT offers accredited English Language Intensive Courses for Overseas Students (ELICOS) programs in General English and English for Academic Purposes, as well as preparation for IELTS as an internationally recognised examination.

Academic English and Study Skills Bridging Course (Bridging Course)

The Bridging Course has been designed for international students who wish to study at UWA but do not have the University’s required level of English proficiency. The course is also suitable for students with unconditional entry into UWA who would like to further develop their language ability, study and research skills, and confidence before commencing tertiary study.

A 70 per cent pass in the Bridging Course meets the University’s English language requirement for most undergraduate and postgraduate courses, although some postgraduate courses have a higher English language requirement.

1. If entry requirements for tertiary courses are higher than 6.5 and nothing below 6.0, then entry into the 10-week Bridging Course will be no less than 0.5 lower for each individual band and for the overall score. Please refer to the UWA CELT website for further information: celt.uwa.edu.au/courses/pathways.
How to apply –
Postgraduate Coursework

1 Choose your course
Choose your preferred postgraduate course from this course guide or at uwa.edu.au/study and check that you satisfy your chosen course’s admission requirements.

2 Apply Online
To start your application, visit uwa.edu.au/study and click on the ‘Login’ button on the top right-hand corner of the page. If it’s your first time applying to UWA, create a profile by selecting the ‘sign up’ tab. Once you’ve signed up, submit all required documentation in digital format or submit your application through a UWA overseas representative in your country. A complete list of representatives can be found at uwa.edu.au/study/agents.

3 Track your application
After you have submitted your application you can track its progress via the UWA Apply portal. You can also upload any additional documents we need.

4 We’ll send you a letter of offer
We’ll send you an email to notify you of the outcome of your application. If your application is successful, you will receive an offer letter or a conditional offer letter if more steps are required via email.

5 Accept your offer
When you receive your offer letter email, click the ‘accept’ button to be taken to UWA Accept, where you can accept your offer. Log in with the account you used to apply (UWA Apply portal) and you will see your offer.

You may be required to submit scans or clear photographs of any requested documents, agree to the terms and conditions of studying at UWA and then make your first payment.

6 Pre-enrolment information
When the University confirms all submitted documents are correct, you have met the English language requirements for your course and your first payment has been received, you will be issued a Confirmation of Enrolment (CoE) package that contains a letter of welcome including links to our pre-departure and on-campus accommodation guides and a Confirmation of Enrolment.

7 Enrol online
You can now enrol in your course at uwa.edu.au/unistart/enrol.

8 Flights and visa
You are required to make your own travel and student visa arrangements. UWA’s overseas representatives can help with these arrangements if you need any additional advice or assistance. In some countries, student visas can be obtained electronically. Visit homeaffairs.gov.au

We’re here to help.
If you’re unsure if your results qualify you for entry, or you would like more details on how to apply, contact our Future Students Centre to discuss your options. Call us on +61 8 6488 1000, or visit ask.uwa.edu.au.
UWA offers a wide range of prestigious postgraduate coursework scholarships for international students. For the latest scholarships visit uwa.edu.au/study/scholarships/explore

Some of our scholarships include:

**Global Excellence Scholarship**
This significant scholarship will be awarded to high-achieving postgraduate students, from selected countries, who apply for particular courses at UWA. You could be awarded up to AUD$30,000 fee reduction on your tuition fees.

Scholarship available for students commencing in 2021. For more information and to check if you are eligible, visit: uwa.edu.au/study/global-sporting-excellence-scholarship

1. Based on two semesters of full-time study.
2. Based on four semesters of full-time study.
How to apply – Postgraduate Research

1 Expression of Interest for a Higher Degree by Research at UWA
Contact the Higher Degree by Research (HDR) Support Team in the most appropriate faculty to complete an Expression of Interest. This will help identify potential supervisors and assess your eligibility for the research degrees on offer at UWA.

Faculty of Arts, Business, Law and Education
Email: hdr-fable@uwa.edu.au

Faculty of Engineering and Mathematical Sciences
Email: hdr-ems@uwa.edu.au

Faculty of Health and Medical Sciences
Email: hdr-hms@uwa.edu.au

Faculty of Science
Email: hdr-science@uwa.edu.au

2 Applying for a Higher Degree by Research
Once a potential supervisor in your area of interest is identified, information to lodge a formal application will be provided. Applications for Higher Degree by Research courses are open all year round, except for the Master of Research and combined Doctor of Philosophy and master’s courses.

Scholarship applicants will be required to go through a different process, which includes specific deadlines. Contact the relevant HDR support team to enquire further.

3 Pre-enrolment information
For Higher Degree by Research students, pre-departure information is available on the letter of offer and a Confirmation of Enrolment (CoE) will be issued when all submitted documents are correct and the English Language Requirements are met.

4 Flights and visa
You are required to make your own travel and student visa arrangements. UWA’s overseas representatives can help with these arrangements if you need any additional advice or assistance. In some countries, student visas can be obtained electronically. Visit homeaffairs.gov.au

We’re here to help
If you have any questions or need help applying contact your HDR support team.
Postgraduate Research Scholarships

UWA offers a wide range of prestigious postgraduate research scholarships. Some of our prestigious scholarships include:

UWA International Fee Scholarships and University Postgraduate Awards
Awarded to top quality international postgraduate students to support Australia’s research effort. Successful applicants can expect to become members of a research team working under the direction of senior researchers and in an area which has attracted external resources. Funded by UWA, these scholarships cover International Tuition Fees for up to four (4) years, Overseas Student Health Cover (OSHC) for the award holder and their dependents and provide a living allowance valued at AUD30,000 per annum.

Forrest Research Foundation PhD Scholarships
Awarded to outstanding students who wish to undertake high quality research and enrol in a Doctor of Philosophy (PhD) at a Western Australian university. All Forrest Scholars will receive a package which includes a tuition fee scholarship, OSHC for the award holder and their dependents, a stipend of AUD30,000 per annum, research and travel allowance of AUD13,000 and accommodation at Forrest Hall.

Dean’s Excellence in Science PhD Scholarships
Awarded to academically outstanding international and domestic students wishing to undertake a research doctorate (PhD) in the Faculty of Science. All Dean’s Excellence in Science PhD Scholars will receive a scholarship package which includes a living allowance (stipend) valued at AUD40,000 per annum; a research travel/conference allowance of AUD5,000 per annum; a research operating and submission costs allowance of AUD5,000 per annum; Overseas Student Health Cover; and tuition fees.

Dean’s Excellence in Arts, Business, Law and Education PhD Scholarships
Awarded to academically outstanding international and domestic students wishing to undertake a research doctorate (PhD) in the Faculty of Arts, Business, Law and Education (FABLE). All Dean’s Excellence in Arts, Business, Law and Education PhD Scholars will receive a scholarship package which includes a living allowance (stipend) valued at AUD33,000 per annum; Overseas Student single Health Cover; and tuition fees.

For the latest scholarships visit uwa.edu.au/study/research/research-scholarships.
Money matters

Compared to other major cities around the world, living and studying in Perth is a smart decision for international students.

One of Australia’s most affordable capital cities

Working in Australia as an international student
Under the terms of a student visa, once you have commenced your course as an international student, you can work up to 40 hours per fortnight while your course is in session and unlimited hours during scheduled course breaks.

homeaffairs.gov.au

40 per cent discount on public transport
As an international student in Perth, you receive a Western Australian Government-sponsored 40 per cent discount on all public transport. Free buses operate around the Perth CBD and, on average, public transport costs $30–$60 per week.

Cost of living
The annual cost of living in Perth depends on your lifestyle and the type of accommodation you choose; however, AUD$450–$600 per week is generally sufficient for most single students to live comfortably (this does not include tuition fees or medical cover). Consider extra funds to cover various items such as airfares and textbooks. There may also be ancillary fees applicable to your course.

uwa.edu.au/study/student-life/cost-of-living

- Phone and internet: $15–$30 per week
- Car (after purchase): $150–$260 per week
- Entertainment: $80–$150 per week
- Groceries and eating out: $140–$280 per week

Student Services and Amenities Fee (SSAF)
The UWA Student Services and Amenities Fee is a compulsory fee that directly benefits all UWA students. The fee is used to develop and provide a range of recreational facilities together with social, education and representation activities and services.

uwa.edu.au/students/my-course/fees-and-payments/ssaf

Overseas Student Health Cover (OSHC)
The Department of Immigration and Border Protection requires international students applying for a student visa to have Overseas Student Health Cover for the entire duration of their student visa. This is not applicable to students from Norway, Sweden and Belgium, who are covered under a separate arrangement.

OSHC is offered by a number of providers. You may obtain OSHC from the provider of your choice.

uwa.edu.au/students/campus-life/international-student-essentials/overseas-student-health-cover

The University of Western Australia has a ‘preferred provider’ agreement with Allianz Global Assistance. On acceptance and payment of your offer, UWA will arrange health cover with Allianz Global Assistance for the duration of your student visa. For information on the University’s agreement with Allianz Global Assistance, refer to uwa.edu.au/students/campus-life/international-student-essentials/overseas-student-health-cover.

Students who take the OSHC policy with UWA will automatically receive support through the Sonder App. Sonder Australia provides access to a student safety network, which can provide 24/7 in-person critical incident assistance when required.
